Welker,2024-07-20 Two Heirs one quest Sarah Lind is far from her Pennsylvanian home having fallen into the perilous yet magical Six Realms and fallen in with their equally deadly and alluring prince the dragon shifter Koriben Yet Earth s secret guardian the Tree of Ice has given Sarah a way back if she finds and unlocks all six moongates hidden across the Six Realms the Tree will reveal the seventh moongate to Earth As Sarah races against all odds to find her way home she risks something even greater than her life her heart Koriben Sunfilled Heir of Flame knows his duty to protect Sarah the declared Heir of Ice on their joined quest to redeem the Covenants his people depend on in their existential war against the dark Devourer Yet he wrestles with his growing feelings for her and the destiny that could divide them But if Sarah rejects her birthright his people could pay the

price starting with his dying father The only way for Sarah and Koriben to survive and succeed is for them to embrace the connection growing between them Yet they are in a race against time because in ten days the Devourer comes for them all

Dragon's Hope Leah E. Welker, 2024-10-19 Two lives one hope All Sarah Lind's dreams now seem within her reach not only is she welcomed back to the Six Realms as the Queen of Ice she is now days from her marriage to their dragon shifter King of Flame and united by their powerful bond Sarah and Ben have so far thwarted the Devourer's attempts to ruin the Realms recovery from its invasion Yet there is still one more dream for her to discover However new and growing that dream proves to be one of the most potent and according to the Tree of Ice the key to saving the Realms from the Devourer once and for all For though a King is dangerous a Queen is more powerful Because she like a Tree Herself can become a mother All Koriben Sunfilled's hopes now rest on the promise the Tree of Flame gave him that if he did as She commanded Sarah the one person he cannot live without would survive the darkness coming for her Yet his Tree's command tests him to his very core because it echoes his parents own sacrifice to give him life the cycle he had once vowed would end with him But after losing so much Ben will now do anything to save Sarah Anything Even become a father As desperately as they want to live and save their Realms Sarah and Ben resolve to have a child only for the right reasons Yet even as they wait to be sure of rightness of that course their time is once again running out for the Devourer will not tolerate the growing threat the Monarchs of Ice and Flame pose Sensing in them the culmination of millennia of Tree preparations for its final defeat the Devourer has determined they must die and it knows just how to lure the Queen of Ice into the open The Devourer will invade once again this time coming for the fading Tree of Ice whom Sarah is sworn to protect This time it is coming for Earth

The Faith and Values of Sarah Palin Stephen Mansfield, 2010-09-24 She stepped onto the world stage as the Republican vice presidential nominee in the election of 2008 Previously she had only been a small town mayor and the governor of a state with slightly more than half a million people Still there was something about her She was pretty fierce in her conservatism and she seemed undaunted by the slings and arrows of national politics And there was something else as well there was a moral force that seemed to shape her life As the world grew to know Sarah Palin throughout the 2008 campaign and in her subsequent public appearances and book people began to see the force behind her a deep lifelong Christian faith This faith was the lens through which she viewed the world the bedrock of her politics and even a primary influence upon her personality To understand Sarah Palin it is essential to understand her faith What faith principles then impact Sarah Palin's politics and what are their implications for the Republican Party and the nation as a whole These questions and more are answered in the fascinating new book by New York Times bestselling author Stephen Mansfield and his co author David Holland These authors were given extensive access to Palin's pastors advisors friends and family and it has allowed them to capture the moving story of Palin's faith as well as the meaning of that faith for American politics and culture **Reg**

Dragon's Child Leah E. Welker,2024-11-20 Two children one birthright Nineteen years after the Tree of Ice died to trap the dark Devourer in a time freeze on Earth Earth has begun to thaw and now Sarah and Ben s grown children must find their destined consorts to help them defeat the Devourer once and for all Korrien Moontouched is the Heir of Light As if the pressures of helping his mother and Queen lead their growing clan weren t enough he and his twin sister have grown up knowing they are the keys to the Devourer s final defeat to concluding the Battle for Earth which has been frozen in time since before he was born along with the rest of Earth Yet nineteen years after the battle Earth s time thaw begins throwing Rien into the Seven Realms efforts to secretly protect humanity from their common enemy The thaw also offers Rien his sole opportunity to find his consort because Rien has to marry a pure human of Ice But so far the only young woman to have escaped the time freeze of Earth is nothing like what the logical perfectionist prince had so carefully planned for himself As feisty and unpredictable as she is pretty and petite Sierra Knight encapsulates everything Rien finds aggravating and irresistible Serona Sunfilled is the Heir of Flame Even so the bright and bubbling young woman has only

three goals in life One keep her oh so serious twin brother sane Two make her beloved papa and King proud And three find the mate the Tree of Flame promised her and live happily ever after Yet things aren't quite that simple When the Tree of Flame sends Rona to an unknown world in search of her consort the dragon who awaits her is nothing like she had expected and belongs to the rarest of Powers one that can only be born from the dying embers of calamity Suddenly nothing is as perfect as the sunny princess believed it would be Though Drevior is as tantalizingly handsome as he is scarred he returns with her carrying secrets and sorrows and he brings a dire warning of an entirely new threat to the Seven Realms which he will risk everything even his life to deliver For there are other dark powers besides the Devourer and as the Devourer weakens and its defeat approaches one of them turns its thirst on the Seven Realms If the Realms and Earth are to survive the coming days both Rien and Rona will have to claim their birthright and at last unite all four Powers of Life Flame Ice Light and Ember in one

Lelith Vampyre sees the source of stories told Kristina Evans,2014-01-21 Lelith Vampyre once lived amongst shape changers Circumstances created options and she found herself living amongst us She became the source behind historical events but most weren't interested in the stories told Tales were passed on and altered to gain control but Lelith interfered and became involved with many beings She was warned of future trials but had no idea that the unreal would become real By the time she realised her mistakes the people on the planet were aware She had left her mark and given her kind a name Her only chance was to start again in a new world but a trait is difficult to hide when you are branded Another chance was given but emotions got in the way and not even magic could stop her from living up to her name Now I live far away but I'll share my story of when I lived amongst you and created what is known as vampires
