Sarojini Naidu An Introduction To Her Life Work And Poetry:

Sarojini Naidu Vishwanath S. Naravane,1996 Sarojini Naidu s interests and passions were many books poetry people conversation food gardens folklore handicrafts and travel As a poet she had perhaps the finest ear among Indians for the English language As a public speaker she impressed the most sophisticated audiences As a political worker her courage and conviction embarrassed her detractors As a proponent of women s rights she won over numerous chauvanists **Sarojini Naidu** Vishwanath Shridhar Naravane,1980 Encyclopedia of Life Writing Margaretta Jolly,2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms *Women of India* Harshida Pandit,2017-04-07 The status and position of Indian women have undergone many changes since the high status they enjoyed in the Vedic era yielded to forced suicide during the dark ages female infanticide purdah child marriages and the denial of property and political rights This book first published in 1985 provides a comprehensive annotated bibliography to hose years and the years that followed of the relentless liberation struggle by women on the socio political and legal fronts *Anglophone Indian Women Writers, 1870-1920* Ellen Brinks,2016-04-15 The result of extensive archival recovery work Ellen Brinks s study fills a significant gap in our understanding of women s literary history of the South Asian subcontinent under colonialism and of Indian women s contributions and responses to developing cultural and political nationalism As Brinks shows the invisibility of Anglophone Indian women writers cannot be explained simply as a matter of colonial marginalization or as a function of dominant theoretical approaches that reduce Indian women to the status of figures or tropes The received narrative that British imperialism in India was perpetuated with little cultural contact between the colonizers and the colonized population is complicated by writers such as Toru Dutt Krupabai Saththianadhan Pandita Ramabai Cornelia Sorabji and Sarojini Naidu All five women found large audiences for their literary works in India and in Great Britain and all five were also deeply rooted in and connected to both South Asian and Western cultures Their works created new zones of cultural contact and exchange that challenge postcolonial theory s tendencies towards abstract notions of the colonized women as passive and of English as a de facto instrument of cultural domination Brinks s close readings of these texts suggest new ways of reading a range of issues central to postcolonial studies the relationship of colonized women to the metropolitan literary culture Indian and English women s separate and joint engagements in reformist and nationalist struggles the translatability of culture the articulation strategies and complex negotiations of self identification of Anglophone Indian women writers and the significance and place of cultural difference

Unstoppable Gayathri Ponvannan, 2019-01-15 Meet the wonder women of Indian history. They flew planes, swam across oceans, led armies, performed stunts, built cities, and captured historic moments on camera despite being constantly told to stay home because that's what good girls did. These were women who dared to dream and worked hard to turn their dreams into reality, who shaped their own destinies and refused to let anyone tell them what to do. Featuring the amazing adventures of Janaki Ammal, Rani Abbakka, Nadia Wadia, Sarla Sharma, Thakral Rajkumari, Amrit Kaur, and many others, *Unstoppable* is a collection of 75 power-packed stories of the extraordinary Indian women who broke the rules to change the world around them for the better.

[Encyclopedia of Women Social Reformers](#) Helen Rappaport, 2001-12-06 The first comprehensive guide to women activists from every part of the world, illuminating the broad range of women's struggles to reform society from the 18th century to the present. Despite being marginalized, disenfranchised, impoverished, and oppressed, women have always stepped forward in disproportionate numbers to lead movements for social change. This two-volume encyclopedia documents the visions, struggles, and lives of women who have changed the world. This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe, women who have bravely insisted that the way things are is not the way they have to be. Nadeshda Krupskaya, the wife of Lenin, spearheaded the drive against illiteracy in post-revolutionary Russia. American Dorothy Day founded the Catholic worker movement. Begum Rokeya Hossain organized a girls' school in Calcutta in 1911. Rachel Carson launched the modern environmental movement with her book *Silent Spring*. The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world.

The Shi'i Islamic Martyrdom Narratives of Imam al-Husayn Muhammad-Reza Fakhr-Rohani, 2023-06-14 Martyrdom narratives (maqtals) represent a prominent genre of Islamic, particularly Shi'i, literature. In this genre, the heart-rending aspects of the martyrdom scenes of religiously prominent people are depicted graphically. Although not exclusively limited to the martyrdom accounts of Imam al-Husayn and his companions who were martyred on the plain of Karbala, Iraq, a great majority of Islamic martyrdom narratives deal with the Ashura episodes. As the first book-length treatment of this genre in English, this text takes the reader from the dawn of Islam in ancient Arabia, exploring the background of the Battle of Karbala, and giving a view of the various maqtals and several related studies. Although examining Arabic and Persian sources, this book presupposes little background knowledge on the part of the reader.

Making India: Colonialism, National Culture, and the Afterlife of Indian English
Authority Makarand R. Paranjape,2012-09-03 Compared to how it looked 150 years ago at the eve of the colonial conquest

today's India is almost completely unrecognizable. A sovereign nation with a teeming industrious population, it is an economic powerhouse and the world's largest democracy. It can boast of robust legal institutions and a dizzying plurality of cultures in addition to a lively and unrestricted print and electronic media. The question is how did it get to where it is now. Covering the period from 1800 to 1950, this study of about a dozen makers of modern India is a valuable addition to India's cultural and intellectual history. More specifically, it shows how through the very act of writing often in English, these thought leaders reconfigured Indian society. The very act of writing itself became endowed with almost a charismatic authority which continued to influence generations that came after the exit of the authors from the national stage. By examining the lives and works of key players in the making of contemporary India, this study assesses their relationships with British colonialism and Indian traditions. Moreover, it analyzes how their use of the English language helped shape Indian modernity, thus giving rise to a uniquely Indian version of liberalism. The period was the fiery crucible from which an almost impossibly diverse and pluralistic new nation emerged through debate, dialogue, conflict, confrontation, and reconciliation. The author shows how the struggle for India was not only with British colonialism and imperialism but also with itself and its past. He traces the religious and social reforms that laid the groundwork for the modern subcontinental state proposed and advocated in English by the native voices that influenced the formation of India's society. Merging culture, politics, language, and literature, this is a path-breaking volume that adds much to our understanding of a nation that looks set to achieve much in the coming century.

Sarojini Naidu, *Selected Poetry and Prose* Sarojini Naidu, 1993 ***Literary Cultures in History*** Sheldon Pollock, Arvind Raghunathan, Professor of South Asian Studies, Sheldon Pollock, 2003-05-19 Publisher Description

Feminism and Nationalism in the Third World Kumari Jayawardena, 2016-09-06 A founding text of transnational feminism. For twenty-five years *Feminism and Nationalism in the Third World* has been an essential primer on the late nineteenth and early twentieth-century history of women's movements in Asia and the Middle East. In this engaging and well-researched survey, Kumari Jayawardena presents feminism as it originated in the Third World, erupting from the specific struggles of women fighting against colonial power for education or the vote for safety and against poverty and inequality. Journalist and human rights activist Rafia Zakaria's foreword to this new edition is an impassioned letter in two parts: the first to Western feminists, the second to feminists in the Global South, entreating them to use this compendium of female courage as a bridge between women of different nations. *Feminism and Nationalism in the Third World* was chosen as one of the top twenty Feminist Classics of this Wave 1970-1990 by Ms. magazine and won the Feminist Fortnight Award in the UK.
