The Krugersdorp Cult Killings Jana Marx, 2020-09-01 Eleven murders over a period of four years sent shockwaves through the Krugersdorp community and made headlines nationwide Eventually these murders were connected to Cecilia Steyn and her cult Electus per Deus chosen by God Members of the cult were willing to do anything for Cecilia even if it meant committing murder The murderers are intelligent ordinary people a teacher a financial broker and a teenager who despite her involvement in the murders still managed to obtain six distinctions in matric and be accepted to medical school Their victims merely kept their appointments not knowing that their appointments were with death Who is Cecilia Steyn How can one person manipulate five others to commit murder and perjury on her behalf How did Satanism contribute to all of this How did inexperienced criminals manage to evade capture for so long Jana Marx answers these and other questions in this true crime account that led to one of the most sensational murder cases in the country's history Through interviews with those in the inner circle evidence given in court and police files covering a period of four years Marx attempts to answer the public's questions and provide a view of the inner workings of such a cult

Jones, 2018-07-20 It's Lilah Love's job to inhabit a killer's mind The unapologetically tough FBI profiler is very comfortable there But her latest case is making her head spin It's a string of brutal assassinations carried out across the country each tied to a mysterious tattoo Body by body she's followed the clues all the way back to her hometown And every step of the way the killer has been following her Here beneath the glamour of the privileged Hamptons community is a secret long buried but never forgotten It's bigger than Lilah It's powerful enough to escape the reach of the FBI And it's more personal than anyone can imagine Because it's hiding in Lilah's own past To fight it she's forced to turn to her lethally tempting ex Kane Mendez He's an expert at bringing out Lilah's darkest impulses If she plans to survive she's going to need them Extreme Evil: Kids Killing Kids Bob Larson, 1999-09-21 Kids are killing kids in public schools Kids are killing their parents What is causing all of this evil in our younger generation Do we need prayer back in the schools or do we need God to start in the home Bob Larson gets us to the root of these evils and brings us some of the answers we are looking for in this new video assisted program **Abomination: Devil Worship and Deception in the West Memphis Three Murders** William Ramsey, 2013-12-06 Abomination Devil Worship and Deception in the West Memphis Three Murders provides a detailed time lined analysis of the murder that shocked the nation the heinous killing of three eight year old boys in West Memphis Arkansas on May 5th 1993 A wall of deception has led the American public to erroneously believe that the three men were falsely accused and convicted for the crime Unfortunately this is not true William Ramsey author of Prophet of Evil Aleister Crowley 9 11 and the New World Order provides shocking insights into the lives of the convicted murderers and their involvement with witchcraft Relying on actual court and police records William Ramsey shows that the evidence abundantly points to the guilt of the West Memphis Three The Satanism Scare Joel Best, 2017-09-29 Although there is growing concern over Satanism as a threat to American life the topic has received surprisingly little serious attention Recognizing this the editors of this volume have selected papers from a wide variety of disciplines broadly covering contemporary aspects of Satanism from the vantage points of studies in folklore cults religion deviance rock music rumor and the mass media All contributors are skeptical of claims that a large powerful satanic conspiracy can be substantiated Their

research focuses instead on claims about Satanism and on the question of whose interests are served by such claims Several papers consider the impact of anti Satanism campaigns on public opinion law enforcement and civil litigation child protection services and other sectors of American society The constructionist perspective adopted by the editors does not deny the existence of some activities by real Satanists and two papers describe the workings of satanic groups Whatever the basis of the claims examined and analyzed there is growing evidence that belief in the satanic menace will have real social consequences in the years ahead Encyclopedia of Satanism James Lewis, **The Dark History of the Occult** Paul Roland, 2022-07-01 What evidence is there that evil entities can possess human beings and force them to commit horrific murders Black magic murders Satanic sex cults and demonic possession are the diabolical practices that grab the tabloid headlines and reinforce the myth that evil and an unhealthy obsession with the occult are to blame for our increasingly violent society But is the truth even darker and more disturbing From tribal magic and shamanism through the work of WB Yeats and Aleister Crowley to black magic rituals and New Age Nihilists The Dark History of the Occult asks whether Satanic forces are simply the emergence of the dark side of human nature or whether we really have something to fear namely evil

Lewis, 2001-12-07 This authoritative reference work presents a full image of the Prince of Darkness as he appears throughout traditional theology mythology art and literature and popular culture This nonsensationalist encyclopedia examines contemporary images of the devil and sorts out the many different forms these images take Although much of the myths relating to Satan derive directly or indirectly from the Christian tradition the key sources of diabolical images today are horror movies heavy metal music and conservative Christian literature This encyclopedia gives a brief overview depicting the history and transformation of the meaning of the Prince of Darkness and 300 entries cover subjects like the angel of death backward masking messages revealed when songs are played backward neopagan witchcraft UFOs and The Satanic Bible Extensive appendixes include the 1992 FBI study of satanic ritual abuse the most influential document ever written on the subject as well as sample satanic scriptures and a satanic wedding ceremony Satanism Today also includes a chronology bibliographies and references **Voodoo Killers** Joseph Carlson, 2013 The art of murder knows many forms but few more harrowing than murder for reasons of ritual or the supernatural Supposedly serving a higher cause they are often little more than acts of self gratifying blood lust Voodoo Killers chronicles the disturbing history of ritualistic killing around the world with shocking examples of human sacrifice from past and present voodoo hexes sexual slavery and satanic murder It is a history that incorporates vampires serial killers and rapists as well as institutionalized killers such as the Aztec high priests and Spanish Inquisitors whomurdered in the name of religion Murder does not come much worse than this premeditated organized ritualized and in the past accepted as permissible The Voodoo Killers stand alone in the annals of horror Weekly World News , 1989-10-10 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online

narratives across a number of genres including novels sociological texts and true crime accounts [The Mammoth Book of Killers at Large](#) Nigel Cawthorne, 2011-09-01 Reason to be afraid over 50 unsolved cases of serial murder Fact murderers and serial killers do not always get caught Behind every headline of a newsworthy conviction lie other cases of vicious murderers who got away and who remain somewhere among us Here in one giant volume are more than 50 of the most serious serial killings and other murder cases that continue to remain unsolved The cases covered in this alarming book include Argentina's crazed highway killer responsible for mutilating and killing at least five people since 1997 and dumping their bodies along remote highways The Green River Killer believed to be a middle aged white man who has claimed at least 49 lives to date in the Seattle Tacoma area South Africa's Phoenix Strangler suspected of killing 20 women in the province of KwaZulu Natal The Twin Cities Killer either one or several people responsible for a series of over 30 murders on the streets of Minneapolis and St Paul where the victims were mostly prostitutes Costa Rica's elusive El Psicopata The Psychopath thought to have murdered at least 19 people in this small quiet Central American country The Monster of Florence responsible for a series of 15 sexual slayings just outside Florence In each case it is not just the crimes that are horrifying and fascinating but the response of local police and authorities to the lack of a conviction Local authorities may fear to admit the continued existence of a serial killer at large whilst police bodies face the temptation to tidy up loose unsolved murders under the aegis of other admitted crimes
