## **Satans Mark Exposed 666:**

The 666 Theory Proved Bernard Nwaokeleme PhD,2020-09-18 This book attempts to use the encouragement given in Revelation 13 18 where it is clearly implied that the identity of the Beast Antichrist is embedded in the number 666 which requires wisdom and understanding for its interpretation Hence the number 6 that stands as the common feature of the identity of the Beast is used as a base value in the mathematical calculation Following the results obtained whereby it was proved mathematically in the book that the Beast Antichrist will be A Cloned Human the authors now appear to have removed all doubts based on the previous conceptions people had of The 666 Theory interpreted as being represented by historical personages and dignitaries Lots of obstacles were experienced during the composition of this corpus Severally important written manuscripts disappeared and attempts were made by unknown forces to cancel or efface the drawings stored in the memory of the computer Prayers were often said over the lost manuscripts and some were recovered after These obstacles did prolong the publication of this work However the obstacles do prove the reality of the existence of the Devil and his hordes of evil angels who had tried everything possible to stop the research work The attention of world governments have been drawn in the book to the imminent dangers that would face our world if the Antichrist were allowed to surface from either the sea or land as suggested in the Book of Revelation The actual probable date of 2012AD for the birth of the Antichrist has been worked out mathematically as implied in the Revelation Text 13 18 The authors therefore warn all governments that the greatest world enemy is about to come through human cloning science The most needful war to be launched and fought must be the war against human cloning If this is not done the Antichrist must surface from a colony of human clones in a few years ahead If this war against human cloning is not launched now the world should get ready to face a very severe war of the Antichrist as from the year 2042 AD when the Antichrist would have grown into maturity as a world Dictator This book cautions that all hands must be on deck to fight the battles of this imminent war If you want to be a soldier in this crusade war this book is your armour and weapon I recommend this book to Governments Institutions Churches and families because it will likely serve as a deterrent to the menace the Devil is planning to usher into the world in the near future     **Satan's 200 Million Man Army Exposed** ,     666 and 1000 Salem Kirban,1973

**Satan's Mark Exposed** Salem Kirban,1978     **Exposing Satan's Devices** Betty Miller,2003-12 EXPOSING SATAN S DEVICES is a spiritual tool chest of the many devices Satan uses to keep people under his lies and deceptions which eventually destroys them It s very broad and yet specific in it s coverage of exposing Satan s devices Some of the topics covered deal with things we all face in our day with the devil on the rampage As long as Satan stays covered he is able to continue his evil works but when the light of God s Word shines on his deeds he can no longer use his deceptions We certainly don t want to allow the devil to get an advantage over us by our ignorance of the devices he uses 2 Corinthians 2 11 This book is an expose of Satan and his methods and how to overcome him through spiritual warfare As overcomers we have
