Satire Anthology:

A Satire Anthology ,1905 A Satire Anthology Carolyn Wells, 2014-01-16 From the INTRODUCTION SATIRE though a form of literature familiar to everyone is difficult to define Partaking variously of sarcasm irony ridicule and burlesque it is exactly synonymous with no one of these Satire is primarily dependent on the motive of its writer Unless meant for satire it is not the real thing unconscious satire is a contradiction of terms or a mere figure of speech Secondarily satire depends on the reader What seems to us satire to day may not seem so tomorrow Or what seems satire to a pessimistic mind may seem merely good natured chaff to an optimist This of course refers to the subtler forms of satire Many classic satires are direct lampoons or broadsides which admit of only one interpretation Literature numbers many satirists among its most honoured names and the best satires show intellect education and a keen appreciation of human nature Nor is satire necessarily vindictive or spiteful Often its best examples show a kindly tolerance for the vice or folly in guestion and even hint a tacit acceptance of the conditions condemned Again in the hands of a carping and unsympathetic critic satire is used with vitriolic effects on sins for which the writer has no mercy This lashing form of satire was doubtless the earliest type The Greeks show sardonic examples of it but the Romans allowed a broader sense of humour to soften the satirical sting Following and outstripping Lucilius Horace is the acknowledged father of satire and was himself followed and in the opinion of some outstripped by Juvenal But the works of the ancient satirists are of interest mainly to scholars and cannot be included in a collection destined for a popular audience The present volume therefore is largely made up from the products of more recent centuries From the times of Horace and Juvenal down through the mediaeval ages to the present day satires may be divided into the two classes founded by the two great masters the work of Horace's followers marked by humour and tolerance that of Juvenal's imitators by bitter invective On the one side the years have arrayed such names as Chaucer Swift Goldsmith and Thackeray on the other Langland Dryden Pope and Burns A scholarly gentleman of our own day classifies satires in three main divisions those directed at society those which ridicule political conditions and those aimed at individual characters These variations of the art of satire form a fascinating study and to one interested in the subject this small collection of representative satires can be merely a series of guide posts It is the compiler s regret that a great mass of material is necessarily omitted for lack of space other selections are discarded because of their present untimeliness which deprives them of their intrinsic interest But an endeavour has been made to represent the greatest and best satiric writers and also to include at least extracts from the masterpieces of satire It is often asked why we have no satire at the present day Many answers have been given but one reason is doubtless to be found in the acceleration of the pace of life fads and foibles follow one another so quickly that we have time neither to write nor read satiric disquisitions upon them Another reason lies in the fact that we have achieved a broader and more tolerant human outlook Again the true satirist must be possessed of earnestness and sincerity And it is a question whether the mental atmosphere of the twentieth century tends to stimulate and

foster those qualities These explanations however seem to apply to American writers more especially than to English The leisurely thinking Briton with his more personal viewpoint has produced and is even now producing satires marked by A Satire Anthology Carolyn Wells, 2017-06-05 Satire though a form of literature familiar to everyone is difficult to define Partaking variously of sarcasm irony ridicule and burlesque it is exactly synonymous with no one of these Satire is primarily dependent on the motive of its writer Unless meant for satire it is not the real thing unconscious satire is a contradiction of terms or a mere figure of speech Secondarily satire depends on the reader What seems to us satire to day may not seem so tomorrow Or what seems satire to a pessimistic mind may seem merely good natured chaff to an optimist This of course refers to the subtler forms of satire Many classic satires are direct lampoons or broadsides which admit of only one interpretation Literature numbers many satirists among its most honoured names and the best satires show intellect education and a keen appreciation of human nature Often satire provides best examples of a kindly tolerance for the vice or folly in question and even hint the acceptance of the conditions condemned Again in the hands of a carping and unsympathetic critic satire is used with vitriolic effects on sins for which the writer has no mercy It is the compiler s regret that a great mass of material is necessarily omitted for lack of space other selections are discarded because of their present untimeliness which deprives them of their intrinsic interest But an endeavour has been made to represent the greatest and best satiric writers and also to include at least extracts from the masterpieces of satire A Satire Anthology (Classic **Reprint)** Carolyn Wells, 2017-09-17 Excerpt from A Satire Anthology This of course refers to the subtler forms of satire Many classic satires are direct lampoons or broadsides which admit of only one interpreta tion Literature numbers many satirists among its most honoured names and the best satires show intellect education and a keen appreciation of human nature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **American Satire** Nicholas Bakalar, 1997-04-01 This entertaining informative collection covers the best of American satire from Ben Franklin's cutting satiric attacks to Nathaniel Hawthorne's Celestial Railroad Calvin Trillin's Old Marrieds Mark Twain's American Abroad to P J O Rourke's The Innocents Abroad Updated a late 20th century take on Twain's classic piece Entertaining and satisfying An excellent introduction Amazon com The Broadview Anthology of British Satire, 1660-1750 Evan R. Davis, Nicholas D. Nace, 2023-03-03 The Broadview Anthology of British Satire 1660 1750 provides instructors and students with a thorough introduction to the highpoint of British literary satire Reflecting current pedagogical practice and scholarship the anthology presents works by thirty satirists including eleven women The

contents are expansive they include canonical frequently taught texts less anthologized works by major satirists and works by writers who have been traditionally excluded from anthologies Biographical headnotes crisp footnotes and carefully edited texts make the book suitable for use in both undergraduate and graduate classrooms By turns raucous piercing acerbic winking vexatious and sly the satires in the anthology will provoke fresh dynamic approaches to this crucial literary period

Anthology of Soviet satire Peter Henry,1974 Teaching Modern British and American Satire Evan R. Davis, Nicholas D. Nace,2019-05-01 Offers pedagogical techniques for teaching British and American satire from 1700 to the present in college classrooms including considerations of modern theories of satire verbal irony parody gender elitism postcolonialism comics television offensive humor and individualism Provides bibliographical resources and suggestions for teaching satire in composition gateway and survey courses **British Satire, 1785-1840, Volume 1** John Strachan, Steven E Jones, 2020-04-01 This set offers a representitive collection of the verse satire of the Romantic period published between the mid 1780s and the mid 1830s As well as two single author volumes from William Gifford and Thomas Moore there is also a wealth of rare unedited material The Bookman's Manual Bessie Graham, 1921 The Anti-courtier Trend in Sixteenth Century French Literature Pauline M. Smith, 1966 Class List Bangor Public Library (Bangor, Me.), 1907 Harper's Monthly Magazine Henry Mills Alden, 1907 Important American periodical dating back to 1850 The Bookman, 1907

Encyclopedia of American Humorists Steven H. Gale, 2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature Scannell's New Jersey First Citizens William Edgar Sackett, John James Scannell, 1917 Sale Catalogues American Art Association, Anderson Galleries (Firm), inc American art The Publishers Weekly ,1905 association Aderson galleries, 1917 Speech Play Barbara Kirshenblatt-Gimblett, 2016-11-11 From riddles to proverbs from jingles to jokes from mnemonics to pig Latin to dueling with words speech play is central to social life in all of its forms These essays describe a variety of speech play genres formulate the rules for play with language and discuss the relevance of speech play to current issues in linguistic theory cognitive development and the ethnography of speaking Forum Lorettus Sutton Metcalf, Walter Hines Page, Joseph Mayer Rice, Frederic Taber Cooper, Arthur Hooley, George Henry Payne, Henry Goddard Leach, D. G. Redmond, 1917
