Los Angeles Saturday Night ,1928 **Highlife Saturday Night** Nate Plageman,2021-12-22 The story of highlife music and the culture that revolved around it in Ghana before and after independence includes links to audiovisual content Highlife Saturday Night captures the vibrancy of Saturday nights in Ghana when musicians took to the stage and dancers took to the floor in a penetrating look at musical leisure during a time of social political and cultural change Framing dance band highlife music as a central medium through which Ghanaians negotiated gendered and generational social relations Nate Plageman shows how popular music was central to the rhythm of daily life in a West African nation He traces the history of highlife in urban Ghana during much of the twentieth century and documents a range of figures who fueled the music s emergence evolution and explosive popularity This book is generously enhanced by audiovisual material on the Ethnomusicology Multimedia website [Canadian Saturday Night](#) ,1997 **Bulletin of the Atomic Scientists** ,1987-05

[Bulletin of the Atomic Scientists](#) ,1987-05 **The Dignity of Every Human Being** Kirk Niergarth,2015-02-26 The Dignity of Every Human Being studies the vibrant New Brunswick artistic community which challenged the tyranny of the Group of Seven with socially engaged realism in the 1930s and 40s Using extensive archival and documentary research Kirk Niergarth follows the work of regional artists such as Jack Humphrey and Miller Brittain writers such as P K Page and crafts workers such as Kjeld and Erica Deichmann The book charts the rise and fall of social modernism in the Maritimes and the style s deep engagement with the social and economic issues of the Great Depression and the Popular Front Connecting local national and international cultural developments Niergarth s study documents the attempts of Depression era artists to question conventional ideas about the nature of art the social function of artists and the institutions of Canadian culture The Dignity of Every Human Being records an important and previously unexplored moment in Canadian cultural history **A New Deal for All?** Andor Skotnes,2012-12-14 In A New Deal for All Andor Skotnes examines the interrelationships between the Black freedom movement and the workers movement in Baltimore and Maryland during the Great Depression and the early years of the Second World War Adding to the growing body of scholarship on the long civil rights struggle he argues that such border state movements helped resuscitate and transform the national freedom and labor struggles In the wake of the Great Crash of 1929 the freedom and workers movements had to rebuild themselves often in new forms In the early 1930s deepening commitments to antiracism led Communists and Socialists in Baltimore to launch racially integrated initiatives for workers rights the unemployed and social justice An organization of radicalized African American youth the City Wide Young People s Forum emerged in the Black community and became involved in mass educational anti lynching and Buy Where You Can Work campaigns often in multiracial alliances with other progressives During the later 1930s the movements of Baltimore merged into new and renewed national organizations especially the CIO and the NAACP and built mass regional struggles While this collaboration declined after the war Skotnes shows that the earlier cooperative efforts

greatly shaped national freedom campaigns to come including the civil rights movement **The Church School Journal**
