The Savage Pilgrimage Catherine Carswell,1981-10-29 Catherine Carswell 1879 1945 the novelist and biographer of Burns was also a regular reviewer of new fiction in her early career She became convinced that D H Lawrence was a great writer when she reviewed his first books made his acquaintance and became a lifelong and faithful friend When John Middleton Murry s Son of Woman appeared shortly after Lawrence s death Catherine Carswell was stung by its assumption that Murry understood Lawrence s case and had explained it in his book The Savage Pilgrimage was written partly in reply to Murry Since it took angry exception to his criticisms Murry thought it libellous took legal action and had it first suppressed and then expurgated This is a reprint of the original edition of 1932 The book survives the controversy with Murry it was the first substantial biography of Lawrence written by a close friend from direct knowledge full of first hand information very sympathetic and understanding

The Savage Pilgrimage, a Narrative of D.H. Lawrence, by Catherine Carswell (Revised Edition) ... Catherine Carswell,1932

Living at the Edge : a Biography of D.H. Lawrence and Frieda Von Richthofen Michael Squires,Lynn K. Talbot,Lynn Kiefer Talbot,2002 Dashingly told and meticulously researched this double biography of D H Lawrence and his wife Frieda von Richthofen is the first to draw fully on Frieda s unpublished letters and on interviews with people who knew her well It explores their collision with an industrial world they hated and chronicles the stormy relationship between husband and wife The strong sexual vitality that inspired Lawrence s art brought both joy and anguish to his marriage Here the Lawrences emerge as proud but not conceited in their unconventional lives staunch in the face of fierce opposition from a conformist society Living at the Edge follows the separate lives of Lawrence and Frieda up to their first meeting in 1912 Tracing their new life together it depicts their grateful escape from the English Midlands their discovery of exotic places where they made temporary homes Italy Cornwall Australia New Mexico and Mexico Lawrence s courageous battle against illness and after his death in 1930 Frieda s success in recreating the simple life on ranches near Taos New Mexico where she died in 1956 At the center of their story is Lawrence s literary career Biographers Squires and

Talbot see Lawrence's major novels *The Rainbow* *Women in Love* *Lady Chatterley's Lover* as a fresh way to understand his turbulent and conflicted life. They reveal the extreme care with which he rewrote his personal experience to satisfy his deepest needs and they introduce the many influential people who entered the Lawrences' lives and work. The rich materials from Frieda's letters reveal a different Lawrence, more difficult as a man but more interesting as an artist; they also reveal a different Frieda, more vibrant as a woman, more substantial as a companion. This superb biography gives both Lawrence and Frieda striking new dimensions.

The American Lawrence Lee M. Jenkins, 2021-01-18 Reassessing Lawrence's relationship to American modernism and his American literary contemporaries, Jenkins offers new insights into the literary exchange between America and Europe.

The Vital Art of D.H. Lawrence Jack Stewart, 1999 D.H. Lawrence asserts Jack Stewart expresses a painter's vision in words supplementing visual images with verbal rhythms. With the help of twenty-three illustrations, Stewart shows how Lawrence's style relates to impressionism, expressionism, primitivism, and futurism. Stewart examines Lawrence's painterly vision in *The White Peacock*, *Sons and Lovers*, *The Rainbow*, *Women in Love*, *Kangaroo*, and *The Plumed Serpent*. Stewart's final three chapters deal with the influence exerted on Lawrence's fiction by the work of Van Gogh, Cezanne, Gauguin, and the Japanese artists Hokusai and Hiroshige. He concludes by synthesizing the themes that pervade this interarts study: vision and expression, art and ontology.

The Consciousness of D.H. Lawrence Daniel J. Schneider, 1986 This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought. It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence's thought and feeling over the course of his lifetime. The author blends intellectual biography and psychology to focus on Lawrence's religious nature as a shaping force in his life.

D.H. Lawrence and the Great War Jae-kyung Koh, 2007 This study focuses on the work of D.H. Lawrence, 1885-1930. One of the few major English writers to come from an industrial working-class background, Lawrence contributed to the development of all the major literary genres, bringing to them a fresh perspective and a willingness to experiment radically with form. His brief but productive literary career largely coincided with the crisis years of the Great War and its aftermath, and his creative engagement with contemporary events is reflected in a body of work which conveys vividly and powerfully the experience of the time. Lawrence's diagnosis of his own time was informed by the radical ideas which arose in the intellectual ferment of the first decades of the twentieth century: ideas about mind and consciousness, relationships and sexuality, community and history. In his fiction, the Great War is set in a long historical perspective, drawing in particular on Nietzsche's analysis of the origins of European nihilism. This study focuses on Lawrence's prose fiction and essays, in particular, which explore the polymorphous effects: social, political, psychological, of the War. His treatment of the profound forces which have shaped European history and his sense that contemporary conditions are capable of creating sharply contrasting futures point forward to Michel Foucault's paradoxical vision of historical development.
