Savage Snow:

Savage Snow Will Holt, 1979 Anarchist Seeds beneath the Snow David Goodway, 2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In Anarchist Seeds beneath the Snow David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world **The Snow Prince** L. W. Arrington, 2016-08-22 The Snow Prince is more than just a story It is a life lesson for young and old It shows us the items we collect are not nearly as important as the people we meet and interact with No matter what treasures we might collect they end up being nothing more than items to be dusted They cannot hug us nor fill the dark hours when we are at our lowest But the gift of a friend who shares their life with us is a treasure that never grows old This is the lesson of The Snow Prince
