There had always been a powerful chemistry between the two of them Now she was truly in a bind caught between trying to help and protect her injured mother while living with a husband she now felt she barely knew The Rodney Papers David Syrett,2020-12-17 Overbearing avaricious and difficult yet talented and ambitious George Brydges Rodney has never attracted much sympathy or understanding He was nevertheless an original thinker and one of the great admirals of the eighteenth century The contents of this volume the first of three document his career from 1742 until 1763 his private and political life His early years as a captain were spent in the severe conditions of the North Sea and in taking privateers in the western approaches During the peace after 1748 he was Governor of Newfoundland and in the Seven Years War blockaded Le Havre before going as a flag officer to command in the Leeward Islands where he participated in the capture of Martinique This volume also contains letters to his wife which indicate against past opinion that Rodney had a heart The Lady from the Sea Henrik Ibsen,2012-02-28 Ellida claustrophobic and restless swims in the sea every day She loves her husband Dr Wangel but ten years ago promised herself to another man On a late summer s day he comes to claim her Henrik Ibsen s elusive masterpiece The Lady from the Sea in a translation by Stephen Unwin premiered at the Rose Theatre Kingston in February 2012 **And the Hits Just Keep On Comin'** Peter E.
