## Saved Or Destroyed:

**To Save and to Destroy** Viet Thanh Nguyen, 2025 Pulitzer Prize winner Viet Thanh Nguyen's *To Save and to Destroy* is a deeply personal reflection on outsiders in literature and in US society. Across six essays first delivered as the Norton Lectures, Nguyen offers insightful readings of authors who shaped his craft, culminating in a poignant and vigorous call for a solidarity of the devastated.

**When the Saints Are Caught Up** Vinny Smith, 2013-07-23 Does it matter when the saints are caught up? I believe it does. If someone believes they are going to be caught up before a period of great tribulation or affliction and this belief happens to be false, there may be serious ramifications. How can a person prepare themselves for something they don't believe is going to happen? If the average person is suddenly told they must run a marathon 26 miles today, what percentage of the population could finish the race without stopping? I would venture to say the percentage would be very low. Well, the same will hold true if a person is not spiritually prepared to endure a period of great tribulation or affliction: how will they make it through and hold fast to the gospel of Jesus Christ? After we receive God's word, we must continue daily in His word by reading, studying, meditating, and praying. This is how we put on the whole armor of God that we may be able to stand against the wiles of the devil. Ephesians 6:11. If those who hold on to the pre-tribulation catching up of the saints theory are correct, then everything is fine. If they are wrong, then they indeed might turn away from the faith in Jesus because they are not prepared to endure tribulation or affliction. Knowing this, an important question arises: through scripture, can we prove 100% without a doubt that a pre-tribulation catching up of the saints will occur? I have studied and compared many scriptures related to the topic, and I have found the answer to be no. In fact, from my study, the scriptures seem to prove the exact opposite: that the saints will have to go through a period of great tribulation or affliction before the appearing and coming of Jesus Christ. We must gird ourselves in the word of God in order to be spiritually prepared to go through some challenging times; our everlasting life with Jesus depends on it. Decide for yourself as you read through this book.

**So This Is Peace?** Frederick Grossman, 2014-04-28 As an old hippie Jesus freak, I cannot help but question authority. I have done so with established beliefs of major denominations. I compare what denominations teach as sound doctrine and compare them to what the Bible, the sole authority, teaches in reality. For example, hell is accepted and taught as literal fire and eternal torment when Scripture actually reveals something opposite and totally different.

**Hermione Granger Saves the World** Christopher E. Bell, 2012-08-13 The new essays in this book make two central claims First for some people the word feminist has been either poorly defined or even demonized Hermione Granger of the Harry Potter series serves as an outstanding example of what modern young feminism looks like activist powerful and full of agency yet feminine romantic and stylish a new kind of feminism for a new kind of girl The second claim the essays make is that our young emergent feminist Hermione Granger is a pivotal character upon whom the entire series rests not Harry Potter himself or at least not Harry Potter solely It is Hermione who solves every difficult puzzle performs every difficult spell and to whom her two male companions look for guidance and advice On several occasions throughout the series Hermione literally saves the world through her actions This is an outstanding model for young women and for young men as well who are confused about how feminism manifests and operates in 2012      **Annual Report of the Postmaster General** United States.
