Saving Jesus:

Saving Jesus from Those Who Are Right Carter Heyward, In this theological resource for spiritual transformation and social change Carter Heyward rethinks the figure Jesus and his import for church academy and society Rather than focus on the endlessly variable pictures of Jesus in contemporary biblical scholarship and in radical opposition to the Jesus of the Christian Right Heyward presents Jesus as our brother infused with a sacred power and passion for embodying right mutual relation and ourselves with him in this commitment She goes on to explore concretely how we might live this way *Islam Saves Jesus* Mohamed Moussa Ghounem, 2022-12-17 Introduction True Love Christian Is it True that Muslims Love Jesus Ten Times More than Christians Muslim Yes Islam Teaches Unconditional Love For Jesus Christ Modern Christianity Obviously Selfishly and Impulsively Teaches Hate Towards the Original Jesus Christ Christian How Does Christianity Teach Hate towards Jesus Christ Compared to Islam Loving Jesus Christians Love Jesus Because Christ Died on the Cross For us Muslim The Ten Ways Muslims Love Jesus Compared to Christians Hating Christ are 1 Islam Teaches Jesus Was Not Murdered Christians Need Jesus to have been Killed Like a Guilty Criminal Needing Someone Innocent to Take Their Crime Muslims Love Jesus so we Accept Our Own Sins and Don't Teach Murdering Someone Innocent For Our Own Debt to Our God Would You Murder a Rich Relative Because of Selfish Greed For Their Wealth Or Would You Take Responsibility For Your Own Poverty and Love the Relative Christian Wow insisting Jesus was Murdered so that Christians Are Not Responsible For Their Sins is Selfish But Didn't Jesus Voluntarily Die For Our Sins So Anyone Who Accepts Christ As Their Savior Would Go to Heaven Muslim Jesus Spent 33 Years Avoiding Death Since Birth Jesus Christ Moved to Egypt and Hid from Jews Trying to Kill him Even When Caught On the Cross Jesus Begged God to Save him Jesus Happily and Lovingly Wanted to Live As Islam Teaches 2 Suicide is a Sin In Every Religion Islam Teaches that Jesus Did Not Allow himself to be Killed On the Cross It is Hateful to Say Jesus Sinned by Killing himself On the Cross Islam Loves Jesus By Teaching he was Not Suicidal Christian If Christianity Teaches Jesus Committed Suicide and We Are Supposed to be Like Christ Does that Means Christians Should Commit Suicide Mohamed Ghounem 4 Muslim The Original Jesus did not Teach Suicide Islam Lovingly Restores the Original Message of Jesus Christ Only One Entity Would Insist On Christ Dying to be disconnected from the Commandments of God Satan 3 Islam Lovingly Saves Jesus From Satanism Christians Naively Spread the Deceptive Teachings of the Devil by Saying Jesus Was God and God Died and We No Longer Have to Obey the Laws of God because of God's Death Christian The Two Groups Who Want the World to Believe that God Died so We are Free From the Laws Our Creator are Demons and Christians Muslim Yes Since Humans Were Created Satan has been trying to Deceive us and Get us to Disobey the Laws of God 4 A Fourth Way Muslims Love Jesus More than Christians Is Respecting the Original Teachings of Jesus Being Compliant to the Laws of God as Jesus Was Thus Muslims are More Christ Like Displaying More Love to Jesus Than Christians Christian The Bible is Not Central to the Christian Faith so Not Obeying the Laws in the Bible is not Evil or Hateful towards Jesus We Still

Denny Weaver, 2011-01-26 A provocative study that cuts to the very heart of Christian thought The Nonviolent Atonement challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ s passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver s Nonviolent Atonement is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver s original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in Anglican Theological Review Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm s theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource Reviews in

Religion and Theology **Saving Jesus from the Church** Robin R. Meyers, 2009-02-24 Countless thoughtful people are now so disgusted with the marriage of bad theology and hypocritical behavior by the church that a new Reformation is required in which the purpose of religion itself is reimagined Meyers takes the best of biblical scholarship and recasts these core Christian concepts to exhort the church to pursue an alternative vision of the Christian life Jesus as Teacher not Savior Christianity as Compassion not Condemnation Prosperity as Dangerous not Divine Discipleship as Obedience not Control Religion as Relationship not Righteousness This is not a call to the church to move to the far left or to try something brand new Rather it is the recovery of something very old Saving Jesus from the Church shows us what it means to be a Christian and how to follow Jesus teachings today **Jesus Christ for Contemporary Life** Don Schweitzer, 2012-02-13 Jesus Christ for Contemporary Life is an understanding of Jesus as the Word of God grounded in what can be known historically of Jesus and informed by subsequent reflection upon him which hopes to help shape a Christian identity characterized by bounded openness In Jesus Christ for Contemporary Life Don Schweitzer explores the significance of the person work and relationships of Jesus Christ for contemporary life He moves from the historical Jesus to the present in three parts In the first part Schweitzer develops an understanding of Jesus as the Word of God who became incarnate to give the goodness and beauty of God further expression in time and space Second he explores how various atonement theories articulate ways in which Jesus empowers people to further express this beauty and goodness in their own lives And finally Schweitzer explores how Jesus relates to people in the church to the events and movements in history to other religions and to Christians in their dialogue with God in prayer *History of the Dogma of the Deity of Jesus Christ* Albert Réville, 1878 *The History of Jesus of Nazara* Theodor Keim, 1883 **Not Every Spirit** Christopher Morse, 2009-02-01 Not Every Spirit explores the notion of Christian faith as disbelief and how the task of testing the spirits develops and comes to be understood within Christianity as a theological discipline called dogmatics It also focuses on uncovering disbeliefs of the Christian faith concerning the Word of God the being of God Jesus Christ the Holy Spirit creation salvation humanity the church and the life to come This book is a fresh and timely dogmatic text that will take its place as a standard work on Christian teachings **The Fourth Dimension** David Yonggi Cho, Yong-gi Cho, 1979 Paul Yonggi Cho pastor of the world s largest and fastest growing church bestselling author and popular speaker reveals secrets for answered prayer church renewal and personal growth *The History of Jesus of Nazara; Considered in Its Connection with the National Life of Israel, and Related in Detail, Translated from the German* Theodore Keim, 1883 *Living in the Times of the Signs* David Barnhart (R.), 2007 This book explains Bible prophecy as it applies to events unfolding in the 21st century The foundations of our culture our churches and our nation are being shaken by those who would have us all worship at the altar of the politically correct god But the Lord calls His people to walk in love obedience and faithfulness David R Barnhart pastor evangelist and prophecy teacher For the past twenty four years he has served as the director of Abiding Word Ministries an organization that promotes revival and reformation in the

churches of America The author has devoted his life to calling Christians back to the foundational truths of Scripture

Strange and Gaudy Fruit Jeff Nicoll, 2023-05-09 The history of Christianity includes many doctrines adopted and actions taken to meet immediate problems but which had unintended consequences they are bad fruit Matt 7 15 20 The oldest is antisemitism which arose from the competition of the early church with early Judaism It was built into the New Testament and was developed by the church fathers Having learned to dehumanize it was easy to apply the same techniques to other groups the church became complicit with enslavement misogyny and other forms of oppression One response to the bad fruit is to reject religion in the manner of Christopher Hitchens However the dogmas are part of our culture even in secular form If the roots of marginalization are not understood they cannot be eliminated This work uses a range of critics and defenders of traditional Western Christianity to identify poisonous fruits and detoxify them The critical voices do not create a consensus Nevertheless a core can be perceived what Erasmus called the few truths Grounded in the religious tradition they can be shared with secular people as a basis for an ethical merciful and respectful society Although the history of Christianity is bloody there are ways to go forward Entertainment Theology (Cultural Exegesis) Barry

Taylor, 2008-03-01 It s the end of the church as we know it In a digitally connected world people are seeking spiritual answers through pop culture Instead of retreating Christians must rethink the sacred and enter global conversations about God in film literature TV and music or face extinction argues Barry Taylor in Entertainment Theology Taking snapshots from theology cultural studies sociology and pop culture Taylor explores a myriad of factors affecting religious life since the 1970s including technology fashion celebrity and global communications He exhorts a move away from traditional Christian religion proposing instead a manifestation of Christianity as a religion not of the past but of the present and the future For scholars seminary students culture watchers and emerging church readers Entertainment Theology offers thought provoking hope for Christianity s future **The Fourth Dimension** Dr. David Yonggi Cho, 2017-03-13 **The Future of Christology** Roger

D. Haight, 2007-08-03 In a strongly worded notification in February of 2005 the Vatican Congregation for the Doctrine of the Faith denounced Jesuit Roger Haight s award winning best selling book Jesus Symbol of God as containing grave doctrinal errors Like a number of theologians before him Hans K ng Charles Curran Anthony de Mello Tissa Balasuriya and Jacques Dupuis Haight has been banned from teaching as a Catholic theologian In its overall criticism of the book the Congregation still under the direction of the then Cardinal Ratzinger charged that Haight subordinates the contents of the faith to their plausibility and intelligibility in post modern culture For his part Haight says I look at American Catholicism with a population more and more educated in the faith Many college and university students are used to religious pluralism and are asking how they can square it with the Catholic faith I try to put critical words to their experience and keep their experience in touch with the tradition My fear is that educated Catholics will walk out if there isn t space for an open attitude to other religions The Future of Christology covers much the same ground as Jesus Symbol of God though in a much more accessible

and compact format The earlier book was written as a textbook this one with a wider audience in mind In the final chapter Haight responds to the numerous reviews Jesus Symbol of God received both pro and con *The Incarnate Christ and His Critics* Robert M. Bowman Jr.,J. Ed Komoszewski ,2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ *Lectio Divina Bible Study* Stephen Binz,2011-07-14 In an exceptional combination of one of the most ancient forms of Scripture study with historical theological and scriptural perspectives Stephen Binz leads us on an incredible journey of enlightenment and appreciation in the areas of prayer sacraments and the Mass The Bible testifies to the crucial role that the sacraments play in God s relationship with humankind Yet sometimes we take them for granted and miss the true power and significance each sacrament represents In Lectio Divina Bible Study The Sacraments in Scripture Binz leads us to a fuller deeper experience of the sacraments by showing us how they are truly God s Word made visible deriving their meaning from the Scriptures Lectio Divina the ancient practice of Scripture immersion is at the heart of this process It explores complex topics with sequential steps of study meditation and internalization Specifically every chapter leads you forward through a sequence of Listening Reading Scripture with expectancy trusting that God will speak His Word to us through it Understanding Seeking to comprehend the meaning of the text encountering God there and being changed by that encounter Reflecting Linking the truth of the Scriptures to the experience of faith in the world in which we live Praying A dialogue with God we listen to God then we respond in prayer Acting After prayerfully listening to God through a passage of Scripture we should be inspired to make a difference in the way we live The Lectio Divina Bible Study series is suitable for parish small group or individual use *Today's Scripture Guidance* Anthony Teran Miller,2019-09-20 Today s Scripture Guidance contains daily Scripture from the Word of God to guide Believers and those who want to have detailed Holy Spirit guidance Each daily Scripture is received from God through the servant of Jesus prayer to Him The servant of Jesus surrenders to Jesus in prayer each day asking Him to utilize the Holy Spirit to meet God and receive the Scripture that God wants His people to read that day The servant of Jesus also asks that Jesus calls the Holy

Spirit to send Spirit taught words through the servant that gives Spirit guidance of the very Word of God This prayer and surrender process is done by the servant of Jesus each day so that every single day of Scripture is from God and every single day of guidance to the Word of God is from the Holy Spirit The Word and the guidance of God s Word is not from the servant of Jesus but is delivered through the servant of Jesus This is the work that Jesus has called this servant to do Amen Today s Scripture Guidance is from the very Word of God It is spoken boldly with Spirit taught words The guidance is there each day to help the readers of God s Word understand the mystery of His Word through words delivered by the Holy Spirit Today s Scripture Guidance delivers daily reading and guidance to strengthen your understanding of the Word of God and to guide you through living your life in a way that pleases God This Guidance will help you to truly understand the Word of God Each day the Word was selected by God and the guidance was delivered with Spirit taught Words from the Holy Spirit Hallelujah
