The Savings Bank and Its Practical Work William Henry Kniffin, 1928      Reformed Dogmatics: Soteriology Geerhardus J. Vos, 2015-11-20 Like books people can become classics Great in their day but richer and more fulfilling with time Not yet a classic Vos's never before published Reformed Dogmatics is more like a lost Shakespeare play recently discovered Michael Horton Until recently Reformed Dogmatics was only available in its original Dutch But now you too can access Geerhardus Vos's monumental work of systematic theology This brand new English translation was edited by biblical theologian and Vos expert Richard B Gaffin Jr In Volume Four Soteriology Vos discusses The nature of salvation The evidence of salvation The order of salvation ordo salutis And more      **Beyond Simple Belief** JF Jeff Etchberger with JL Julie Lopes, 2021-03-16 This book focuses on how God transforms simple belief that which enables us to believe in Jesus Christ as the Son of God who died for our sins into genuine faith like that of Abraham Jacob David and others The biblical texts of the lives of these individuals reveal that genuine belief is the beginning of movement in the process of becoming of being transformed over time This process moves a person's faith beyond simple belief comprised of mental assent to facts to a genuine faith that encompasses trust in God surrender to his will and a heartfelt embrace of what is believed This genuine faith results in obedience to the one believed Many biblical texts make it explicit that it is God the Holy Spirit who does this work of transformation Scripture provides no direct explanation about how that work is accomplished however the texts reveal it when you look for it This book reexamines some of the familiar biblical stories of well known and important biblical characters We focus on how God brought about his transforming work through daily life events to move each one over time from simple belief to genuine faith anchored in deep trust This trust enabled them to obey God in challenging circumstances We pray that this analysis of the great biblical characters as revealed in Scripture will help you understand how God might be working in your own life to transform your simple belief into genuine faith      Assist Me to Proclaim John R. Tyson, 2007 Charles Wesley 1707-1788 was the cofounder of Methodism and the author of more than 9 000 hymns and sacred poems including such favorites as Hark the Herald Angels Sing O for a Thousand Tongues to Sing and Christ the Lord Is Risen Today John Tyson here traces the remarkable life of this influential man from cradle to grave using rare including previously unpublished hymns letters and journal materials As the younger brother of John Wesley Charles was a vital partner in the Methodist revival While often standing in the shadow of his more famous brother Charles Wesley was arguably the founder of the Oxford Holy Club and he actually experienced evangelical conversion three days prior to John In Assist Me to Proclaim Tyson explores among other things behind the scenes questions about the brothers sometimes stormy relationship Notwithstanding all his accomplishments as an evangelist and itinerant preacher Charles is chiefly remembered for his startling facility at writing hymns that show God at work in almost every instance of life His remarkable legacy endures around the world as hundreds of Charles Wesley hymns are still sung in churches everywhere today Assist Me to Proclaim draws a picture of a man whose

fidelity to both the Church of England and the original vision of Methodism energized his remarkable abilities as a revivalist and hymn writer Readers also get a glimpse into Wesley s heart and mind through the window of his hymn texts This is a biography that any student of church history or hymnody will welcome **Philomelodies** Philomelodies,1904
