Commercio,2022-12-06 During Soviet rule the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny a form of polygamy in which one man has multiple wives Polygyny did continue under communism though chiefly under concealment In the decades since the fall of the Soviet Union the practice has reemerged Based on extensive fieldwork *Polygynous Marriages among the Kyrgyz* argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the fall of the Soviet Union Michele E Commercio s analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to

institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender

Secret Lives of Second Wives Catherine Todd, 2013-11-22 Breezy and smart KIRKUS Talented Janet Evanovich 1 New York Times bestselling author After more than a decade alone attorney Lynn Bartlett was ready to shake up her reliably comfortable life So when successful kind hearted Jack Hughes with his home in Silicon Valley his safely remarried ex wife and his two grown children proposed it seemed like a dream come true After all how hard could it be All you had to do was be nice to everybody and you d all get along Welcome to the perilous world of the second wife where nothing turns out quite as expected With an unemployed unmotivated stepson who declares he s moving in temporarily a stepdaughter who oozes scorn and a husband who s hiding something Lynn s imagined domestic bliss begins to crack Add in an ex wife who shows up at inopportune times a law partner who may be involved in illegal dealings and a client whose attractions prove far too tempting and Lynn finds both her marriage and her career could be in trouble Not even the Anne Boleyn Society an informal support group for second wives has all the answers Sure they can commiserate when Lynn says I never thought it would be so hard but they don t know the half of it A smart darkly funny novel about the plight of a second wife Lynn s wryly funny rueful voice is what makes Secret Lives appealing Diane White BOSTON GLOBE Sassy irreverent and smart Catherine Todd has a wicked sense of humor Carla Neggers bestselling author of the Sharpe Donovan series Not only should this book be required reading for any second wife as well as anyone contemplating a second marriage but it s a riveting beautifully written story on its own I stayed up very late reading just to see how Lynn worked through the same turbulent mess that hits so many Second Wives who enter into a marriage without realizing how much baggage inevitably comes along with it VERY HIGHLY recommended

RENDEZVOUS MAGAZINE Marabout Women in Dakar Amber B. Gemmeke, 2008 This rich ethnographic study explores the life and work of successful marabout women in Dakar It is set against the background of their private family lives of developments in Senegalese society and of global changes While including female experts in spirit possession and plant based healing it also gives a rare insight in the work of women who offer Islamic knowledge such as Arabic astrology numerology divination and prayer sessions With the analysis of marabout women s work this study sheds light on the ways in which women s authority in esoteric knowledge is negotiated legitimated and publicly recognised in Dakar The study focuses especially upon marabout women s strategies to gain their clients trust Reference to rural areas is a significant element in this process This study thus contributes to an understanding of the gendered way in which trust and scepticism are related to marabouts work and of the role of a connection between Dakar and the rural areas therein **Social Theory in**

Contemporary Asia Ann Brooks, 2010-07-14 Philosophical debates around reflexivity identity and intimacy have preoccupied Western social and cultural theorists since the 1990s and this book examines them in relation to the Chinese diasporic cultures in Asia The debates are set within the context of globalization and its impact on cultural gendered and ethnic identities in late modernity Polygamy and Law in Contemporary Saudi Arabia Maha Yamani, 2022-07-01 The topic of polygamy in Islamic countries is generally perceived by outsiders as something linked to harems and Hollywood style foreign intrigues The practice is frequently viewed through sexual connotations and male power versus female powerlessness The purpose of this book is to shed light on the often misunderstood polygamous situation in modern Saudi Arabia Through a unique series of local interviews with both men and women involved in polygamy both maritally and professionally the author invites the reader into the homes and personal lives of the people directly affected The result is a moving candid examination of the frame of mind impulses incentives reasons and circumstances that drive individuals towards polygamy as well as the social legal economic and emotional consequences that inevitably follow The book also examines the historical origins of Islamic polygamy in Mecca and Medina as well as the legal situation in Saudi Arabia today The author argues that a combination of gender differences created through local laws and public policy decisions the revival of customary tribal practices and the pressures created by the sudden materialism of modern life have all led towards a misapplication of the original Islamic legal essence of the practice and a re adaptation of the laws regulating it
