Lord Of Alaska Baranov And The Russian Adventure

A. V. Grinev

Lord Of Alaska Baranov And The Russian Adventure:

Lord of Alaska Hector Chevigny, 1951 **Russians in Alaska, 1732-1867** Lydia Black, 2004 This definitive work the crown jewel in the distinguished career of Russian America scholar Lydia T Black presents a comprehensive overview of the Russian presence in Alaska Drawing on extensive archival research and employing documents only recently made available to scholars Black shows how Russian expansion was the culmination of centuries of social and economic change Black s work challenges the standard perspective on the Russian period in Alaska as a time of unbridled exploitation of Native inhabitants and natural resources Without glossing over the harsher aspects of the period Black acknowledges the complexity of relations between Russians and Native peoples She chronicles the lives of ordinary men and women the merchants and naval officers laborers and clergy who established Russian outposts in Alaska These early colonists carried with them the Orthodox faith and the Russian language their legacy endures in architecture and place names from Baranof Island to the Pribilofs This deluxe volume features fold out maps and color illustrations of rare paintings and sketches from Russian American Japanese and European sources many have never before been published An invaluable source for historians and anthropologists this accessible volume brings to life a dynamic period in Russian and Alaskan history A tribute to Black s life as a scholar and educator **Russians in Alaska** will become a classic in the field **Russia's Hawaiian Adventure, 1815-1817** Richard A.

Pierce, **Alaska History, 1741-1910** Historic Sites Survey (U.S.), United States. National Park Service, 1961 *Russian Colonization of Alaska* , 2020-11 In *Russian Colonization of Alaska Baranov s Era 1799 1818* Andrei Val terovich Grin v examines the sociohistorical origins of the former Russian colonies in Alaska or Russian America The formation of the Russian American Company and the concentration in the hands of Aleksandr Baranov of all the power in south and southeast Alaska s Russian settlements marked a new stage in the history of Russian America Expanding and strengthening Russian possessions in the New World as much as possible Baranov acted in favor of his country before himself in accordance with the principle people for the empire and not the empire for the people *Russian Colonization of Alaska* is the first comprehensive study to analyze the origin and evolution of Russian colonization based on research into political economy history and ethnography Grin v s study elaborates the social political spiritual ideological personal and psychological aspects of Russian America accounting for the idiosyncrasies of the natural environment competition from other North American empires and challenges from Alaska Natives and individual colonial diplomats Rather than being simply a continuation of Russians colonization of Siberia the colonization of Alaska was instead part of overarching Russian and global history

History of Alaska , Volume I Jonathan M. Nielson, Ph.D., 2018-02-01 As a unique distant geographical region of the United States Alaska has evolved from military insignificance to high strategic priority in the 142 years since its purchase from Russia in 1867 The reasons for this dramatic shift derive from a correlation of geography foreign policy domestic politics and military technology Historically the role of the armed forces in Alaska has been large and diverse Alaska was one

of the two principal territorial purchases made by the United States between 1803 and 1867 adding nearly 15 million square miles to America's national domain. Smaller by the size of Texas than Jefferson's Louisiana Purchase, Alaska, unlike all of the territories and states carved out of the former, languished in obscurity and isolation and was administered as a colonial dependency by the military and other branches of the federal government. Its official territorial status and government notwithstanding, while sharing many common aspects of frontier settlement and Western history with territories such as Montana, the Dakotas, Wyoming, and Colorado, Alaska presented special challenges peculiar to a non-contiguous arctic and sub-Arctic environment separated from the United States by a foreign power. Indeed, only the defeated South under Reconstruction experienced the same degree of military occupation and martial law. Alaska also has the unique distinction in the American experience of belonging to Imperial Russia before it became of interest to American expansionists. Still, others found Alaska tempting and pursued their own designs. North of 53° The Spanish, British, Canadians, and even the French plied Alaska's waters and made their claims to Alyeska, the Great Land. And it is with these clashing imperial ambitions that this three-volume history begins.

The Tlingit Indians in Russian America, 1741-1867 A. V. Grinev, 2005-12-01 The Tlingits, the largest Indian group in Alaska, have lived in Alaska's coastal southwestern region for centuries and first met non-Natives in 1741 during an encounter with the crew of the Russian explorer Alexei Chirikov. The volatile and complex connections between the Tlingits and their Russian neighbors, as well as British and American voyagers and traders, are the subject of this classic work, first published in Russian and now revised and updated for this English language edition. Andrei Valterovich Grinev bases his account on hundreds of documents from archives in Russia and the United States; he also relies on official reports, the notes of travelers, the investigations of historians, and ethnographers, museum collections, atlases, illustrations, and photographs.

Alaska Claus-M. Naske, 1987 History of the state of Alaska from early to contemporary times, discussing its native peoples, sale to the United States, gold rush, quest for statehood, and oil boom.

The Fate of Nature Charles Wohlforth, 2010-06-08 What capacity for good lies in the hidden depths of people? Starting with this question, award-winning author Charles Wohlforth sets forth on a wide-ranging exploration of our relationship with the world. In *The Fate of Nature*, he draws on science, spirituality, history, economics, and personal stories to reveal answers about the future of that relationship. There is no better place to witness the highs and lows of our treatment of the natural world than the vast wilds, rocky coasts, and shifting settlements of Alaska. Since the first encounter between Captain Cook's crew and the Alaskan Natives in 1778, there have been countless struggles between people who have had different plans for the region. Some have hoped to preserve Alaska as they found it, while others aimed to create something new in its place. Incidents such as the Exxon Valdez oil spill may seem like cause for despair. In the face of such profound tragedies, Charles Wohlforth has found heartening developments in the science of human altruism. This new understanding of what causes humans to cooperate and act conscientiously may be the first step toward taking the actions necessary to preserve an environment that has already been

altered drastically in our lifetime A clear eyed original work of research reportage and philosophical reflections The Fate of Nature gives us a chance to change the way we think about our place in society and the world at large **Imperial Russia and the Struggle for Latin American Independence, 1808-1828** Russell H. Bartley,2014-10-03 This study the first of its kind in English examines Russian responses to the independence movement in Latin America during the early nineteenth century From a strictly presentist perspective the investigation of this subject contributes to the historiography of colonialism and of Latin America s relations with the major world powers In addition it rounds out the story of foreign interests in the emancipation of Spanish and Portuguese America while at the same time shedding new light on the history of Russian overseas expansion The study probes the major determinants of Russian responses to the struggle for independence of colonial Latin America and evaluates from a European perspective the actual impact of tsarist policy on the course of those historic events Drawing on a wide range of printed materials and on hitherto unused manuscript sources from the archives and libraries of Spain Portugal Brazil and the USSR it isolates Russian New World objectives during the first decades of the nineteenth century and relates those objectives to the formulation of tsarist policy toward the insurgent Iberian colonies

Records of the Russian-American Company Raymond Henry Fisher,1971 **Russia and Eastern Europe, 1789-1985** Raymond Pearson,1989 **Alaska Native Political Leadership and Higher Education** Michael Jennings,2004 This book will be of value to anthropologists educational policymakers Native American studies instructors and teachers of multicultural and comparative education Jacket **Colonial America and the War for Independence** US Army Military History Research Collection,Joyce L. Eakin,1976 American Indians in the Early West Sandra K. Mathews-Benham,2008-03-10 Thousands of years of American Indian history are covered in this work from the first migrations into North America through the development of specific tribal identities to the turbulent first centuries of encounters with European settlers up until 1800 American Indians in the Early West offers a concise guide to the development of American Indian communities from the first migrations through the arrival of the Spanish French and Russians to the appearance of Anglo American traders in the easternmost portions of the West around 1800 With coverage divided into periods and regions American Indians in the Early West looks at how Indian communities evolved from hunter gatherers to culturally recognized tribes and examines the critical encounters of those tribes with non Natives over the next two and a half centuries Readers will see that the issues at stake in those encounters political control preserving traditions land and water rights resistance to economic and military pressures are very relevant to the Native American experience today **Valiant Dreamers** Jack Poole,2001-08-23 In the 17th and 18th centuries the great powers of the world were concentrating energy wealth and ingenuity on the expansion of their empires far beyond the historical examples of Rome Greece and Egypt The Empire of Russia expanding her borders under Peter the Great and Catherine the Great was pressing toward the development of a Russian North America in the reign of Tsar Alexander His weapon unlike the military conquests

of Spain Portugal France and England was trade and commerce like the Dutch Along with the giants of the North Pribylov Bering Golikov and Shelikhov Count Nikolai Rez nov earned fame and fortune as an intrepid explorer of the 18th Century This is his story and the story of the valiant men and women who adopted his dream of an Empire stretching from St Petersburg to San Francisco

Alaska History Marvin W. Falk, 2006-03-30 Marvin W Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in Russian German French Spanish and English Many of these foreign language accounts have been published in translation and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil boom

Russian America Ilya Vinkovetsky, 2011-04-06 From 1741 until Alaska was sold to the United States in 1867 the Russian empire claimed territory and peoples in North America In this book Ilya Vinkovetsky examines how Russia governed its only overseas colony illustrating how the colony fit into and diverged from the structures developed in the otherwise contiguous Russian empire Russian America was effectively transformed from a remote extension of Russia s Siberian frontier penetrated mainly by Siberianized Russians into an ostensibly modern overseas colony operated by Europeanized Russians Under the rule of the Russian American Company the colony was governed on different terms than the rest of the empire a hybrid of elements carried over from Siberia and imported from rival colonial systems Its economic labor and social organization reflected Russian hopes for Alaska as well as the numerous limitations such as its vast territory and pressures from its multiethnic residents it imposed This approach was particularly evident in Russian strategies to convert the indigenous peoples of Russian America into loyal subjects of the Russian Empire Vinkovetsky looks closely at Russian efforts to acculturate the native peoples including attempts to predispose them to be more open to the Russian political and cultural influence through trade and Russian Orthodox Christianity Bringing together the history of Russia the history of colonialism and the history of contact between native peoples and Europeans on the American frontier this work highlights how the overseas colony revealed the Russian Empire s adaptability to models of colonialism

The English Catalogue of Books Published from January, 1835, to January, 1863, 1864
