The Crisis of Bad Preaching Joshua J. Whitfield, 2019-04-26 The Crisis of Bad Preaching is an audacious response to a long simmering pastoral crisis poorly prepared often stale and largely irrelevant homilies that are fueling the mass exodus of people from the Church Echoing Popes Benedict and Francis Rev Joshua Whitfield confronts what is perhaps the most common complaint of Catholics around the world hollow vacuous preaching A parish priest in Dallas Whitfield encourages fellow preachers to profound renewal reminding them that preaching is not just something they do it is essential to who they are Catholic preaching today often achieves the opposite of what it should which is connecting the People of God with the Gospel of Christ in a compelling and motivating way With an insider's candor biting honesty and persuasive conviction Whitfield stresses that preachers need to return to this ideal because the wellbeing of the Church depends on it More than just another how to book The Crisis of Bad Preaching is at once deeply challenging and uplifting and full of practical advice for a reversal of the status quo In Part I

Whitfield explores the essential role of the preacher as a public intellectual and member of the communion of preachers that spans the history of the Church. Whitfield offers advice about which great preachers from Origen, Augustine and Aquinas to Martin Luther King Jr and Bishop Robert Barron to study and what to learn from them. Whitfield also explains why preachers must submit in humility to the fullness of the Church, its teachings, authority, practices and structures. In Part II, Whitfield explores the important habits of prayer, preparation, cultivating rhetorical skill and learning to take full advantage of both positive and negative criticism. He explains how the way of the preacher must be the way of the Holy Spirit and argues that without the preacher opening his heart to the fire of evangelical proclamation, he will lack the capacity to preach the transforming grace of the Gospel, his mandate. In a brief epilogue, Whitfield encourages ten habits for listening. Addressed to both laity and the ordained, he asserts that fixing preaching will take the concerted effort of all members of the Church.

Any Bitter Thing Monica Wood, 2010-07-01 Richard Russo has celebrated Monica Wood's fiction as thoroughly captivating, warm and wise and beautifully written and Andre Dubus III praised it as luminous and graceful, entertaining yet transcendent. Any Bitter Thing, Wood's brilliant new novel, is her breakout book, a timely, gripping and compassionate tale of family, faith and deeply hidden truths. One of its greatest strengths is its continuous ability to defy expectations. It's not what you think. It is worse. Lizzy Mitchell was raised from the age of two by her uncle, a Catholic priest. When she was nine, he was falsely accused of improprieties with her and dismissed from his church, and she was sent away to boarding school. Now thirty years old and in a failing marriage, she is nearly killed in a traffic accident. What she discovers when she sets out to find the truths surrounding the accident and about the accusations that led to her uncle's death does more than change her life. With deft insight into the snares of the human heart, Monica Wood has written an intimate and emotionally expansive novel full of understanding and hope.

Blessed Are the Nones Stina Kielsmeier-Cook, 2020-09-08 When her husband left Christianity several years into their marriage, Stina Kielsmeier Cook was left struggling to live the Christian life on her own. In this memoir, she tells the story of her mixed faith marriage and how she found unexpected community with an order of Catholic nuns, discovering that she was not spiritually single after all and that no one really is.

A Shorter Morning and Evening Prayer John Brook, 1992-02 This pocket companion contains the complete four week Psalter, sufficient material from the Proper of Seasons to allow for seasonal variations and texts from selected feasts and solemnities. Lay people especially will be interested in this introduction to the prayer of the Church. It's less intimidating than attempting to pray the entire Office. It also makes a convenient travel edition for clergy who would normally use either Christian Prayer or the complete Liturgy of the Hours.

Living Prayer Alison M.

Benders, Lisa Fullam, Gina Hens-Piazza, 2024-07-15 Morning and evening prayer for those seeking to respond to Pope Francis's call for greater care for our common home. God saw everything that was made and indeed it was very good. Yet human disregard for creation endangers that goodness. In *Living Prayer: A Book of Hours for Cultivating Life*, authors Alison M. Benders, Lisa Fullam, and Gina Hens-Piazza invite readers to embrace our role as servant cultivators in the ecology of God, celebrating and sustaining all that is. Following the pattern of the daily prayer of the church, *Living Prayer* offers a four-week cycle of morning and evening prayer to support a more sustainable lifestyle and embodies an ethic of care for our common home. Created with ecological and social justice oriented individuals and organizations in mind, *Living Prayer* supports hands-on work in local communities empowered by reflection and prayer. The book also includes a variety of green rituals to extend ecological prayer through practices that enlist elements of the reader's environment to connect to God's presence in the created world. It is an invitation to live the prayer of our hearts so that the ecology of God flourishes to cultivate the new creation.

St. Benedict's Rule Judith Sutura, OSB, 2021-04-15 The Rule of St. Benedict forms the foundation for one of the oldest ongoing institutions in all of Western civilization. The Rule not only defines life for men and women in monasteries but has also become central to the spirituality of lay Christians across the globe. This gender-neutral translation is true to the original text but provides an alternative for individuals and groups who prefer such a version over the masculine language of the original as it was written for St. Benedict's monks. It also offers some background into the context in which it was written as well as reflections on its meaning for contemporary life, making it a resource for those encountering the Rule for the first time or those who have cherished it for years.
