The New Testament of Our Lord and Saviour Jesus Christ: The Epistles and Revelation ,1884 Life Lessons
Augustine Etemma Inwang MSP,2015-08-06 This book is the product of my blog Lifes Lessons I am happy to share it with you The reflections therein are not a product of an in depth research into the problems of life Neither are they an exhaustive treatise on the topics reflected upon Great theologians and spiritual writers have dealt extensively and systematically on the problems of life Having sat at their feet as a priest for twenty five years read prayed and reflected on the Holy Bible and had the opportunity to preach to the people of God during this period I hereby offer my brief reflections on the lessons of life as I see it gleaned from my experiences **God's Divine Intervention** Angela Clark,2018-11-15 Events occur in your life where God permits you to hear and receive messages he wants you to act on In God s Divine Intervention author Angela Clark tells of her personal experiences of how God has come to her in her life and she shares a variety of messages she s received Clark narrates how amazing it is that God works to interact in your life and discusses how all that s required is quiet time spent with him patiently awaiting his presence Through scripture and messages Clark celebrates the grace of God She offers a look at a host of topics relevant to today s Christians covering subjects such as choosing friends wisely how to pray giving thanks for blessings faith God s presence in healing and much more To help you grow in your journey with Christ God s Divine Intervention offers comfort and peace through the stories God asked Clark to portray It provides you with insight to analyze your struggles as well as overcome difficult challenges The messages offered open your heart and mind to understand when God reaches out to intervene during your storms of life **The Two Gods in the Bible** Andrew Scrima,2018-02-23 This book The Two Gods in the Bible is designed and intended to spark and spur the interest of an individual encourage the intuitive investigative prowess of even the most rudimentary reader to discover and realize the true teachings found and bound within the Bible and to reveal the secrets and mysteries hidden in between the lines Not one contemporary or conventional denomination conforms to a strict biblical interpretation so were left to our own imagination and the infantile illustrations that mainstream media has supplied for decades Unfortunately they have been conscientiously consistent with only adhering to and tendering fairy tale versions of the alleged real life stories details and entailed within All of which are in most cases very far from the truth according to the Bible This book exposes the deception thats been conflated by well meaning but misguided ministers clarifies the contradictory ambiguity pervaded by the various denominations and reveals Satans so called deep secrets actually mentioned in Rev 2 24 *Spirit Realm-God-Angels-Mankind: the Eternal Connection*

Cordelia E. Battle,2011-12-13 We are living in a time when people are searching for answers concerning the spirit realm Many are wandering and thinking if there is a God if heaven and hell exist and if there is life after death In order to provide keys to these vital questions author Cordelia E Battle explores the eternal connections among God angels and mankind that is demonstrated by the bestselling book in history the Holy Bible which some scholars believe its Old Testament writings are the oldest religious books Battle provides explanations given by the Bible regarding how dreams and visions relate to mankind She also explores information in the Bible relating to angels such as whether there are good and bad angels and if angels should be worshipped There are many descriptions of angels Included in this book are descriptions of angels some of which can be found in the Bible Among these angels are those found in Revelation the prophetic book that explains the final victory over the power of darkness In Spirit RealmGodAngelsMankind Battle searches for a better understanding of the connection between the visible world and the invisible world and how this connection relates to the present and future for all mankind Discover who has ALL POWER AND AUTHORITY over the visible and invisible realm **An Overview of the Old Testament and How It Relates to the New Testament** James McKeehan,Jim McKeehan,2002-02 This books explains oaths and the development of scripture But more importantly it discusses patterns so that the Old Testament is better understood from the New Testament The cross traveled through history but so did the priesthood marriage the Church and all of our beliefs We can better reflect on and understand John _s Gospel description of Mary at the tomb of Jesus when it is compared with a similar passage in Song of Songs Other New Testament events are also better understood when they are discussed with the parallel events found in the Old Testament The Lion of Judah is always standing before us in His beautiful shining coat He is peaceful and content but with the power to swipe at us and completely devour us This book was written to give the reader an overview of the bible so that in reading the bible it will enrich our faith We must read the bible in its entirety because Jesus is both the lion and the lamb God is the Father the son and the Holy Spirit and the family is the basic unit that reflects God to us on our way to complete adoption in eternity with the communion of saints who are in communion with the Trinity *God'S Calling for an Investment* Dr. Willie J. Jones D.TH DD. PC.,2016-11-14 God is Calling for an Investment He has made an Investment in You Know ye that the Lord He is God it is He that hath made us and not we ourselves we are His people and the sheep of His pasture Psalm 100 3 He is the only one who knows the secret plan for His investment Without God there is no future investment Jeremiah 29 11 Even the Gospel is an investment It provides us with restoration and is preparing men and women of God to walk in ministry The Gospel is also known as the Good News that brings hope and provides healing for the soul Remember the investor is God and we are His investment Gods investment of the Gospel authenticates His power over the earth and mankind Each investment God gives unto us is filled with miracles that demonstrate a heavenly illustration with an earthly manifestation Gods investment here confirms His great power over the earth and mankind **Brainwashing Devil's Game** Giovanni Rocca,2021-04-27 Brainwashing Devil s Game this novel

is from the author's knowledge of life and death, truth and lies, good and evil, rich and poor, health and sickness, user and abuser, give and take, worshipping right or wrong, religions, cults, government organizations, people misleading people. The devil is a force that man does not understand and has no idea how he works; he is a magician, a puppeteer, and most of all, a deceiver to man. And God, the foe of Christ, battling God Jesus for His kingdom. This book uncovers the lies of man to man by Satan from many visions from the vision of prophets given to man from the word of God in Jesus and visions from Giovanni's dreams. For some people, this book is fiction; no truth. The message is scribed from biblical events for those who believe in the Christ; the people of God will be celebrating, for the other is a nightmare with a terrifying end for mankind. The search and study have been tiring, and a fight with the devil day and night with results of exhaustion by rereading the Bible, reading and extracting information from the Torah and the Quran. For all people read and study the Bible to understand this novel, for the will of man is service for Satan. Man needs to be alert and strong in the faith. I am coming soon. Christ claimed this truth to mankind.

The Two Tests: The Supernatural Claims of Christianity Tried by Two of Its Own Rules Lionel Lisle, 2019-12-18

In *The Two Tests: The Supernatural Claims of Christianity Tried by Two of Its Own Rules*, Lionel Lisle rigorously examines the supernatural assertions within Christianity through a methodical lens rooted in both philosophical inquiry and theological discourse. Utilizing a critical yet respectful literary style, Lisle juxtaposes the claims of Christianity against its foundational doctrines, arguing for a self-examination of faith's own inherent rules. His approach reflects a broader literary context of inquiry during the late 19th and early 20th centuries, where intellectualism and skepticism often challenged established beliefs, thereby encouraging a nuanced dialogue about faith and reason. Lionel Lisle, a keen thinker and theologian, was influenced by the philosophical currents of his time, particularly the rising tide of rationalism that sought to reconcile faith with empirical evidence. His background in theology and his engagement with contemporary philosophical discourse allowed him to craft a work that not only critiques but also seeks to affirm the core tenets of Christianity. Lisle's unique perspective emerges from both his scholarly pursuits and personal experiences within faith communities, driving him to probe the complexities of belief. This book is highly recommended for scholars, theologians, and lay readers alike who wish to explore a critical yet introspective evaluation of Christianity. Lisle's thoughtful examination provides readers with an opportunity to reflect on the intersection of faith and logic, ultimately inviting them to engage with the essence of their beliefs in a profound and meaningful way.

God's Autopsy and the Living Truth of Soul Hal Childs, 2022-08-22

The Grand Narrative of Christianity that the Bible created is dead, and the Bible is silent. Does the Bible have anything relevant to say to our modern circumstances? We ask: where did God come from? What happened to God? *God's Autopsy* reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness, the invisible shared context of thought which has changed dramatically over the past three millennia. This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness, soul, visible and conscious. Our modern

Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself *Satan's Secretary Vol. 1* Kamotsu Kamonabe, 2018-06-05 Satan has awoken and is dead set on conquering the human world His secret weapon A human woman with an unimaginable talent for organizing his demon army and keeping the conquest on track But why would a mild mannered woman like the Secretary betray the human race And will Satan survive her strict schedule Either way the human world is in big trouble
