Beautiful in the Lord's Eyes: Sometimes, Real Beauty Shines After A Tragedy Susan Kohler, 2015-05-29 Beautiful in the Lord's Eyes tells the timeless Christian story of hope and redemption from a perspective many are afraid to touch in this age of political correctness The book deals with an initially unrepentant Muslim terrorist who zealously attempts to impose Sharia law on an innocent young Christian model At a time when similar things are happening across America such as the attempted massacre at a private event drawing pictures of Muhammad in Garland Texas the story in Beautiful in the Lord's Eyes could easily be ripped from today's news headlines Rather than attempt to present a sanitized version of Islam this book presents a reality that is faced by many Christians around the world today Yet rather than leave the reader with a message of condemnation it reminds us that Christ came to die for the sins of all even those who follow the false religion of Islam and are murderous extremists Yet the book does so in a respectful rather than a condescending way that makes what happens seem highly probable
