The Seventh-Day Sabbath and the Christian Doctrine of Redemption A. M. Simataa,2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore

Biblical Creation Stories Mark G. Boyer,2025-07-31 The Bible has multiple

creation accounts Most people know or have heard of the one which took six days but they are not familiar with the rest Biblical creation stories are plural because they are hypothetical inventions by various biblical authors The simple fact of the matter is that there was no one present when creation occurred Thus with no firsthand experience various biblical authors each with his own biases and politics wrote one Biblical creation stories are about the act of God creating and the product of that creation While it is not exhaustive this book explores the many biblical creation stories and invites readers to use them to nourish their spirituality Spirituality is the experience of the human spirit connecting to the divine Spirit or vice versa Through reading the plurality of biblical texts about creation through reflections on creation accounts through praying a part of a psalm through meditating on a question designed to lead the reader into deeper reflection based on one's personal life and through journaling to record insights a reader can nourish his or her spirituality Insights can be gained that strengthen the Spirit spirit connection

Seeing the Lord's Glory Christopher B.
