Being separated from Dragos is painful, but for the good of the Wyr demesne, they need to figure out how to be partners in more places than just the bedroom. In New York, to preside over the Sentinel Games, Dragos is worried about his mate but knows that finding two replacement sentinels is essential to show the rest of the Elder Races just how strong and brutal the Wyr demesne can be. Is marriage really the duty of each man, or is it an emotional and soulful dedication that undeniably belongs to one special lady? Fate has plans for Lord Christopher Jared, the future Duke of Darenth. Although he proclaims that the notions of love and marriage are truly lost on him, his time is drawing near in which his resolve will be put to the test. He will soon learn that the contractual obligation to marry, as established by his Father, will not be what changes his life. What will alter his world will be the force of his own heart that has willingly underestimated the power of falling in love happily ever after.
