An Overview of the Old Testament and How It Relates to the New Testament James McKeehan, Jim McKeehan, 2002-02 This book explains oaths and the development of scripture But more importantly it discusses patterns so that the Old Testament is better understood from the New Testament The cross traveled through history but so did the priesthood marriage the Church and all of our beliefs We can better reflect on and understand John's Gospel description of Mary at the tomb of Jesus when it is compared with a similar passage in Song of Songs Other New Testament events are also better understood when they are discussed with the parallel events found in the Old Testament The Lion of Judah is always standing before us in His beautiful shining coat He is peaceful and content but with the power to swipe at us and completely devour us This book was written to give the reader an overview of the bible so that in reading the bible it will enrich our faith We must read the bible in its entirety because Jesus is both the lion and the lamb God is the Father the son and the Holy Spirit and the family is the basic unit that reflects God to us on our way to complete adoption in eternity with the communion of saints who

are in communion with the Trinity *God'S Calling for an Investment* Dr. Willie J. Jones D.TH DD. PC.,2016-11-14 God is Calling for an Investment He has made an Investment in You Know ye that the Lord He is God it is He that hath made us and not we ourselves we are His people and the sheep of His pasture Psalm 100 3 He is the only one who knows the secret plan for His investment Without God there is no future investment Jeremiah 29 11 Even the Gospel is an investment It provides us with restoration and is preparing men and women of God to walk in ministry The Gospel is also known as the Good News that brings hope and provides healing for the soul Remember the investor is God and we are His investment Gods investment of the Gospel authenticates His power over the earth and mankind Each investment God gives unto us is filled with miracles that demonstrate a heavenly illustration with an earthly manifestation Gods investment here confirms His great power over the earth and mankind

The Two Tests: The Supernatural Claims of Christianity Tried by Two of Its Own Rules Lionel Lisle,2019-12-18 In The Two Tests The Supernatural Claims of Christianity Tried by Two of Its Own Rules Lionel Lisle rigorously examines the supernatural assertions within Christianity through a methodical lens rooted in both philosophical inquiry and theological discourse Utilizing a critical yet respectful literary style Lisle juxtaposes the claims of Christianity against its foundational doctrines arguing for a self examination of faith s own inherent rules His approach reflects a broader literary context of inquiry during the late 19th and early 20th centuries where intellectualism and skepticism often challenged established beliefs thereby encouraging a nuanced dialogue about faith and reason Lionel Lisle a keen thinker and theologian was influenced by the philosophical currents of his time particularly the rising tide of rationalism that sought to reconcile faith with empirical evidence His background in theology and his engagement with contemporary philosophical discourse allowed him to craft a work that not only critiques but also seeks to affirm the core tenets of Christianity Lisle s unique perspective emerges from both his scholarly pursuits and personal experiences within faith communities driving him

to probe the complexities of belief This book is highly recommended for scholars theologians and lay readers alike who wish to explore a critical yet introspective evaluation of Christianity Lisle s thoughtful examination provides readers with an opportunity to reflect on the intersection of faith and logic ultimately inviting them to engage with the essence of their beliefs in a profound and meaningful way **God's Autopsy and the Living Truth of Soul** Hal Childs,2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God s Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung s psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself **Satan's Secretary Vol. 1** Kamotsu

Kamonabe,2018-06-05 Satan has awoken and is dead set on conquering the human world His secret weapon A human woman with an unimaginable talent for organizing his demon army and keeping the conquest on track But why would a mild mannered woman like the Secretary betray the human race And will Satan survive her strict schedule Either way the human world is in big trouble Gethsemane My Father, If It Is Possible, May This Cup Be Taken from Me Ziad Felter,2012-06-25
