Abaza,2007-08 THE MILKWEED PROPHECY EPITAPH OF THE APOCALYPSE is an incredible and in depth explanation of not only the Apocalypse but told from an actual involvement where the author herself ensplenders her own emotional framework in a manner of religious literature that has never been captured before All of these events were based solely upon the Professor s lifetime of visions and actual visitations and apparitions and actual visitations of Mary the Mother of God and actual accounted events that have been witnessed by credible people This book of uncommon insights will startled the mind and very heart of the reader as he is taken on horseback into the actual Apocalypse and stares face to face with the Devil himself LUCIFER The near possession this young author claims boldly as this was also documented and witnessed but the literal protection from God saved Milkweed after her only suicide attempt This book powerfully illustrates what it is truly like to be a believer but one who is chosen long ago to understand and to teach and even now fooling her medical doctors and living well beyond her expected time allotted to her but still extremely deteriorated from this catastrophic terminal illness that plagues her mysterious life This work divinely inspired is highly recommended for anyone who truly wants and needs to know about the Book of God s Revelations as well as about himself This same remarkable book of stunning words translate themselves likend to the Bible as the author clearly defines herself but without ever in abruption of the eternal glory of God Her impressive artwork as well as photography is also here to enlighten and illuminate the mind and to hopefully make all understand the truth of God s Kingdom and the ultimate sacrifice the cricifixion and dereliction of our God Jesus the Christ

Storms and Sunrises Mark A. Nemec, 2021-09-09. When will the rain ever end? At times it is just a drizzle and at times it is a deluge. It is mostly dark and mostly dreary. At times the thunder and lightning make my knees shake and my heart skip a beat. Why does it have to storm? Why do storms come when I least expect them? Why do they cause damage and devastation? Almighty God answers and says: Without the storms of life, you will never appreciate the little things, the beautiful sunrises I have made just for you. You will forget how much I love you and that I have made all things for your good. The storms of today are the sunrises of tomorrow. Discipline Yourself for Godliness John Barnett, 2004. **The New**
