Schemers Barry Siegel, 2020-09-14 How one man brought the Olympics to Los Angeles fueling the city s urban transformation Dreamers and Schemers chronicles how Los Angeles s pursuit and staging of the 1932 Olympic Games during the depths of the Great Depression helped fuel the city s transformation from a seedy frontier village to a world famous metropolis Leading that pursuit was the Prince of Realtors William May Billy Garland a prominent figure in early Los Angeles In important respects the story of Billy Garland is the story of Los Angeles After arriving in Southern California in 1890 he and his allies drove much of the city s historic expansion in the first two decades of the twentieth century Then from 1920 to 1932 he directed the city s bid for the 1932 Olympic Games Garland s quest to host the Olympics provides an unusually revealing window onto a particular time place and way of life Reconstructing the narrative from Garland s visionary notion to its consequential aftermath Barry Siegel shows how one man s grit and imagination made California history *The Great Depression on Film* David Luhrssen, 2022-08-23 This book presents the Great Depression through the lens of 13 films

beginning with movies made during the Depression and ending with films from the 21st century and encourages readers to examine the various depictions of this period throughout history *The Great Depression on Film* is a unique guide to how the Great Depression was represented and is remembered making it an excellent resource for students or anyone interested in film history or U S history Each film is set in a different sector of American life focusing on such topics as white supremacy political protest segregation environmental degradation crime religion the class system and popular culture in the U S during the 1930s This book is indispensable for clearing away misconceptions fostered by the movies while acknowledging the power of film in shaping public memory The book separates fact from fiction detailing where the movies are accurate and where they depart from reality and places them in the larger context of historical and social events Eyewitness or journalistic accounts are referenced and quoted in the text to help readers differentiate between ideas attitudes and events presented in the films as well as the historical facts which inspired those films

El Pueblo Jean Bruce Poole, Tevvy Ball, 2002 Founded in 1781 by pioneers from what is today northern Mexico *El Pueblo de Los Angeles* mirrors the history and heritage of the city to which it gave birth When the pueblo was the capital of Mexico's Alta California the region's rancheros came here to celebrate mass or to attend fiestas in the historic Plaza Following California's statehood in 1850 the pueblo for a time ranked among the most lawless towns of the American West American speculators wealthy rancheros and Italian wine merchants crowded its dusty streets The town's first barrio and the vibrant precincts of Old Chinatown soon grew up nearby As Los Angeles burgeoned into a modern metropolis its historic heart fell into ruin to be revitalized by the creation in 1930 of the romantic Mexican marketplace at Olvera Street Here two years later David Alfaro Siqueiros painted the landmark mural *América Tropical* whose story is a fascinating tale of art politics and censorship In the decades since the pueblo has remained one of Southern California's most enduring and most complex cultural symbols *El Pueblo* vividly recounts the story of the birthplace of Los Angeles An engaging historical narrative is complemented by abundant illustrations and a tour of the pueblo's historic buildings The book also describes initiatives to preserve the pueblo's rich heritage and considers the significance of its multicultural legacy for Los Angeles today

meet in a new world in this lovingly rendered vivid tableau of a family and an era People Early Downtown Los Angeles Cory Stargel, Sarah Stargel, 2009-08-24 Growing south from the plaza where the city of Los Angeles was founded as a tiny pueblo in 1781 the area now known as downtown L A was first developed in the late 1800s as a residential neighborhood complete with churches and schools As the population surged at the turn of the 20th century the downtown area was transformed into a busy business and entertainment center of shops banks hotels and theaters The explosion of the postcard craze in the early 1900s coincided with this period of downtowns tremendous growth toward a formidable metropolis This collection of vintage postcards offers a glimpse into the changing city through the 1940s **Murder at The Sleepy Lagoon (Volume 2 of 2) (EasyRead Super Large 20pt Edition) , City of Dreams** Jerald Podair, 2019-07-09 A vivid history of the controversial building of Dodger Stadium and how it helped transform Los Angeles When Walter O Malley moved his Brooklyn Dodgers to Los Angeles in 1957 with plans to construct a new ballpark he ignited a bitter half decade dispute over the future of a rapidly changing city For the first time City of Dreams tells the full story of the controversial building of Dodger Stadium and how it helped create modern Los Angeles In a vivid narrative Jerald Podair tells how the city was convulsed over whether where and how to build the stadium Eventually it was built on publicly owned land from which the city had uprooted a Mexican American community raising questions about the relationship between private profit and public purpose Indeed the battle over Dodger Stadium crystallized issues with profound implications for all American cities Filled with colorful stories City of Dreams will fascinate anyone who is interested in the history of the Dodgers baseball Los Angeles and the modern American city *Land of Smoke and Mirrors* Vincent Brook, 2013-01-22 Unlike the more forthrightly mythic origins of other urban centers think Rome via Romulus and Remus or Mexico City via the god Huitzilopochtli Los Angeles emerged from a smoke and mirrors process that is simultaneously literal and figurative real and imagined material and metaphorical physical and textual Through penetrating analysis and personal engagement Vincent Brook uncovers the many portraits of this ever enticing ever ambivalent and increasingly multicultural megalopolis Divided into sections that probe Los Angeles s checkered history and reflect on Hollywood s own self reflections the book shows how the city despite considerable remaining challenges is finally blowing away some of the smoke of its not always proud past and rhetorically adjusting its rear view mirrors Part I is a review of the city s history through the early 1900s focusing on the seminal 1884 novel *Ramona* and its immediate effect but also exploring its ongoing impact through interviews with present day Tongva Indians attendance at the 88th annual *Ramona* pageant and analysis of its feature film adaptations Brook deals with Hollywood as geographical site film production center and frame of mind in Part II He charts the events leading up to Hollywood s emergence as the world s movie capital and explores subsequent developments of the film industry from its golden age through the so called New Hollywood citing such self reflexive films as *Sunset Blvd* *Singin in the Rain* and *The Truman Show* Part III considers LA noir a subset of film noir that emerged alongside the classical noir cycle in the 1940s and 1950s and

continues today The city's status as a privileged noir site is analyzed in relation to its history and through discussions of such key LA noir novels and films as *Double Indemnity* *Chinatown* and *Crash* In Part IV Brook examines multicultural Los Angeles Using media texts as signposts he maps the history and contemporary situation of the city's major ethno racial and other minority groups looking at such films as *Mi Familia* *Latinos* *Boyz n the Hood* *African Americans* *Charlotte* *Sometimes Asians* *Falling Down* *Whites* and *The Kids Are All Right* **LGBT** The Elusive Eden Richard B.
