fresh stylish mainstream package that's inviting to all. Because while vegetarians are a great vital passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both. *The Saturday Evening Post*, 1981. *New York Magazine*, 1983-02-21. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **Picked-Up Pieces** John Updike, 2013-01-15. In John Updike's second collection of assorted prose, he comes into his own as a book reviewer: most of the pieces picked up here were first published in *The New Yorker* in the 1960s and early 70s. If one word could sum up the young critic's approach to books and their authors, it would be generosity. Better to praise and share, he says in his Foreword, than to blame and ban. And so he follows his enthusiasms, which prove both deserving and infectious: Kierkegaard, Proust, Joyce, Dostoevsky, and Hamsun among the classics; Borges, Nabokov, Grass, Bellow, Cheever, and Jong among the contemporaries. Here too are meditations on Satan and cemeteries, travel essays on London and Anguilla, three very early golf dreams, and one big interview. *Picked Up Pieces* is a glittering treasury for every reader who likes life, books, wit, and John Updike. *American Shoemaking*, 1955. **The Survey**, 1932. **Popular Science**, 1982-02. Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
