America Accept the Truth, Repent, and Save Our Country Dr. Derek Lawrence-Harper,2023-04-23 God s timing is not our timing but the bible is clear that judgment will come America will be judged for its misdeeds one day It is the author s hope that people will re read the bible and encourage people to read this

book to know that the author's goal is to first save souls and second save our country. Ideally we need to be in a financial position to help others. To resolve problems in this country we must be honest and accept the truth to move forward. Most Americans including the author need all their income to pay bills and have means to enjoy themselves. The true minority in America is the rich who do not live paycheck to paycheck but have either generational wealth or maximized their talents to become prosperous. Hopefully anyone who became rich did not compromise their morality or abuse, misuse or oppress others for their personal gain. If so, pray that they repent. Our country is in trouble as Compromised Christianity, Atheism, Agnosticism and Satanic influence is on the rise while Bible Believing Christians are declining, getting older and are dying off. It has been said that those who ignore history repeat history. Dr. Martin Luther King once stated that truth suppressed to earth shall rise again. The author is here to talk about the truth that is rising in our time now.
