silent war is taking place in cities all over the planet It is covered up by the media mental health system NGOs and our elected officials Now that the financial elite are finished using the US military and allied forces to conquer nations in their quest for global domination they re neutralizing individuals and groups of resisters who live among the people To do this they have recruited a major portion of the civilian population which is used as a surrogate force to persecute those who have been identified as enemies As part of the same agenda the security forces are conducting psychological operations on civilians and torturing them with directed energy weapons The entire operation is in service to some very wealthy psychopaths who rule our society as part of a global revolution intended to result in a planetary dictatorship known as the New World Order

Weather Warfare Jerry E. Smith, 2011-08-07 In April 1997 United States Secretary of Defense William Cohen declared that there are terrorists at work who are engaging even in an eco type of terrorism whereby they can alter the climate set off earthquakes volcanoes remotely through the use of electromagnetic waves Weather modification in the form of cloud seeding to increase snow packs in the Sierras or suppress hail over Kansas is now an everyday affair Hundreds of environmental and weather modifying technologies have been patented in the United States alone and hundreds more are being developed in civilian academic military and quasi military laboratories around the world at this moment This book lays bare the grim facts of who is doing it and why The earth and the sky have themselves been turned into weapons Underground nuclear tests in Nevada have set off earthquakes A Russian company has been offering to sell typhoons on demand since the 1990s Scientists have been searching for ways to move hurricanes for over 50 years the same timeframe that took us from the Wright Brothers to Neil Armstrong In this book Jerry E Smith picks up where his 1998 book about the High frequency Active Auroral Research Program HAARP left off He reports on recent developments at HAARP including its possible connection to the crash of the Space Shuttle Columbia and what role if any it played in certain natural disasters like Hurricane Katrina Tackling the chemtrail controversy Smith examines claims that particles called aerosols are being deliberately injected into the atmosphere Edward Teller father of the hydrogen bomb proposed putting up a sun screen of aerosols to save the earth from global warming is someone actually doing it Numerous ongoing military programs do inject aerosols at high altitude for communications and surveillance operations Could these include mind control or population control applications Smith puts these technologies into context by examining the geopolitical conflicts that are driving their development from Globalization to the rise of Neo Con Neo Fascism [The Lost Journals of Nikola Tesla](#) Tim Swartz, 2000 Go check your encyclopaedia to find the answers to the following questions 1 Who invented the radio 2 Who discovered X rays 3 Who invented the vacuum tube amplifier In fact while you re at it check to see who discovered the fluorescent bulb neon lights speedometer the automobile ignition system and the basics behind radar electron microscope and the microwave oven Despite what most history books say all of these inventions were conceived and developed by a man named Nikola Tesla possibly the greatest mind mankind has ever seen Unfortunately few people today have ever heard of Tesla and his fantastic inventions After all

Tesla was considered an eccentric who talked of death rays that could destroy 10 000 aeroplanes at a distance of 250 miles claimed to be able to split the Earth in two believed that both voice and image could be transmitted through the air in the late 1800 s and developed a science that could lead to free energy antigravity and possibly weather modification Now for the first time Nikola Tesla s secret writings have been finally brought together in one fantastic book Much of these notes have been withheld by the governments of the United States and Russia for fear that their secret Black Project weapons and exotic science experiments would be discovered But some notes have managed to slip out along with recent writings on projects based on Tesla science Death rays antigravity aircraft free energy time travel and teleporatation are just a few of the amazing secrets revealed at last
