MAO ZEDONG: MY CONFESSION (Volume II) Zhong Wen, 2023-10-19 For decades Mao Zedong has been covered by the propaganda of the Communist Party dressed up and painted with layers upon layers of makeup and reinforced with each passing year What people hear and see is a manufactured idol created by the Party's propaganda which has taken root deep in people's minds in the closed social environment and poisoned their souls Many people still cannot break free from it Mao Zedong brought disaster to the country and the people during his lifetime causing countless deaths and creating enormous sins that brought the country to the brink of collapse making him the greatest criminal in China's history It should be Xi Jinping his successor who should repent on his behalf but Xi Jinping continues to sing his praises Helplessly it falls upon the author to write To expose the crimes of Mao it is feared that there are still countless untold stories The number of victims is in the hundreds of millions and each of the 800 million people has their own account It awaits thorough revelations from both inside and outside China especially from within the Communist Party after the end of Mao era People's souls need to break free from Mao Zedong's magic veil and this requires continuous and multi faceted efforts The author can only contribute a small part The Lost Tire Gang Richard J.
