

The poster features a central illustration of a large, circular, stone-like structure with a face-like pattern, set against a backdrop of a mountain range. In the foreground, two turtles are shown in a dynamic pose, one appearing to be in a defensive or attacking stance. To the right, a man in a blue jacket and a woman in a dark blue robe are standing near a body of water. The background is filled with various elements, including a large red banner on the left, a purple banner on the right, and a small building with a tree in front of it. The overall style is a blend of traditional Japanese art and modern comic book illustration.

Halsey is an active member of a creative writing group called Tapestry that operates out of the Cockburnshire Library in Spearwood Western Australia Kangchenjunga and Other Stories is a collection of insights derived mainly from the troubled world in which he lives in but some have been inspired from real personal experiences and some from history Kangchenjunga is his imprimatur derived from a real spiritual experience that was born out of talking to young German backpackers in Darjeeling and immersing their experiences in cultural and folkloric material of the tribal people from Nepal and Bhutan Out of the rich amalgam comes a searing tragedy that will haunt the reader for a long time to come Man is mortal We live a short time and then pass on The world we leave behind remains as cold and indifferent We leave our stories as testaments to our miserable achievements or lack of achievements We should be grateful if the stories we leave behind in the insubstantial pages of literature or history can offer someone somewhere an insight or some moments of satisfaction having decoded the messages held in stories poems and dramas Such are the delights offered in stories like Adam Send for Eliab Through Fire and Brimstone Cleansing the Land Lamp Shades and Cushion Covers and When the God of Death Is the Death of God Some readers may find some stories distressing but the poetry that emanates from them tries to compensate for the harsh reality of

a heartless and cold world that is indifferent to the stories that derive from our lives we are driven to leading These stories are like the metaphors of life we leave narrated in and left to time It is you the reader that will give them a measure of immortality as you keep reading making the stories of these sad victims your own Live again but in another dimension your own and these others

The Legend of Gold and Other Stories Jun Ishikawa, 1998-10-01 The four stories and novella translated in this volume represent the best short fiction by Ishikawa Jun 1899 1987 one of the most important modernist writers to appear on the Japanese literary stage during the years before and after World War II Throughout his career Ishikawa resisted the tide of popular opinion to address issues of political and artistic significance and thereby paved the way for a generation of Japanese internationalists and experimentalists including Abe Kobo and Oe Kenzaburo Highly acclaimed and respected in Japan Ishikawa remains little known in the West in part because of the tendency of Western critics and readers of Japanese literature to focus on writers concerned with aesthetic issues Combining a strong interest in politics with a brilliant use of modernist techniques Ishikawa's work defies easy categorization Banned in 1938 Mars Song has been called the finest example of anti war fiction written during Japan's march to war in China and the Pacific In it Ishikawa denounces the chorus of jingoism that swept Japan and via a metafictional tale within a tale he warns against the suicidal destruction to which complicity in warmongering will lead The allegorical Moon Gems written in the spring of 1945 further explores the tenuous position of the writer moving against the current in a country not only still at war but very near defeat In The Legend of Gold and The Jesus of the Ruins both from 1946 Japan has been reduced to a charred wasteland yet Ishikawa envisions destruction as fertile ground for rebirth and resurrection Finally the semi surrealist novella The Raptor plumbs the meanings and

possibilities of peace in the post Occupation era William Tyler's eminently readable translations are faithfully expressive of stylistic and tonal nuances in the original works In a perceptive introduction and the critical essays that follow Tyler emphasizes Ishikawa's importance as an anti establishment even resistance writer and argues that the writer's political iconoclasm goes hand in hand with the modanizumu of his literary experimentation The Legend of Gold will be of tremendous importance in enlarging a Western understanding of the development of the writer's role as social critic and the evolution of the modernist movement in postwar Japan The Little Devil and Other Stories Alexei Remizov, 2021-04-13 In a dilapidated and isolated old house something peculiar seems to happen whenever the town's bestial exterminator visits On a seemingly bucolic country estate the head of the household is a living corpse obsessed with other corpses An adolescent boy who passes his days in private dream worlds experiences a sexual awakening spurred by his family's scandalous tenant In these and other stories the modernist writer Alexei Remizov offers a panorama of Russian mythology the supernatural rural grotesques and profound religious faith in fiery revolutionary settings Alexei Remizov was one of the greatest writers of the Russian symbolist movement of the early twentieth century In the thirteen stories collected in this volume his exceptional stylistic achievements are on full display Equally drawing on rural colloquial speech the language of Russian fairy tales and the customs of the Old Believers and Russian Orthodoxy they transport the reader into a mysterious world in between uncanny folktales and encroaching modernity The Little Devil and Other Stories includes works from across Remizov's career encompassing his thematic preoccupations and stylistic experimentation Antonina W Bouis's translation captures Remizov's many registers to offer English language readers a sampling of a remarkable Russian writer **The American Student and Other Stories** Myron Pereira, 2022-09-03 The American Student A middle aged doctor finds that his daughter's girl friend makes him take a sharper look at himself In Search of her Father A passionate artist hungers all her life for the father she never knew before deciding that maybe fathers aren't needed at all In the Shade of the Old Apple Tree Three generations of women three very different lives and one strong desire to be free to achieve Greater than our Hearts An older man seems successful in almost everything except the relationships of his heart Ten stories Ten slices of life Ten insights into the lives of women which keep you absorbed and wondering now if only *Mexico is Missing and Other Stories* J. David Stevens, 2006 What's America to do when one day Mexico suddenly disappears That question asked by the title story in Mexico Is Missing sets the tone for a collection whose individual stories have been described as provocative intensely relevant and wickedly macabre Thematically and formally diverse these pieces are unified by their devotion to the offbeat even insane moments of contemporary life A widow hears a voice from her computer that claims to be God An unnamed narrator develops an unhealthy fascination with his mailman Several characters from a joke come to life and wonder what to do with themselves A poet married to a porn star considers the real meaning of love The subjects of this volume range widely From Snoopy to Southern Baptists from witch trials to infomercials from the President's golf game to well the President's penis anything is

fair game in a collection that blends satire with a sincere desire to find meaning in the jumbled world that we daily inhabit A literary critic and author Stevens also demonstrates his formal range by juxtaposing traditional linear stories against micro fictions and longer fractured narratives The result is a book that traverses the literary map with impressive dexterity Individually the stories in Mexico Is Missing will provide various pleasures for every reader But taken together they represent a more profound effort to blend those diametric impulses formal cultural and sociopolitical which so often define contemporary experience This collection of 23 short stories by J David Stevens is clever sardonic and humorous While you're laughing Stevens also gives you plenty of things to think about spirituality the negligence of the mass media American politics and relationships Book jacket
