Now I'm Found...** Thelma Johnson,2021-09-01 Throughout my lifelong experiences in church I have been taught that there were only two final destinations heaven and hell Preachers teach that there is a heaven to gain and a hell to shun which is absolutely true I have further learned through my ability that it too is possible for spirits to remain earthbound This occurs when these spirits reject themselves from walking into the light due to inability of letting go of their physical life The two types of spirits that are earthbound are intelligent and residual The intelligent spirits can communicate with the physical world and residual spirits are on repeat every day With the help of my youngest brother s God given abilities I slowly learned how to embrace the gift that I have been given I encourage anyone who senses these abilities to embrace it and pursue it although it may be difficult to understand this gift There are many people in the world experiencing similar situations I gradually learned how to live with my ability which led me to a solid four years of writing this book so that others will find the courage to express their gifts in their own special form From Lost to Found Nicole Zasowski,2020-01-28 Being Lost is the First Step to Getting Found As a marriage and family therapist one of Nicole Zasowski s greatest joys is helping her clients grow in emotional freedom What she couldn t see for many years is that she was living her own life outside of that freedom clinging to behaviors like shame performance and control in order to feel valued and safe It was only when she was confronted with her own devastating pain and loss that Nicole realized her current way of life was failing her She then discovered that sometimes God s rescue looks like prying our fingers off what we think we want so that we can receive what we truly need And often on the far side of pain we don t prefer we find transformation we would not trade In From Lost to Found Nicole shares her story as she helps us name what we fear losing most identify how our reactive behaviors are failing us discover what joy we can find in letting go and move forward in the freedom God has for us God is writing a story of redemption in your life too Find

out for yourself that sometimes the greatest joy is found when we are drained of all misplaced hope and shallow identities In the midst of pain or transition discover a surprising path to healing as you lose your grip on comfort and control and fall right into God s transformative grace Includes discussion questions for individual reflection or small group study
