well as reflection on the obstacles that had obscured paths toward untapped American potential Garfield Arthur Harrison and Hayes the four Republican presidents who followed Grant during the Reconstruction and post Reconstruction eras were all Civil War generals and self made men though none experienced a particularly distinguished term in office These presidents are iconic figures in the stories and political musings of the narrator s dying father In his efforts to understand their importance to his father the teenaged narrator comes to appreciate the act of storytelling that redefines these men in his father s memory and in turn redefines his father in the his own memory Originally published as a short story of 7 000 words in Scribner s Magazine in 1934 and later abridged by 1 000 words for reissue in the 1935 anthology From Death to Morning Wolfe s expanded tale is published here for the first time in its intended form and full length of some 21 000 words Editors Arlyn and Matthew J Brucoli have employed the same methods to reestablish this text as they used to wide acclaim in their centennial edition of O Lost The Story of a Buried Life the unabridged version of Wolfe s Look Homeward Angel The reestablishment of the long version of Four Lost Men opens an undeveloped area of scholarship into Wolfe s short fiction and serves as a model for restoring other such works American Enchantment Michelle Sizemore,2018 American Enchantment
