Lost Language Of Cranes:

The Lost Language of Cranes David Leavitt, 2014-06-03 Presents the story of Philip Benjamin a young man haunted by images of his staid middle class parents and frightened by the thought of revealing his homosexual identity to them **Out of the Twilight** Andrew Gottlieb, 2014-07-16 How would you react if your son told you he was gay Out of the Twilight Fathers of Gay Men Speak explores how fathers have dealt with discovering that their sons were gay and what effect it had on their own development as parents and people This revealing moving book will help you understand the difficulties and joys of a father gay son relationship Out of the Twilight draws from literary sources such as poems fairy tales plays novels and movies as well as psychoanalytic theories to highlight the obstacles that a father must overcome to understand and identify with his son In Out of the Twilight you will discover the personal and intimate struggles of these fathers including Mitchell whose son Jay came out at the age of twenty one and who describes the coming out process as a means of forging a closer father son relationship Juan Miguel who knew and accepted that his son was gay before his son told him and who discusses how his love and complete acceptance made the coming out process easier for his son Peter whose response to his son Richard was ordering him to live at home so the family could look for a cure for Richard s homosexuality Daniel who admitted that he himself was gay after being married and who was very accepting when his son Charles came out since it provided them with a special bond Marty whose response to his son Gary s coming out was to join P FLAG an organization for parents of gay and lesbian children so he could find support and acceptance among other parents who were going through the same thing Out of the Twilight allows you to see how fathers have struggled with the truth about their sons sexuality This book presents a unique opportunity to develop a greater awareness of and appreciation for father son similarities and differences and suggests that through time communication and love fathers can become comfortable with and respectful of their sons homosexuality

The Lost Language of Cranes David Leavitt, 1988-06-01 The story of Philip Benjamin a young man haunted by images of his staid middle class parents and frightened by the thought of revealing his homosexual identity to them Gay Men's Literature in the Twentieth Century Mark Lilly, 1993-11 In gay men s writing tenderness lies side by side with rage existential rejection of convention rubs shoulders with sexual hedonism Beginning with Wilde s and Byron s existentialist outlaw the theme of social rebellion and the fight against conformity form a common link among the literary works of the twentieth century But mainstream academic criticism has shown itself for the most part incapable of engaging gay work without distorting or ignoring its most central features **The Columbia Companion to the**

Twentieth-Century American Short Story Blanche H. Gelfant, 2004-04-21 Esteemed critic Blanche Gelfant s brilliant companion gathers together lucid essays on major writers and themes by some of the best literary critics in the United States Part 1 is comprised of articles on stories that share a particular theme such as Working Class Stories or Gay and Lesbian Stories The heart of the book however lies in Part 2 which contains more than one hundred pieces on individual writers and

their work including Fitzgerald Hemingway Richard Ford Raymond Carver Eudora Welty Andre Debus Zora Neal Hurston Anne Beattie Bharati Mukherjee J D Salinger and Jamaica Kincaid as well as engaging pieces on the promising new writers to come on the scene

Homosexuality on the Small Screen Sebastian Buckle, 2018-08-30 Television provides a unique account of the development of a homosexual identity across the western world emerging as it did when ideas around sex and sexuality were themselves only just beginning to be publicly discussed From the very earliest surviving drama featuring homosexuality in 1959 *Homosexuality on the Small Screen* explores each decade s programming in turn looking at homosexual themes storylines and characters situating them historically and relating them to the broader events in British history By doing so it examines the interactions between the medium and the reality of gay lives showing how television mirrored the changes taking place in British society For those with a homosexual or emerging homosexual sexual orientation they were seminal in early personal and social development For heterosexual viewers these images were equally important in exploring a sexual other which otherwise remained hidden from them They included positive storylines which helped improve public ideas about homosexuality but also stereotypical images which propagated negative attitudes in the public consciousness *Homosexuality on the Small Screen* charts this fascinating journey and television s role in the construction of a gay identity

Writing Masculinities Ben Knights, 1999-05-17 The great bulk of work on gender in fiction and literature has reflected feminist concerns and focused on women authors This book attempts to extend the contemporary preoccupation with representations of gender into the terrain of masculinity and male writing Drawing on work in both the social sciences and humanities it explores the narrative representation of masculinity in selected twentieth century fictions ranging from classic texts by Lawrence and Conrad to novels by John Fowles Graham Swift David Leavitt and others

Why Architects Still Draw Paolo Belardi, 2014-02-14 An architect s defense of drawing as a way of thinking even in an age of electronic media Why would an architect reach for a pencil when drawing software and AutoCAD are a click away Use a ruler when 3D scanners and GPS devices are close at hand In *Why Architects Still Draw* Paolo Belardi offers an elegant and ardent defense of drawing by hand as a way of thinking Belardi is no Luddite he doesn t urge architects to give up digital devices for watercolors and a measuring tape Rather he makes a case for drawing as the interface between the idea and the work itself A drawing Belardi argues holds within it the entire final design It is the paradox of the acorn a project emerges from a drawing even from a sketch rough and inchoate just as an oak tree emerges from an acorn Citing examples not just from architecture but also from literature chemistry music archaeology and art Belardi shows how drawing is not a passive recording but a moment of invention pregnant with creative possibilities Moving from the sketch to the survey Belardi explores the meaning of measurement in a digital era A survey of a site should go beyond width height and depth it must include two more dimensions history and culture Belardi shows the sterility of techniques that value metric exactitude over cultural appropriateness arguing for an informed drawing that takes into consideration more than meters or feet stone or

steel Even in the age of electronic media Belardi writes drawing can maintain its role as a cornerstone of architecture

Providing a distillation of knowledge in the various disciplines of arts education dance drama music literature and poetry and visual arts this essential handbook synthesizes existing research literature reflects on the past and contributes to shaping the future of the respective and integrated disciplines of arts education While research can at times seem distant from practice the Handbook aims to maintain connection with the live practice of art and of education capturing the vibrancy and best thinking in the field of theory and practice The Handbook is organized into 13 sections each focusing on a major area or issue in arts education research *The Reconceptualization of Curriculum Studies* Mary Aswell Doll, 2016-06-23

In this volume scholars from around the world consider the influential work of William F Pinar from a variety of conversations his ideas have generated The major focus is on the What Why and How of the word reconceptualization which involves engaging critically and ethically as public intellectuals with gender class and race issues theorized in a variety of disciplines The book introduces Pinar's seminal argument for curriculum to return to its root in the word currere the running of the course of study and its key concepts autobiography as alternative to the denial of subjectivity in traditional curriculum studies study and place Issues addressed include the ethics of study both of self and of the discipline of curriculum studies the politics of presence the curricular importance of entering the public sphere the openness to complicating simple solutions and the ethical dealing with alterity the state of being other or different otherness *The Inward Gaze* Peter Middleton, 2024-11-01

First published in 1992 *The Inward Gaze* looks at men's fantasies and self images from a wide range of texts notably boy's superhero comics modernist literary classics and a Freudian case study to discuss the theories of subjectivity masculinity and emotion The author explores the split between the experience based claims of the men's movement and the discourse theories of postmodernism Does this division reveal a continuing refusal of masculine self awareness Why does postmodernist theory investigate desire and ignore emotion This is a ground breaking and controversial book which seeks to reformulate the way we think about men's subjectivity Its interdisciplinary approach weaves together material from many different sources and will be of vital interest to students of literature cultural studies gender studies and psychoanalysis

On Christopher Street Michael Denneny, 2023-03-17 A cultural autobiography tracing the evolution of America's queer community in the three decades following the Stonewall Riots A fascinating behind the scenes look at a new culture in a

formation A valuable and thoughtful account of a foundational moment in American cultural history David K Johnson author of *The Lavender Scare* The Stonewall Riots of 1969 and the AIDS crisis of the 1980s have been captured in minute detail and rightly memorialized in books on tv and in film as pivotal and powerful moments in queer history Yet what about the moments in between the tumultuous decade post Stonewall when the queer community s vitality and creativity exploded across the country even as the AIDS crisis emerged Michael Denny was there for it all As a founder and editor of the wildly influential magazine *Christopher Street* and later as the first openly gay editor at a major publishing house Denny critically shaped publishing around gay subjects in the 1970s and beyond At St Martin s Press he acquired a slew of landmark titles by gay authors many for his groundbreaking *Stonewall Inn Editions* propelling queer voices into the mainstream cultural conversation On *Christopher Street* is Denny s time machine going back to that heady period to lay out the unfolding geographies and storylines of gay lives and capturing the raw immediacy of his and his contemporaries daily lives as gay people in America Through forty one micro chapters he uses his journal writings articles interviews and more from the 1970s and 80s to illuminate the twists and turns of a period of incomparable cultural ferment One of the few surviving voices of his generation Denny transports us back in time to share those vibrant in between moments in gay lives the joy sorrow ecstasy and energy across three decades of queer history Because of his pivotal role in creating modern gay literature Denny has perhaps done more than any other single individual to actually create contemporary gay culture David Carter author of *Stonewall The Riots That Sparked the Gay Revolution* There is simply no other person in the LGBT community who has been as pivotal for LGBT publishing from newspapers to magazines to books This important book is a testament to the history of our community Mark Segal founder and publisher of the *Philadelphia Gay News* and author of *And Then I Danced*

How Should I Live My Life? George S. Howard, 2002-06-25 A truly cross disciplinary study of psychology theology economics and environmental science *How Should I Live My Life* presents an overview of human beliefs and institutions that have led to the emerging global ecological threats By viewing societal institutions and the psychology that spawns them George S Howard gets to the root causes of global ecological crises and provides an effective roadmap for changing the disastrous course that humans face With detailed descriptions of economic and psychological methods that lead to the choices that society has made Howard puts forth his vision for society s path in a well rounded argument for changing the course of economic and environmental policies practiced by the governments of the world today

Education at the Edge of Experience Marla Morris, 2024-06-03 Presenting a unique exploration of education at the edge of experience this book investigates how unassimilable concepts can reconceptualize education in order to grapple with what is beyond understanding Working at the intersection of curriculum theory philosophy and psychoanalysis Morris examines how each of these unassimilable concepts such as lament disavowal breathlessness and the Kafkaesque point toward currere as the edge of experience It addresses what Lee Braver calls the groundless grounds and what Avital Ronell calls the quicksand that is philosophy to approach

slippage and breaking points through an interdisciplinary lens Pointing to an understanding of our largely social ills and extending William F Pinar s early work on currere in new and innovative directions this book will appeal to curriculum theorists education philosophers psychoanalysts and those with interests in the philosophy and theory of education
