Jones,2012-03-01 The finest exponents of horror fiction writing today Neil Gaiman China Mieville Ramsey Campbell Kim Newman Graham Joyce Paul McCauley Stephen Gallagher Caitlin R Kiernan Basil Cooper Glen Hirshberg Jay Russell feature in the world s premier annual horror anthology series another bumper showcase devoted exclusively to excellence in macabre fiction To accompany the very best in short stories and novellas is the year s most comprehensive horror overview and contacts listing as well as a fascinating necrology [My Dwelling Place](#) Deborah L Roeger,2024-04-16 The concept of God s presence is deeply embedded in Christian teaching from God s presence in the Garden of Eden through the hope of God s presence in the New Earth But what does it that mean Many Christians find it difficult to explain what is meant by God s presence We hear of God being especially present in a worship service or of specific places where God s presence is expected by the pilgrims who travel there We know that God s presence was somehow in the tabernacle and will be part of the new earth when Jesus returns It is also taught that God is omnipresent that is present everywhere and always p But what is God s presence What does it take for Him to dwell among His people and why does it matter In this third volume under the Lost in Translation imprint Deborah Roeger applies her in depth and detailed yet extremely practical approach to Bible study to look at God s presence in its many forms and manifestations from the creation to the restoration of God s creation As she traces God s dwelling presence through the pages of Scripture she looks thoughtfully at what God requires of us so He can be present among us In the process she provides a thematic look at the whole of scripture that can be used as a guide to study other topics with full attention to the overall context of the story we find in Scripture It is the story of God who created

for His glory and longs for the restoration of His dwelling presence among His creation This understanding of the broad context will help you put other events in their proper place in the history of God s plan of salvation My Dwelling Place is not just an explanation of biblical terms It is first of all an explanation of what it takes for God to come and dwell among us It is then a call to take up our mission and the gifts God has given us and to learn to practice His presence at all times As in each volume in this series there is a valuable added resource in the appendix discussing how to do word studies and how to use both available tools for Bible study and to take the context of each passage seriously when doing so This study can be read individually but it is especially valuable as a resource for small group study or for a transforming church wide study

**The Samaritan Mission in Acts** V. J. Samkutty, 2006-08-24 The portrait of the Samaritan mission in Acts 8 4 25 is the climax of various Lukan episodes involving the Samaritans This work shows that the function of this portrait makes better sense in light of the historical context of the Samaritans up to and including the New Testament period and of Luke s special interest in the Samaritans as depicted in his Gospel A review of the socio ethnic and religious contexts of the Samaritans points to the conclusion that they struggled to establish the legitimacy of their identity and status as a people In some Jewish circles they were considered as socially outcasts ethnically foreigners and religiously apostates syncretists and idolaters From a Jewish point of view any unplanned and unauthorised mission of the church to Samaritans could cast doubts on the legitimacy of the mission itself and of nascent Samaritan Christianity In his Gospel Luke uses the Samaritan references to defend the legitimacy of the Samaritans and their status as part of Israel and to portray Jesus anticipation of a future mission to them His literary ability and theological interest includes the Samaritans in the anticipated eschatological and soteriological plan of God Thus he attempts to reverse the popular anti Samaritan feelings of some Jews as well as the saying in Mt 10 5 making them neighbours who show mercy and also true worshippers of God who obey the Law In Acts 8 4 25 Luke defends the divine origin and legitimacy of both the mission and Samaritan Christianity He sets the mission in accordance with the commission of Jesus and in the divine context of persecution He shows the kerygmatic and pneumatic legitimacy of Philips s ministry the apostolic legitimacy of the Jerusalem apostles and the purity of the new community in the way Simon was dealt with This rhetorical and theological function of Acts 8 4 25 using an anticipation legitimization device may suggest an apologetic purpose of Luke

**Fabricating Jesus** Craig A. Evans, 2025-06-16

Modern historical study of the Gospels seems to give us a new portrait of Jesus every spring just in time for Easter The more unusual the portrait the more it departs from the traditional view of Jesus the more attention it gets in the popular media Why are scholars so prone to fabricate a new Jesus Why is the public so eager to accept such claims without question What methods and assumptions predispose scholars to distort the record Is there a more sober approach to finding the real Jesus Commenting on such recent releases as Bart Ehrman s Misquoting Jesus James Tabor s The Jesus Dynasty Michael Baigent s The Jesus Papers and the Gospel of Judas for which he served as an advisory board member to the National Geographic Society Craig Evans offers a sane approach to examining the sources for understanding the historical Jesus **Paradise**
