Lost Testament:

In Search Of The Lost Testament of Alexander the Great David Grant, 2017-01-28 A unique backstory of Alexander and his successors the biased historians deceits wars generals and the tale of the literature that preserved them Babylon mid June 323 BCE the gateway of the gods prostrated in the Summer Palace of Nebuchadrezzar II on the east bank of the Euphrates wracked by fever and having barely survived another night King Alexander III the rule of Macedonia for 12 years and 7 months had his senior officers congregate at his bedside Abandoned by Fortune and the healing god Asclepius he finally acknowledged he was dying Some 2 340 years on five barely intact accounts survive to tell a hardly coherent story At times in close accord though more often contradictory they conclude with a melee of death scene rehashes all of them suspicious the first portrayed Alexander dying silent and intestate he was Homeric and vocal in the second the third detailed his Last Will and Testament though it is attached to the stuff of romance Which account do we trust In Search Of The Lost Testament Of Alexander The Great is the result of a decade of contemplations on Alexander presented as a rich thematic narrative Grant describes as the backstory behind the history of the great Macedonian and his generals Taking an uncompromising investigative perspective Grant delves into the challenges faced by Alexander s unique tale the forgeries and biased historians the influences of rhetoric romance philosophy and religion on what was written and how Alexander s own mercurial personality is vividly dissected and the careers and the wars of his successors are presented with a unique eye But the book never loses sight of central aim to unravel the mystery behind Alexander s unconvincingly reported intestate death And out of Grant s research emerges one unavoidable verdict after 2 340 years the Last Will and Testament of Alexander III of Macedonia needs to be extracted from romance and reinstated to its rightful place in mainstream history Babylon in June 323 BCE Although the result a decade of academic research In Search Of The Lost Testament Of Alexander The Great is written in an entertaining and engaging style that opens the subject to both scholars and the casual reader of history looking to learn more about the Macedonian king and the men who made his story It concludes with a wholly new interpretation of the death of Alexander the Great and the mechanism behind the wars of succession that followed

Lost Scriptures Bart D. Ehrman, 2003-10-02 While most people think that the twenty seven books of the New Testament are the only sacred writings of the early Christians this is not at all the case A companion volume to Bart Ehrman s Lost Christianities this book offers an anthology of up to date and readable translations of many non canonical writings from the first centuries after Christ texts that have been for the most part lost or neglected for almost two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Readers will find Gospels supposedly authored by the apostle Philip James the brother of Jesus Mary Magdalen and others There are Acts originally ascribed to John and to Thecla Paul s female companion there are Epistles allegedly written by Paul to the Roman philosopher Seneca And there is an apocalypse by Simon Peter that offers a guided tour of the afterlife both the

glorious ecstasies of the saints and the horrendous torments of the damned and an Epistle by Titus a companion of Paul which argues page after page against sexual love even within marriage on the grounds that physical intimacy leads to damnation In all the anthology includes fifteen Gospels five non canonical Acts of the Apostles thirteen Epistles a number of Apocalypses and Secret Books and several Canon lists Ehrman has included a general introduction plus brief introductions to each piece This important anthology gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era *Lost Christianities* Bart D. Ehrman,2005 Focusing on key historical texts a biblical authority offers a revealing look at the early church and the intense struggle to form the canon of the New Testament 11 halftones [Lost Books of the Bible For Dummies](#) Daniel L. Restoring Lost Truths Donald Werner,2016-02-29 The Book of the Revelation tells us that Satan deceives the whole world and causes them to wonder after the Beast follow his teachings and that s happening today What are those teachings that have deceived the whole world Surprising enough those false teachings are coming from within the church which left its Apostolic Hebrew Roots This Book will shock amaze and bless you It will reveal to you critical Biblical truths that were lost or perverted over the centuries These lost truths have caused some of the churches core doctrines to no longer be in harmony with the Scriptures Those that are deceived by the false teachings revealed in this book are unknowingly on the Broad Way leading to destruction they have accepted a false God and a false Gospel What is revealed in the book is staggering you will wonder how could this happen Then you will ask yourself Could I be deceived This book will challenge your beliefs and your understanding of God *The Lost World of the Israelite Conquest* John H. biblical episode is more troubling than the conquest of Canaan But do the so called holy war texts of the Old Testament portray a divinely inspired genocide John Walton and J Harvey Walton take us on an archaeological dig reframing our questions and excavating the layers of translation and interpretation that cloud our perception of these difficult texts The Lost Revelation Ira Messenger,2007-12 Providing us with the only known revelation of the Gospel according to substitution a new and exciting interpretation of biblical truth Ira Messenger is probably the most controversial theologian of our day Author of the books The Wrong Turn The Fourth Dimension and The Indictment Messenger is also a radio and television talk show host The Lost Revelation offers answers to questions that his listening audience has submitted What makes Messenger so controversial is his attack on the mantra of present day Christianity Messenger brings a different perspective to biblical interpretation one in which God takes the initiative in His relationship with humankind rather than simply observing and judging its actions Do yourself a favor and add the revelation of the Gospel of Substitution to your religious perspective You may find yourself questioning much of what you believed to be true about Christianity *The Lost Kingdom of Moyon (Bujuur)* Rev Dr Koningthung Ngoru Moyon,2023-11-16 The book The Lost Kingdom of Moyon Bujuur Iruwng King Kuurkam Ngoruw Moyon The People of Manipur is not to produce a new history of Moyon Who were earlier known as Bujuur but rather to tell the true and authentical historical account of the Moyon people through the ages and centuries how their creator led them during their past lives It also deals concerning kingship and introduce the kingdom of God **The Gospels: "Lost" and Found** Timothy Paul Jones,2021-08-03 Were other gospels included in the New Testament then later rejected How do we know the gospels are reliable Gospels Lost and Found gives solid reasons to trust the New Testament writings and provides answers to Bart Ehrman s book Misquoting Jesus Author Timothy Paul Jones Ph D shows where the critics are incorrect and provides us with logical well reasoned arguments for believing that Jesus lived died and rose again according to the Scriptures This pamphlet is packed with Easy to understand summariesFull color illustrationsA timeline showing New Testament and Gnostic DocumentsComparison charts with key information at a glanceAnd more Answers Top Common Questions About the Validity of the Bible and New Testament Now is the time to discuss textual criticism because critics are bringing this to the public debate and claiming that the Bible cannot be trusted It is important to help Christians become better informed ready to defend the faith This pamphlet answers the following common questions and more Who really wrote the Gospels Was it really Matthew Mark Luke and John Or were the gospels written by people who were utterly unconnected with eyewitnesses as some books and TV shows claim Were the gospels written so long after Jesus death and resurrection that they cannot be relied upon Were there gospels that were included in the New Testament and later removed Why were these four books chosen and not others Dr Jones interest in this topic began many years ago when he came across arguments against the Bible At first his faith was badly shaken and he wondered if he still believed in the Bible But as he researched more he found answers In just fourteen concise pages Dr Jones shows the errors in critics logic and facts and

does it in an easy to understand style The Lost World of the Torah John H. Walton,J. Harvey Walton,2019-02-26 To modern eyes what we call the biblical law or Torah seems either odd beyond comprehension not eating lobster or positively reprehensible executing children Using a consistent methodology to look at the Torah through the lens of the ancient Near East Walton and Walton offer a restorative understanding that will have dramatic effects in interpreting the text and in discerning the significance of the Torah for today The Lost Men David A. Colón,2012-03-30 In a world where the human population has been decimated self reliance is the order of the day Of necessity the few remaining people must adapt residual technology as far as possible with knowledge gleaned from books that were rescued and have been treasured for generations After a childhood of such training each person is abandoned by their parents when they reach adulthood to pursue an essentially solitary existence For most the only human contact is their counsel a mentor who guides them to find the one their life mate as decreed by Fate Lack of society brings with it a lack of taboo ensuring that the Fate envisioned by a counsel is enacted unquestioningly The only threats to this stable if sparse existence are the lost men mindless murderers who are also self sufficient but with no regard for the well being of others living outside the confines of counsel and Fate Is Fate a real force or is it totally imagined an arbitrary convention a product of mankind s self destructive tendency Is it our responsibility to rebuke inherited wisdom for the sake of envisioning and manifesting our own will Beginning with solitude ending with ironic hope every moment is challenged by the present An extraordinary challenge to our present Col n s d but offers a dark disturbing allegory one that recalls for contemporary fantasy the best traits of literary tradition Neil Easterbrook SFRA 2009 Pioneer Award winner An entirely original weird and wonderful world that always keeps us guessing In this impressive debut Col n confronts us with the most difficult questions that can be asked about fate free will and the foundations of justice Lee Konstantinou author of Pop Apocalypse a Possible Satire *The Lost Apocrypha of the Old Testament* Montague Rhodes James,1920 Lost in Translation Joel S. Baden,2025 Two millennia of time translation and interpretation mean that what we read and understand in English today is often very different from what the Hebrew would have meant to the Bible s authors and earliest readers This book recovers those original meanings and explores their relevance for today The Lost Treasure of the Templars James Becker,2015-07-07 The New York Times bestselling author of The Templar Brotherhood presents the first novel in a thrilling series about the powerful secrets of the Knights Templar and a conspiracy too shocking to believe In a quiet English seaside town antiquarian bookseller Robin Jessop has acquired an odd medieval volume What appears to be a book isn t a book at all but a cleverly disguised safe in which she finds a single rolled parchment written in code For encryption expert David Mallory the text is impenetrable Until an invaluable clue opens the door to a mystery and a conspiracy stretching back seven centuries when the most powerful man in Europe declared war on the most powerful clan the Knights Templar Now Jessop and Mallory find themselves on a global hunt for an unsurpassed treasure and this much closer to the keys to secrets that could change history topple an empire and bury them both alive

Because they re not only the hunters They re also the hunted Byzantine Monastic Foundation Documents John Philip Thomas,Angela Constantinides Hero,Giles Constable,2000 The nature of the typkia discussed by John Thomas in the introduction was one of flexible and personal documents which differed considerably in form length and content Not all of them were foundation documents in the strict sense since they could be issued at any time in the history of an institution Some were wills others were reform decrees and rules yet others were primarily liturgical in character *The Lost Religion of Jesus* Keith Akers,2000-11-01 Jesus preaching was first and foremost about simple living pacifism and vegetarianism he never intended to create a new religion separate from Judaism Moreover Jesus radical Jewish ethics rather than a new theology distinguished him and his followers from other Jews It was the earliest followers of Jesus the Jewish Christians who understood Jesus better than any of the gentile Christian groups which are the spiritual ancestors of modern Protestant Catholic and Orthodox churches In this detailed and accessible study Keith Akers uncovers the history of Jewish Christianity from its origins in the Essenes and John the Baptist through Jesus until its disappearance into Islamic mysticism sometime in the seventh or eighth century Akers argues that only by really understanding this mysterious and much misunderstood strand of early Christianity can we get to the heart of the radical message of Jesus of Nazareth *The Lost World of Scripture* John H. Walton,Brent Sandy,2013-11-01 Walton and Sandy summarize what we know of orality and oral tradition as well as the composition and transmission of texts in the ancient Near East and the Greco Roman world and how this shapes our understanding of the Old and New Testaments The authors then translate these insights into a helpful model for understanding the reliability of Scripture *Lost Orthodoxy (Paternal Light - Heart of the Gospel through the Eyes of the Kings of Christian Theology St. Justin Martyr and St. Irenaeus of Lyons)* Jonathan Ramachandran,2018-11-24 The Lost Orthodoxy Book attempts to Research the Hope of Christ Centered Universalism by comparing Bible Verses to the Exegesis done by St Justin Martyr and St Irenaeus of Lyons It asserts arguments in support of the concept of ages or aeons or olams to come in St Irenaeus usage of these related Biblical Words together with St Justin Martyr s harsh language regarding the punishment of the Wicked which has also been interpreted to refer to some annihilation concept Hence the usage by these saints either implying ages or end by destruction by their language describing the punishment of the wicked may thus imply an end in reference to the original words found likewise in Holy Scripture too The sin in the Body and Soul may thus be referred to as eternally destroyed where the damaged soul and spirit may be saved thereafter In support of such an exegesis some First Christianity Writings from other early Church leaders and Christian Prophecies such as the Apocalypse of Peter and the Sibyline Oracles are considered where these have a Section Describing God Saving the Wicked post Judgment after a long time as per the prayers of the Saved Christian Righteous for these to be Rescued Finally from the Lake of Fire or Gehenna itself thereby cancelling the Eternal Sentence by His Great Mercy which Triumphs over Judgment and giving these a lower place in another Eternal Life thereafter **REBUILDING A LOST FAITH BY AN AMERICAN AGNOSTIC JOHN**
