

The poster features a central illustration of a large, circular, stone-like structure with a face-like pattern, set against a backdrop of a city with colorful, vertical banners in red, blue, purple, and orange. In the foreground, two turtles are shown in a dynamic pose, one in a yellow and black suit and the other in a dark grey suit. To the right, a man in a blue jacket and a woman in a dark blue robe are standing near a body of water. The overall style is a blend of traditional Japanese art and modern comic book illustration.

Ten Lost Years, 1929-1939 Barry Broadfoot,2013-04-23 Hundreds of ordinary Canadians tell their own stories in this book They tell them in their own words and the impact is astonishing As page after page of unforgettable stories rolls by it is easy to see why this book sold 300 000 copies and why a successful stage play that ran for years was based on them The stories and the 52 accompanying photographs tell of an extraordinary time One tells how a greedy Maritime landlord ho tried to raise a widow s rent was tarred and gravelled another how rape by the boss was part of a waitress s job Other stories show Saskatchewan families watching their farms turn into deserts and walking away from them or freight trains black with hoboes clinging to them criss crossing the country in search of work or a man stealing a wreath for his own wife s funeral Throughout this portrait of the era before Canada had a social safety net there are amazing stories of what Time magazine called human tragedy and moral triumph during the hardest of times In the end this is an inspiring uplifting book about bravery one you will not forget

The Lost Years of Jesus Elizabeth Clare Prophet,2020-12-22 Reads like a detective thriller It picks you up and never lets go of you Jess Stearn bestselling author of Edgar Cayce The Sleeping Prophet Ancient texts reveal that Jesus spent 17 years in the Orient They say that from age 13 to age 29 Jesus traveled to India Nepal Ladakh and Tibet as both student and teacher For the first time Elizabeth Clare Prophet brings together the testimony of four eyewitnesses and three variant translations of these remarkable documents She tells the intriguing story of how Russian journalist Nicolas Notovitch

discovered the manuscripts in 1887 in a monastery in Ladakh Critics proved they did not exist then three distinguished scholars and educators rediscovered them in the twentieth century Now you can read for yourself what Jesus said and did prior to his Palestinian mission It s one of the most revolutionary messages of our time **Malawi's Lost Years**

(1964-1994) Mwakasungura, Kapote, Miller, Douglas, 2016-08-10 Malawi is a small and poorly known country but the crimes committed against its people by the brutal dictatorship of Dr Hastings Kamuzu Banda are a part of our shared human history It is about what happens when governments turn state violence on their own people with impunity The book gives voice to Malawians who were arbitrarily imprisoned who fled for their lives into exile or who suffered silently under the regime s state sponsored terror from 1964 to 1994 These are not easy stories for the victims to tell and people in power do not want them to be made public To add to the indignity endured by the regime s victims Malawi s current leadership has been rehabilitating Banda s image and honouring him despite well documented reports of atrocities and abuse of human rights Nevertheless even unpleasant history must be openly faced discussed and acknowledged to provide lessons for the future The book helps redress this one sided revision of Malawian history Fifty years after independence the Malawi people continue to suffer in absolute poverty and in greater numbers than ever because the lessons of history from Malawi s lost years have not been learned *Marcellus of Ancyra and the Lost Years of the Arian Controversy* 325-345 Sara

Parvis, 2006-03-02 Is it true as has often been claimed in recent years that there was no real controversy in the period immediately following the Council of Nicaea Sara Parvis in this lively and meticulous study argues not She shows that the two opposing parties which had formed in support of Alexander of Alexandria and Arius in the years before Nicaea continued their activities afterwards targeting one another with ruthless zeal at a series of synods which may look neutral but are revealed to be demonstrably partisan Only the deaths of all the original party leaders except Marcellus of Ancyra and the rise of Athanasius broke the impasse which followed and allowed new political and theological configurations to form The

William Shakespeare Anthony Holden,2016-04-07 Who was William Shakespeare How did the rude groom from Stratford grow up to be the greatest poet the world has known Not for a generation since the late Anthony Burgess s SHAKESPEARE 1970 has there been anything approaching a popular mainstream biography of the greatest and most celebrated writer Yet Shakespeare s life was as colourful varied and dramatic as his works the Warwickshire country boy who disappeared for seven years before fetching up in London as an apprentice actor whose fellow players could scarcely

keep up with the plays he turned out for them who rapidly became a favourite at the court of Elizabeth I and returned to Stratford a prosperous gentleman proud to realise his father's dream of a family coat of arms before his death at 52 Anthony Holden brilliantly interleaves the poet's own words with the known facts to breathe new life into a story never before told in such absorbing detail The perfect blend of erudition and accessibility the Daily Telegraph's verdict on Holden's life of Tchaikovsky applies equally to his revealing very human portrait of Shakespeare
