D. Graham, 2018-06-21 This book is a collection of fascinating short stories photos and documents furnished by the heroic and courageous men that served as air or ground crew members in Vietnam The chopper units were located throughout Vietnam During the course of the war we lost at least 5 139 helicopter aircrew members and at least 588 ground support crew members In fact the true number of helicopter air and ground crew members killed or missing in action will probably never be known Those crew members accounted for a large percentage of all the enemies killed during the war Those courageous men were American heroes then and will always be American heroes *Reflections Into My Soul* Francine N. D'Aprile, 2009-03 Through my journey in life I have met many people Everyone has a story to tell sometimes our lives take us into so many directions that at the end of the journey you look back and wonder where have all the years gone by The pathway that led me to this book took me in many directions in my life Writing Poetry has always been a passion of mines As I take you into my soul you will come to realize that deep within ourselves we are all the same From my years in Hawaii to the love of a United States Marine Corps Vietnam Vet I continue Along Life s Journey and then I hit the lowest point in my life My poetry continues with a mixture of inspirational thoughts and other poems At the end of the day may you be inspired by Reflections into My Soul and write your own poetry of life

*Always Faithful* Carl P. Marchi, 2007 The Always Faithful part of the title has arisen from the Marine Corps motto Semper Fidelis Always Faithful A Marine s Tale gives a realistic view of the anguish a young person endures in becoming a United States Marine as well as the trauma of war The story also helps the reader understand a certain Italian faction as well as the Italian American culture as it pertains to the Goomba perspective It is not a story about the Marine Corps nor a story about the Mob It is simply about an eighteen year old young man of Italian descent from Trenton New Jersey whose life is touched by both For this teen there is more to life than the customary demands placed on people his age These demands put him on a rollercoaster ride destined to resolve uncertainty Peer pressure sets the main character Joseph Momm Malone on a journey which tests his honor in the Marines loyalty to strong Italian family traditions and ability to bear confinement Joe Momma s year long venture before during and after the 1991 Gulf War shows the way to heroism imprisonment vengeance and love He goes from the typical teen back on the block to the traumatic experience of Marine boot camp to the theatre of war where his few days of combat lead to heroism and everlasting friendship with two Marines After the war he and his comrades are recuperating from their wounds back in New Jersey while Joe Momma is being groomed into his uncle s crime family Circumstances land Joe Momma in the county jail where he is threatened by the FBI to reveal information about his mob

connections Rather than face three to five years in the Trenton State Penitentiary he plans and successfully completes a daring escape from jail with the help of the two former Marines and his mentor Carmine Scalia who is also a former Marine Before he blends into the criminal underworld he seeks revenge on the cop who put him behind bars In doing so he discovers a plot by a Tucci Crime Family crew boss to destroy him Although the story portrays an adolescent from Trenton New Jersey it is targeted toward a mature audience and will touch the hearts of men and women alike While the book is Marine hardcore as well as street savvy it is sensitive to family values and portrays heroic deeds The book is easy reading full of wit sorrow happiness conflict compassion romance crime and adventure including a twist which will capture one s interest from beginning to end

*Cop Stories* Dick Ellwood,2010-07-29 Television dramas reality shows and police procedural mystery novels may try to replicate the truth of a cops life but sometimes the real story is stranger and more entertaining In more than thirty engaging anecdotes *Cop Stories* gives a no holds barred inside look at the experiences of Dick Ellwood police officer for the Baltimore Police Department from 1965 through his retirement in 1990 He vividly depicts the teeming street life of one of the most dangerous cities in the nation From walking a beat in his boyhood neighborhood and his adrenaline fueled work in vice to his ascent to detective and eventually supervisor in the homicide unit Ellwood doesnt miss a chance to get down and dirty with the gritty details you wont find on primetime TV In addition to investigating murders arresting prostitutes and fighting corruption Ellwood had his lighter moments He arrested his childhood hero Mickey Mantle for public drunkenness and was propositioned in a gay night club He also participated in history by working the race riots of 1968 and learned more than he wanted to know about arson Spanning the turbulent times of the sixties through the decadence of the eighties *Cop Stories* reveals what it truly means to protect serve and live the life of a tough dedicated cop
