Natural Missouri Working With The Land:

Natural Missouri Napier Shelton,2005 Along the way he interviewed professional resource managers and naturalists biologists interpreters conservation agents engineers farmers hunters fishermen writers and many others in an effort to gain a perspective that only people who work with the land for business or for pleasure can have Shelton describes a range of land management philosophies and techniques from largely hands off as in state parks to largely hands on as in farming He also addresses the questions that surround some of the more controversial practices such as the use of fire for land management and the introduction of nonnative species Jacket Natural Missouri Napier Shelton,2005-07-01 In Natural Missouri

Working with the Land Napier Shelton offers a tour of notable natural sites in Missouri through the eyes of the people who work with them Over a period of three years he roamed all over the state visiting such different places as Wilson s Creek National Battlefield Pomme de Terre Lake Mark Twain National Forest the Ozark National Scenic Riverways Roaring River State Park Prairie State Park Ted Shanks Conservation Area and Mingo National Wildlife Refuge Along the way he interviewed professional resource managers and naturalists biologists interpreters conservation agents engineers farmers hunters fishermen writers and many others in an effort to gain a perspective that only people who work with the land for business or for pleasure can have Shelton describes a range of land management philosophies and techniques from largely hands off as in state parks to largely hands on as in farming He also addresses the questions that surround some of the more controversial practices such as the use of fire for land management and the introduction of nonnative species With his relaxed writing style Shelton invites the reader along on his journeys to experience the places and people as he did Natural Missouri captures the essence of Missouri and gives readers a greater appreciation for the natural resources of the state and the people who work so hard to manage and protect them *Theology From the Spring* Jacob A. Taggart,2018-06-01 We live in a world of duality where the clashing of co existent beauty and chaos robs humanity of its innate purpose Perhaps as a coping mechanism we also live in a world dictated by technological advance that despite its manifold conveniences yields unintended consequences such as alienation detached purpose and synthetic happiness What if the way to recover our sense of meaning and ultimate transcendent truth was found organically in the most pure and ethereal settings of the natural world *Theology from the Spring* leads readers through a reformation of nature that rediscovers the beauty of creation ultimately pointing to the majesty and revelation of its creator *Theology from the Spring* uses beautiful vistas gleaned from freshwater springs and fly fishing motifs that converge with rich theological applications Fly fishing and freshwater springs are a tonic for the soul each flowing forth with primal truths *Theology from the Spring* takes its readers on a voyage that upon closer examination awakens us to the living discourses of nature Through vignettes of fresh water springs and fly fishing analogies *Theology from the Spring* provides the reader with something we ve lost eyes for seeing latent divine truths that make sense of the beauty and chaos we see within the created order **Public Works for Water and Power Development and**
