Alysa Landry, 2023-03-07 The life story of this World War II Navajo Code Talker introduces middle grade readers to an unforgettable person and offers a close perspective on aspects of Navajo or Din history and culture Thomas H Begay was one of the young Navajo men who during World War II invented and used a secret unbreakable communications code based on their native Din language to help win the war in the Pacific Although the book includes anecdotes from other code talkers its central narrative revolves around Begay It tells his story from his birth near the Navajo reservation his childhood spent herding sheep his adolescence in federally mandated boarding schools and ultimately his decision to enlist in the US Marine Corps Alysa Landry relies heavily on interviews with Begay who as of this writing is in his late nineties and one of only three surviving code talkers Begay's own voice and sense of humor make this book particularly significant in that it is the only Code Talker biography for young readers told from a soldier's perspective Begay was involved with the book every step of the way granting Landry unlimited access to his military documents personal photos and oral history Additionally Begay's family contributed by reading and fact checking the manuscript This truly is a unique collaborative project **Who Were the**

Navajo Code Talkers? James Buckley, Jr., Who HQ, 2021-10-26 Learn how this heroic group of American Indian men created a secret unbreakable code and helped the US win major battles during World War II in this new addition to the 1 New York Times bestselling series By the time the United States joined the Second World War in 1941 the fight against Nazi and Axis powers had already been under way for two years In order to win the war and protect its soldiers the US Marines recruited twenty nine Navajo men to create a secret code that could be used to send military messages quickly and safely across battlefields In this new book within the 1 New York Times bestselling series author James Buckley Jr explains how these brave and intelligent men developed their amazing code recounts some of their riskiest missions and discusses how the country treated them before during and after the war

Under the Eagle Samuel Holiday, Robert S. McPherson, 2013-08-13 Samuel Holiday was one of a small group of Navajo men enlisted by the Marine Corps during World War II to use their native language to transmit secret communications on the battlefield Based on extensive interviews with Robert S McPherson *Under the Eagle* is Holiday's vivid account of his own story It is the only book length oral history of a Navajo code talker in which the narrator relates his experiences in his own voice and words *Under the Eagle* carries the reader from Holiday's

childhood years in rural Monument Valley Utah into the world of the United States s Pacific campaign against Japan to such places as Kwajalein Saipan Tinian and Iwo Jima Central to Holiday s story is his Navajo worldview which shapes how he views his upbringing in Utah his time at an Indian boarding school and his experiences during World War II Holiday s story coupled with historical and cultural commentary by McPherson shows how traditional Navajo practices gave strength and healing to soldiers facing danger and hardship and to veterans during their difficult readjustment to life after the war The Navajo code talkers have become famous in recent years through books and movies that have dramatized their remarkable story Their wartime achievements are also a source of national pride for the Navajos And yet as McPherson explains Holiday s own experience was as much mental and spiritual as it was physical This decorated marine served under the eagle not only as a soldier but also as a Navajo man deeply aware of his cultural obligations
