Navigating Sovereignty World Politics Lost In China:

Navigating Sovereignty C. Shih, 2016-02-16 In this book the author undertakes a postcolonial analysis of identities the Chinese state uses to confront world politics and globalization Because these identities are created at the confluence of Western modernity and Confucian tradition two elements that are continually reinterpreted themselves the result is an ambiguity regarding the identities best suited to explain Chinese behavior The author argues that this uncertainty is not a new condition but one that reaches back to end of the nineteenth century It is by understanding this ambiguity surrounding identities that will in turn help present day authorities predict the future course of Chinese behavior in world politics

Navigating Sovereignty Chih-yu Shih, 2004-01-03 In this book the author undertakes a postcolonial analysis of identities the Chinese state uses to confront world politics and globalization Because these identities are created at the confluence of Western modernity and Confucian tradition two elements that are continually reinterpreted themselves the result is an ambiguity regarding the identities best suited to explain Chinese behavior The author argues that this uncertainty is not a new condition but one that reaches back to end of the nineteenth century It is by understanding this ambiguity surrounding identities that will in turn help present day authorities predict the future course of Chinese behavior in world politics

Sovereignty in China Maria Adele Carrai, 2019-08 This book provides a comprehensive history of the emergence and the formation of the concept of sovereignty in China from the year 1840 to the present It contributes to broadening the history of modern China by looking at the way the notion of sovereignty was gradually articulated by key Chinese intellectuals diplomats and political figures in the unfolding of the history of international law in China rehabilitates Chinese agency and shows how China challenged Western Eurocentric assumptions about the progress of international law It puts the history of international law in a global perspective interrogating the widely held belief of international law as universal order and exploring the ways in which its history is closely anchored to a European experience that fails to take into account how the encounter with other non European realities has influenced its formation [China, State Sovereignty and International](#)

[Legal Order](#) Phil C.W. Chan, 2015-05-19 China's rise has aroused apprehension that it will revise the current rules of international order to pursue and reflect its power and that in its exercise of State sovereignty it is unlikely to comply with international law This book explores the extent to which China's exercise of State sovereignty since the Opium War has shaped and contributed to the legitimacy and development of international law and the direction in which international legal order in its current form may proceed It examines how international law within a normative institutional framework has moderated China's exercise of State sovereignty and helps mediate differences between China's and other States approaches to State sovereignty such that State sovereignty and international law may be better understood [Navigating Sovereignty](#) C. Shih, 2004-01-31 In this book the author undertakes a postcolonial analysis of identities the Chinese state uses to confront world politics and globalization Because these identities are created at the confluence of Western modernity and Confucian

tradition two elements that are continually reinterpreted themselves the result is an ambiguity regarding the identities best suited to explain Chinese behavior The author argues that this uncertainty is not a new condition but one that reaches back to end of the nineteenth century It is by understanding this ambiguity surrounding identities that will in turn help present day authorities predict the future course of Chinese behavior in world politics

Managing China's Sovereignty in Hong Kong and Taiwan S. Tok, 2013-04-30 Is China always defensive about its sovereignty issues Does China see sovereignty essentially as absolute Victorian or Westphalian Sow Keat Tok suggests that Beijing has a more nuanced and flexible policy towards sovereignty than previously assumed By comparing China's changing policy towards Taiwan and Hong Kong the author relates the role of previous conceptions of the world order in China's conception of modern sovereignty thereby uncovers Beijing's deepest concern when dealing with its sovereignty issues

The Rise of China and Chinese International Relations Scholarship Hung-jen Wang, 2013-08-23 This book looks at the relationship between Chinese international relations IR scholarship and China's rise as a world power Specifically it addresses how China's rising international status since the early 1990s has shaped the country's IR studies and the different ways that Chinese IR scholars are interpreting that rise The author argues that the development of IR studies in China has been influenced by China's past historical experiences its recent change in status in world politics and indigenous scholarly interpretations of both factors Instead of treating Chinese IR scholars as value free social scientists the author shows how Chinese scholars as purposive strategic and emotional actors tend to manipulate existing mostly Western IR theories to support their policy propositions and identity statements This book represents one of few efforts to determine how local Chinese scholars are constructing IR knowledge how they are dealing with intersections between indigenous Chinese and imported IR theory and concepts and how Chinese scholars are analyzing their China in terms of its current rise to power

China and the United Nations Janka Oertel, 2015-03-26 This comprehensive and innovative book examines and explains the development of the relationship between China and the United Nations in the first decade of the twenty first century Using historical research and contemporary case studies the book stresses the importance of domestic determinants of UN policy and concludes that the chances for international actors to significantly influence Chinese UN policy making remain very limited

Unifying China, Integrating with the World Allen Carlson, 2008 This book contends that sovereignty and more directly the extent to which it creates walls between any given state and other actors in the international system lies at the core of China's foreign relations during the reform era

China and International Relations Zheng Yongnian, 2010-09-13 Focussing on one of the most influential scholars writing on international relations Wang Gungwu this book explores the limitations of Western international relations approaches to China and explains China's IR from a non Western perspective and demonstrates how the study of Chinese experiences can enrich the IR field

Navigating Sovereignty World Politics Lost In China Introduction

In the digital age, access to information has become easier than ever before. The ability to download Navigating Sovereignty World Politics Lost In China has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Navigating Sovereignty World Politics Lost In China has opened up a world of possibilities. Downloading Navigating Sovereignty World Politics Lost In China provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Navigating Sovereignty World Politics Lost In China has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Navigating Sovereignty World Politics Lost In China. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Navigating Sovereignty World Politics Lost In China. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Navigating Sovereignty World Politics Lost In China, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Navigating Sovereignty World Politics Lost In China has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Navigating Sovereignty World Politics Lost In China Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Navigating Sovereignty World Politics Lost In China is one of the best book in our library for free trial. We provide copy of Navigating Sovereignty World Politics Lost In China in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Navigating Sovereignty World Politics Lost In China. Where to download Navigating Sovereignty World Politics Lost In China online for free? Are you looking for Navigating Sovereignty World Politics Lost In China PDF? This is definitely going to save you time and cash in something you should think about.
