John Hamilton Moore,1807 **The Barefoot Navigator** Jack Lagan,2013-08-04 The Barefoot Navigator is an unusual and fascinating exploration of the skills of navigation employed by the ancients and transferrable to the present day The first half of the book investigates the navigation capabilities of seafarers long before modern navigation instruments or charts became available For example how did the Polynesians manage to populate an area of ocean larger than North America simply by analysing clouds currents wind direction sun stars and the flight patterns of ocean birds And how did the Vikings routinely travel between Iceland Greenland and Scandinavia huge tracts of treacherous water The second part of the book analyses how the techniques of the ancients can be employed by 21st century seafarers to supplement today s navigational hardware especially in survival situations This is a unique analysis of practical technology free navigation whose techniques can easily be employed by modern navigators to supplement their personal navigation skills in order to just know where they are It will fascinate navigators and landlubbers alike *The Practical Navigator* John Hamilton Moore,1828 **Buster Keaton** James Curtis,2022-02-15 One of Literary Hub s Five Most Critically Acclaimed Biographies of 2022 From acclaimed cultural and film historian James Curtis a major biography the first in more than two decades of the legendary comedian and filmmaker who elevated physical comedy to the highest of arts and whose ingenious films remain as startling innovative modern and irresistible today as they were when they beguiled audiences almost a century ago It is brilliant I was totally absorbed couldn t stop reading it and was very sorry when it ended Kevin Brownlow It was James Agee who christened Buster Keaton The Great Stone Face Keaton s face Agee wrote ranked almost with Lincoln s as an early American archetype it was haunting handsome almost beautiful yet it was also irreducibly funny Keaton was the only major comedian who kept sentiment almost entirely out of his work and he brought pure physical comedy to its greatest heights Mel Brooks A lot of my daring came from Keaton Martin Scorsese influenced by Keaton s pictures in the making of Raging Bull The only person who had the right attitude about boxing in the movies for me Scorsese said was Buster Keaton Keaton s deadpan stare in a porkpie hat was as recognizable as Charlie Chaplin s tramp and Harold Lloyd s straw boater and spectacles and with W C Fields the four were each considered a comedy king but Keaton was and still is considered to be the greatest of them all His iconic look and acrobatic brilliance obscured the fact that behind the camera Keaton was one of our most gifted filmmakers Through nineteen short comedies and twelve magnificent features he distinguished himself with such seminal works as Sherlock Jr The Navigator Steamboat Bill Jr The Cameraman and his masterpiece The General Now James Curtis admired biographer of Preston Sturges definitive Variety W C Fields by far the fullest fairest and most touching account we have yet had Or are likely to have Richard Schickel front page of The New York Times Book Review and Spencer Tracy monumental definitive Kirkus Reviews gives us the richest most comprehensive life to date of the legendary actor stunt artist screenwriter director
