Lipson,1999 This readable everyday reference demonstrates how to make computers your entrance to exciting new intellectual vistas and leisure time pursuits Cover Billboard ,1998-07-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Sound Streams** Andrew J Bottomley,2020-06-01 In talking about contemporary media we often use a language of newness applying words like revolution and disruption Yet the emergence of new sound media technologies and content from the earliest internet radio broadcasts to the development of algorithmic music services and the origins of podcasting are not a disruption but a continuation of the century long history of radio Today's most innovative media makers are reintroducing forms of audio storytelling from radio's past Sound Streams is the first book to historicize radio internet convergence from the early 90s through the present demonstrating how so called new media represent an evolutionary shift that is nevertheless historically consistent with earlier modes of broadcasting Various iterations of internet radio from streaming audio to podcasting are all new radio practices rather than each being a separate new medium radio is any sound media that is purposefully crafted to be heard by an audience Rather than a particular set of technologies or textual conventions web based broadcasting combines unique practices and features and ideas from radio history In addition there exists a distinctive conversationality and reflexivity to radio talk including a propensity for personal stories and emotional disclosure that suits networked digital media culture What media convergence has done is extend and intensify radio's logics of connectivity and sharing sonically mediated personal expression intended for public consideration abounds in online media networks Sound Streams marks a significant contribution to digital media and internet studies Its mix of cultural history industry research and genre and formal analysis especially of contemporary audio storytelling will appeal to media scholars radio and podcast practitioners audio journalism students and dedicated podcast fans Billboard ,1998-07-04 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends The Listeners Brian Hochman,2022-03-22 They've been listening for longer than you think A new history reveals how and why Wiretapping is nearly as old as electronic communications Telegraph operators intercepted enemy messages during the Civil War Law enforcement agencies were listening to private telephone calls as early as 1895 Communications firms have assisted government eavesdropping programs since the early twentieth century and they have spied on their own customers too Such breaches of privacy once provoked outrage but today most Americans have resigned themselves to constant electronic monitoring How did we get

from there to here In *The Listeners* Brian Hochman shows how the wiretap evolved from a specialized intelligence gathering tool to a mundane fact of life He explores the origins of wiretapping in military campaigns and criminal confidence games and tracks the use of telephone taps in the US government's wars on alcohol communism terrorism and crime While high profile eavesdropping scandals fueled public debates about national security crime control and the rights and liberties of individuals wiretapping became a routine surveillance tactic for private businesses and police agencies alike From wayward lovers to foreign spies from private detectives to public officials and from the silver screen to the Supreme Court *The Listeners* traces the long and surprising history of wiretapping and electronic eavesdropping in the United States Along the way Brian Hochman considers how earlier generations of Americans confronted threats to privacy that now seem more urgent than ever

Billboard, 1998-06-20 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

B.E.T. Weekend Magazine, 1998 *Garden State Gangland* Scott M. Deitche, 2017-12-08 The Mafia in the United States might be a shadow of its former self but in the New York New Jersey metro area there are still wiseguys and wannabes working scams extorting businesses running gambling selling drugs and branching out into white collar crimes And they are continuing a tradition that's over 100 years old Some of the most powerful mobsters on a national level were from New Jersey and they spread their tentacles down to Florida across the Atlantic and out to California And many of the stories have never been told Deitche weaves his narrative through significant as well as some lesser known mob figures who were vital components in the underworld machine New Jersey's organized crime history has been one of the most colorful in the country serving as the home of some of the most powerful as well as below the radar mobsters in the Country And though overshadowed by the emphasis on New York City the mob and New Jersey have over the years become synonymous in both pop culture and in law enforcement But for all the press that has been dedicated to the mob and New Jersey for all the law enforcement activity against the mob and for all the pop culture references there has never truly been an examination of the rise of the mob in New Jersey from a historical perspective Until now In *Garden State Gangland* Scott M Deitche sets the historical record straight by providing the first overall history of the mob in New Jersey from the early turn of the century Black Hand gangs to the present and looks at how influential they were was not only to goings on the Garden State but across the New York metro region and the country as a whole
