The New American Poetry of Engagement Ann Keniston, Jeffrey Gray, 2012-07-31 This anthology of poetry collects 21st century American works by both established and emerging poets that deal with the public events government policies ecological and political threats economic uncertainties and large scale violence that have largely defined the century to date But these 138 poems by 50 poets do not simply describe lament or bear witness to contemporary events they also explore the linguistic temporal and imaginative problems involved in doing so In this way the anthology offers a comprehensive look at contemporary American poetry demonstrating that poets are moving at once toward a new engagement with public concerns and toward a focus on the problems of representation A detailed introduction by the editors along with poetics statements by many of the poets add depth and context to a book that will appeal to anyone interested in the state and evolution of contemporary American poetry Instructors considering this book for use in a course may request an examination copy here

Dear Friends Far and Near Fritz Jaensch, 2018-07-31 Like the poets Henry David Thoreau and St Francis Fritz Jaensch profoundly believes the natural and spiritual worlds are intertwined In his first collection of lyrical verse Jaensch blends details of the small creatures that hide in the woods as they grapple with the meaning and practice of truth in their own world with the complexities that surround Gods world of the spirit From the hawk the owl and the crows perched in the tall trees to Gods chosen vessel his son who has come to earth to redeem the human soul Jaensch leads others down a peaceful path where warm sunshine heals pain and the Word of God brings comfort to the sick and weary In this poignant volume of verse a poet shares contemplative lyrics grounded in the natural world and infused with spirituality that offer faith hope and love to anyone searching for meaning in life Fritzs poems combine the wonders of the natural world with the amazement of the spiritual world and remind me greatly of the works of Henry David Thoreau Allen Sweet PhD adjunct professor of electrical engineering Santa Clara University Santa Clara California *Books on Asia from the Near East to the Far East*
