New York City Tattoo The Oral History Of An Urban Art:

New York City Tattoo Michael McCabe, 1997 New York City Tattoo documents the lively humorous and often violent history of the art from the early years of the 20th century in the words of the men who pushed the pins in places like Coney Island and the Bowery Tattooing at the time evoked the dangerous fringes of society and for over a decade Michael McCabe assiduously gained the confidence of the few surviving practitioners of this vanished era These highly charged interviews provide a privileged look into a clannish world of honor respect and jealously guarded trade secrets They reveal facets of New York social history and a volatile misunderstood and secretive art form

The Other End of the Needle David C. Lane, 2020-11-13 The Other End of the Needle encourages readers to step into the complex world of tattooists Through interviews with tattooists and observations in their shops Lane challenges us to understand how people collectively create and sustain culture By asking how people make things this book shows how tattoos are more than just images on the skin

Inked: Tattoos and Body Art around the World Margo DeMello, 2014-05-30 In recent decades tattoos have gone from being a subculture curiosity in Western culture to mainstream and commonplace This two volume set provides broad coverage of tattooing and body art in the United States today as well as around the world and throughout human history In the 1960s tattooing was illegal in many parts of the United States Today tattooing is fully ingrained in mainstream culture and is estimated to be a multi billion dollar industry This exhaustive work contains approximately 400 entries on tattooing providing historical information that enables readers to fully understand the methods employed the meanings of and the motivations behind tattooing one of the most ancient ways humans mark themselves The encyclopedia covers all important aspects of the topic of tattooing the major types of tattooing the cultural groups associated with tattooing the regions of the world where tattooing has been performed the origins of modern tattooing in prehistory and the meaning of each society's use of tattoos Major historical and contemporary figures associated with tattooing including tattooists tattooed people and tattoo promoters receive due attention for their contributions The entries and sidebars also address the sociological movements involved with tattooing the organizations the media dedicated to tattooing such as television shows movies magazines websites and books and the popular conventions carnivals and fairs that have showcased tattooing

The Grace of Four Moons Pravina Shukla, 2015-10-16 Because clothing food and shelter are basic human needs they provide excellent entries to cultural values and individual aesthetics Everyone gets dressed every day but body art has not received the attention it deserves as the most common and universal of material expressions of culture The Grace of Four Moons aims to document the clothing decisions made by ordinary people in their everyday lives Based on fieldwork conducted primarily in the city of Banaras India Pravina Shukla conceptualizes and realizes a total model for the study of body art understood as all aesthetic modifications and supplementations to the body Shukla urges the study of the entire process of body art from the assembly of raw materials and the manufacture of objects through their sale and the interactions between merchants and

Fenske,2007-11-26 In analyses of tattoo contests advertising and modern primitive photographs the book shows how images of tattooed bodies communicate and disrupt notions of gender class and exoticism through their discursive performances Fenske suggests working within dominant discourse to represent and subvert oppressive gender and class evaluations

Written on the Body Jane Caplan,2021-10-12 Despite the social sciences growing fascination with tattooing and the immense popularity of tattoos themselves the practice has not left much of a historical record And until very recently there was no good context for writing a serious history of tattooing in the West This collection exposes for the first time the richness of the tattoo's European and American history from antiquity to the present day In the process it rescues tattoos from their stereotypical and sensationalized association with criminality The tattoo has long hovered in a space between the cosmetic and the punitive Throughout its history the status of the tattoo has been complicated by its dual association with slavery and penal practices on the one hand and exotic or forbidden sexuality on the other The tattoo appears often as an involuntary stigma sometimes as a self-imposed marker of identity and occasionally as a beautiful corporal decoration This volume analyzes the tattoo's fluctuating often uncomfortable position from multiple angles Individual chapters explore fascinating segments of its history from the metaphorical meanings of tattooing in Celtic society to the class-related commodification of the body in Victorian Britain from tattooed entertainers in Germany to tattooing and piercing as self-expression in the contemporary United States But they also accumulate to form an expansive textured view of permanent bodily modification in the West By combining empirical history powerful cultural analysis and a highly readable style this volume both draws on and propels the ongoing effort to write a meaningful cultural history of the body The contributors representing several disciplines have all conducted extensive original research into the Western tattoo Together they have produced an unrivalled account of its history They are in addition to the editor Clare Anderson Susan Benson James Bradley Ian Duffield Juliet Fleming Alan Govenar Harriet Guest Mark Gustafson C P Jones Charles MacQuarrie Hamish Maxwell Stewart Stephan Oettermann Jennipher A Rosecrans and Abby Schrader **Bodies of Subversion** Margot

Mifflin,2013-08-02 In this provocative work full of intriguing female characters from tattoo history Margot Mifflin makes a

persuasive case for the tattooed woman as an emblem of female self expression Susan Faludi *Bodies of Subversion* is the first history of women's tattoo art providing a fascinating excursion to a subculture that dates back into the nineteenth century and includes many never before seen photos of tattooed women from the last century Author Margot Mifflin notes that women's interest in tattoos surged in the suffragist 20s and the feminist 70s She chronicles Breast cancer survivors of the 90s who tattoo their mastectomy scars as an alternative to reconstructive surgery or prosthetics The parallel rise of tattooing and cosmetic surgery during the 80s when women tattooists became soul doctors to a nation afflicted with body anxieties Maud Wagner the first known woman tattooist who in 1904 traded a date with her tattooist husband to be for an apprenticeship Victorian society women who wore tattoos as custom couture including Winston Churchill's mother who wore a serpent on her wrist Nineteenth century sideshow attractions who created fantastic abduction tales in which they claimed to have been forcibly tattooed In *Bodies of Subversion* Margot Mifflin insightfully chronicles the saga of skin as signage Through compelling anecdotes and cleverly astute analysis she shows and tells us new histories about women tattoos public pictures and private parts It's an indelible account of an indelible piece of cultural history Barbara Kruger artist *The Complete Idiot's Guide to Getting a Tattoo* John Reardon, 2008-03-04 Got ink Having a tattoo is now thoroughly mainstream but getting it done is still scary for most regular folks Does it hurt Is it safe How much does it cost Written for the novice and aficionado alike this book walks the reader through every step of the process making the big decision handling the physical event and finally taking proper care of your own personal work of art Expert advice from a high profile professional Includes 30 original designs exclusive to this book Includes 8 page full color insert Millions of people of all ages get inked each year Tattoo shops have sprung up everywhere to meet this growing demand and cable shows such as *Miami Ink* and *Inked* draw huge audiences **Encyclopedia of American Folk Art** Gerard C.
