Confessions to the City of God with an eye to the following question how can this early church father so foundational to Christian doctrine and teaching inform our twenty first century context on how to create and sustain a more just and equitable society In his own day Augustine spoke to conditions of slavery conflict and war violence and poverty among many others These conditions while reflecting the characteristics of our technological age continue to obstruct our collective efforts to bring about the common good for the global human community The contributors of this volume have taken great care to read Augustine through the lens of his own time and place at the same time they provide keen insights and reflections which advance the conversation of social justice in the present     *St. Augustine: Homilies on the Gospel of John ; Homilies on the First Epistle of John ; Soliloquies* Saint Augustine (Bishop of Hippo.),1978
