The Devil's Garden Nigel Barley,2012-02-01 In 1942 Japanese occupied Singapore where violence and starvation stalk the streets a bizarre tranquillity reigns between warring nations in the Singapore Botanic Gardens This sensitive and humorous work of historical fiction explores a real and complicated chapter of Singapore s history in which British scientists avoided jail during WWII and worked with their Japanese counterparts in the pursuit of science only to be accused of collaboration following the War

Jesus' Mountain Betty Swan Luckey,2022-07-25 When the Judds recorded Grandpa Tell Me Bout the Good Ole Days our whole family began singing the title around the glowing pasture campfires and my late cattleman husband would do just that telling about the colorful Luckey family history and his personal hunting fishing and cowboy stories Sometimes it was Grandmaw tell us another one when I would once again share the adventures and miracles of my lifetime the police stories and hunting tales my true confessions and faith in Jesus and how He d brought me through every low valley to the joyful victorious mountain tops I can still see just like it was yesterday the glistening of the tears on their cheeks by the firelight but much more often it was their hysterical laughter heard echoing through the woods on smoky nighttime breezes the happiest of times and the strongest family love we d ever know

The Devil's Gardens Lydia Monin,2011-12-31 The image I have is a kid on a country lane on a Saturday afternoon herding his family cattle meaning no harm to anybody and putting one step wrong It s one thing to die in combat it s one thing to die defending land but it s another thing to die tending cattle on a Saturday afternoon and we want a world where that doesn t happen Michael Ignatieff During the twentieth century a landmine plague raged across the globe It began on the battlefields of two world wars it gathered momentum in Korea and Vietnam and then spread like wildfire throughout the developing world The Devil s Gardens is the definitive story of the landmine It is the story of the development and proliferation of a weapon of terror It is also the story of suffering and devastation and a worldwide crusade to put an end to the curse of landmines forever The issues surrounding landmines and their continued use are controversial Drawing on a wide range of distinguished interviewees and the authors first hand experiences in severely mine affected countries The Devil s Gardens look at all sides of the landmine story
