Byron J. Rees

Prose Selections:

Nonrequired Reading Wisława Szymborska, 2002 A selection of short prose pieces by the Polish poet incorporates the author's reflections on an eclectic array of books ranging from titles on cooking yoga gardening and home repair to volumes on opera and world literature Modern American Prose Selections Byron J. Rees, 2015-06-17 Excerpt from Modern American Prose Selections As the reader if he wishes may discover without undue delay the little volume of modern prose selections that he has before him is the result of no ambitious or pretentious design It is not a collection of the best things that have lately been known and thought in the American world it is not an anthology in which all our best authors are represented by striking or celebrated passages The editor planned nothing either so precious or so eclectic His purpose rather was to bring together some twenty examples of typical contemporary prose in which writers who know whereof they write discuss certain present day themes in readable fashion In choosing material he has sought to include nothing merely because of the name of the author and he has demanded of each selection that it should be of such a character both in subject and style as to impress normal and wholesome Americans as well worth reading The earlier selections President Roosevelt's noble eulogy upon Lincoln Secretary Lane's two addresses on American tradition and heritage and Governor Coolidge's address at Holy Cross remind the reader of the high significance of our national past and indicate the promise of a rightly apprehended future About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works English Prose Sir Henry Craik, 1896 This collection shows the growth and development of English prose by extracts from the principal and most characteristic writers **American Prose** George Rice Carpenter, 1898 **Modern American Prose Selections** Byron Johnson Rees, 1920 **Catalogue of the Library of the India Office: pt. 1.
