*Real Prayer Is Answered* John N Heil, 2008-07 Jesus assured us Ask and it shall be given you This book examines what Scripture says about asking for our needs and the complete confidence with which we should approach God **Prayer Works** Rosemary Ellen Guiley, 1999-11 Prayer Works recounts over 150 true and incredible stories of how people were touched through answered prayers This deeply moving collection of letters from across the country was taken from the files of Silent Unity one of the nation's oldest and most popular telephone prayer ministries From overcoming financial difficulties to dramatic changes in health related challenges author Rosemary Ellen Guiley shares how the simple act of praying transforms lives and situations **50 Popular Beliefs That People Think Are True** Guy P. Harrison, 2012-01-03 What would it take to create a world in which fantasy is not confused for fact and public policy is based on objective reality asks Neil deGrasse Tyson science popularizer and author of *Astrophysics for People in a Hurry* I don't know for sure But a good place to start would be for everyone on earth to read this book Maybe you know someone who swears by the reliability of psychics or who is in regular contact with angels Or perhaps you're trying to find a nice way of dissuading someone from wasting money on a homeopathy cure Or you met someone at a party who insisted the Holocaust never happened or that no one ever walked on the moon How do you find a gently persuasive way of steering people away from unfounded beliefs bogus cures conspiracy theories and the like This down to earth entertaining exploration of commonly held extraordinary claims will help you set the record straight The author a veteran journalist has not only surveyed a vast body of literature but has also interviewed leading scientists explored the most haunted house in America frolicked in the inviting waters of the Bermuda Triangle and even talked to a contrite Roswell alien He is not out simply to debunk unfounded beliefs Wherever possible he presents alternative scientific explanations which in most cases are even more fascinating than the wildest speculation For example stories about UFOs and alien abductions lack good evidence but science gives us plenty of reasons to keep exploring outer space for evidence that life exists elsewhere in the vast universe The proof for Bigfoot or the Loch Ness Monster may be nonexistent but scientists are regularly discovering new species some of which are truly stranger than fiction Stressing the excitement of scientific discovery and the legitimate mysteries and wonder inherent in reality this book invites readers to share the joys of rational thinking and the skeptical approach to evaluating our extraordinary world

*obligation, and privilege ... With a few forms of prayer* Edward Bickersteth, 1826      **All Your Prayers Are Answered** Sam Menahem, 2000-10 This book answers several questions that have perplexed people throughout the ages Why do good people get sick and suffer misfortune Can prayer help and heal Is God powerful but not omnipotent Or does God have varying answers to prayers This book suggests that all of us are alive for a reason to learn and grow spiritually This growth requires a movement toward faith love forgiveness and unity Positive movement in these areas helps us deal with fear hate guilt and inferiority These psychological problems are also opportunities for growth As we learn to pray more effectively we are healed spiritually psychologically and often physically We need to look at life as a beautifully unfolding divine plan If all prayers were answered with instantaneous miraculous healings people would not learn to take responsibility for their thoughts feelings and behavior They would just turn to God to bail them out or provide selfish gain Thus all prayers are answered in a way that can lead to the maturity necessary to pray more effectively Only God knows the next step in each person's journey Our job is to surrender to divine direction take responsibility for ourselves and do what we need to do and accept all results Prayer leads to maturity peace and happiness which in turn leads to more effective prayer      *Illegal Prayers* Bob Sorge , 2014-11-05 This book explores how Jesus taught us to pray when we need an answer from God right now There's a bold way to pray that receives today what God was intending to do tomorrow All you need is a close friendship with God When you have relational equity with God you can pray with such audacity that others are like You shouldn't talk to God like that But it's precisely to this kind of illegal praying that Jesus surprisingly invites us You're a friend of God so ditch propriety forget the rules throw caution to the wind and pray illegal prayers      **The Oberlin Evangelist** , 1846      *100% Answered Prayer 2nd Edition* Dag Heward-Mills, 2015 You prayed for something and didn't get it Out of frustration and disappointment you quit praying Familiar isn't it The question then is can one experience 100 per cent results to prayer Yes yes YES Find out how
