*Realism and Consensus in the English Novel* Elizabeth Deeds Ermarth, 1986-06-01 The Description for this book Realism and Consensus in the English Novel will be forthcoming      **Realism and Consensus in the English Novel** Elizabeth Deeds Ermarth, 1998 This acclaimed study explores how the common denominators of modernity neutral time and neutral space were constructed from the Renaissance to the late nineteenth century Central to this development was the normalizing of a certain grammar of perspective evident across a range of practices from art to politics from science to philosophy from mathematics to cartography In particular it deals with the construction of historical time in narrative from the eighteenth and nineteenth centuries with particular case studies of Defoe Richardson Austen Dickens George Eliot and Henry James

*Realism and consensus in the English novel* Elizabeth Deeds Ermarth, 1998 Annotation This acclaimed study explores how the common denominators of modernity neutral time and neutral space were constructed from the Renaissance to the late nineteenth century Central to this development was the normalizing of a certain grammar of perspective evident across a range of practices from art to politics from science to philosophy from mathematics to cartography In particular it deals with the construction of historical time in narrative from the eighteenth and nineteenth centuries with particular case studies of Defoe Richardson Austen Dickens George Eliot and Henry James      **Realism and Consensus in the English Novel**

**Consensus in the English Novel** Elizabeth Ermarth, 1983      **Ethics and the English Novel from Austen to Forster** Valerie Wainwright, 2016-05-13 Complicating a pervasive view of the ethical thought of the Victorians and their close relations which emphasizes the domineering influence of a righteous and repressive morality Wainwright discerns a new orientation towards an expansive ethics of flourishing or living well in Austen Gaskell Dickens Eliot Hardy and Forster In a sequence of remarkable novels by these authors Wainwright traces an ethical perspective that privileges styles of life that are worthy and fulfilling admirable and rewarding Presenting new research into the ethical debates in which these authors participated this rigorous and energetic work reveals the ways in which ideas of major theorists such as Kant F H Bradley or John Stuart Mill as well as those of now little known writers such as the priest Edward Tagart the preacher William Maccall and philanthropist Helen Dendy Bosanquet were appropriated and reappraised Further Wainwright seeks also to place these novelists within the wider context of modernity and proposes that their responses can be linked to the on going and animated discussions that characterize modern moral philosophy      *The English Novel In History 1840-1895* Elizabeth Ermarth, 2006-09-07 The construction of history as a social common denominator is a powerful achievement of the nineteenth century novel a form dedicated to experimenting with democratic social practice as it conflicts with economic and feudal visions of social order Through revisionary readings of familiar nineteenth century texts *The English Novel in History 1840-1895* takes a multidisciplinary approach to literary history It highlights how narrative shifts from one construction of time to another and reformulates fundamental ideas of identity nature and society Elizabeth Ermarth discusses the range of novels

alongside other cultural material including painting science religious political and economic theory She explores the problems of how a society as defined in democratic terms can accommodate political gender and class differences without resorting to hierarchy and how narrowly conceived economic agendas compete with social cohesion Students advanced undergraduates postgraduates and specialists will find this text invaluable *Encyclopedia of the Novel* Paul

Schellinger,2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world **How to Read the Victorian Novel** George

Levine,2007-11-19 How to Read the Victorian Novel provides a unique introduction to the genre Using examples from the classics like The Pickwick Papers David Copperfield Jane Eyre The Woman in White and Middlemarch it demonstrates just how unfamiliar their familiarity is The book attempts to break free of the sense that the Victorian novel is somehow old fashioned moralizing and formally careless by emphasizing the complexity difficulty and rare pleasures of the Victorian writers strenuous efforts both to entertain and to teach to create serious art and to appeal to wide audiences to respond both to the demands of publishing and also to their own rich imaginative engagement with a world heading into modernity at full speed Broad in its scope the text surveys a wide variety of literary types and explores the cultural and historical developments of the novel form itself The book also poses a series of big questions pertaining to money capitalism industry race gender and at the same time to formal issues such as plotting perspective and realist representation In addition it locates the qualities that give to the great variety of Victorian novels a family resemblance the material conditions of their production their tendency to multiply plots their obsession with class and money their problematic handling of gender questions and their commitment to realist representation How to Read the Victorian Novel challenges our comfortable expectations of the genre in order to explore intensively a burgeoning and changing literary form which mirrors a burgeoning and changing society **A Companion to the English Novel** Stephen Arata, Madigan Haley, J. Paul

Hunter, Jennifer Wicke,2019-01-29 This collection of authoritative essays represents the latest scholarship on topics relating to the themes movements and forms of English fiction while chronicling its development in Britain from the early 18th century to the present day Comprises cutting edge research currently being undertaken in the field incorporating the most salient critical trends and approaches Explores the history evolution genres and narrative elements of the English novel Considers the advancement of various literary forms including such genres as realism romance Gothic experimental fiction

and adaptation into film Includes coverage of narration structure character and affect shifts in critical reception to the English novel and geographies of contemporary English fiction Features contributions from a variety of distinguished and high profile literary scholars along with emerging younger critics Includes a comprehensive scholarly bibliography of critical works on and about the novel to aid further reading and research     Literature in a Time of Migration Josephine McDonagh, 2021-05-13 Literature in a Time of Migration offers a profound rethinking of British fiction in light of the new practices of human mobility that reshaped the nineteenth century world Building on the growing critical engagement with globalization in literary studies it confronts the paradox that at a time when transnational human movement occurred globally on an unprecedented scale British fiction appeared to turn inward to tell stories of local places that valorized stability and rootedness In contrast this book reveals how literary works from the end of the Napoleonic Wars to the advent of the New Imperialism were active components of a culture of colonization and emigration Fictional texts as print commodities were enmeshed in technologies of transport and communication and innovations in literary form were spurred by the conditions and consequences of human movement Examining works by Scott Charlotte Bront Dickens and George Eliot as well as popular contemporaries Mary Russell Mitford John Galt and Thomas Martin Wheeler this volume demonstrates how literary texts overlap with an agenda set in public discussions of colonial emigration that they also helped to shape Debates about assisted emigration forced and free migration colonization settlement and the removal of native peoples figure in fictions in complex ways Read alongside writings by emigration theorists practitioners and enthusiasts for colonization fictional texts reveal a powerful and sustained engagement with British migratory practices and their worldwide consequences Literature in a Time of Migration is a timely reminder of the place and importance of migration within British cultural heritage     **From Eternity to Time** Aino Mäkilä, 2007 This study examines different conceptions of time in Daniel Defoe's 1660-1731 novels The temporal aspects of the novels are surveyed taking into account the historical situation of the novel as a genre and contemporary conceptions of time The modernisation process of the Western world serves as a wider context of the study as present research indicates that Defoe's novels exemplify a multilayered shift from pre modern Western conceptions of time to those of the modern age The author also explores gendered time and economic and cultural values of time in Defoe's novels The book contributes a fresh analysis of Defoe's novels and demonstrates the crucial relation between historical cultural conceptions of time and the historically changing genre of the novel     *Hogarth* Frédéric Ogée, David Bindman, Peter Wagner, 2001 By focusing on the artist's most famous works this collection of essays applies studies of science and philosophy from the period to give a more accurate sense of the meanings in Hogarth's art     *Scenes of Clerical Life* George Eliot, 2015 Scenes of Clerical Life consists of three short novellas in which the lives of ordinary men and women in a provincial Midlands town are portrayed with tender sympathy and understanding Eliot brought a new level of literary realism to her tales of Amos Barton Mr Gilfil and Janet Dempster in her first published work of fiction     *The*

*Mark Twain Encyclopedia* J. R. LeMaster, James Darrell Wilson, Christie Graves Hamric, 1993 A reference guide to the great American author 1835-1910 for students and general readers The approximately 740 entries arranged alphabetically are essentially a collection of articles ranging significantly in length and covering a variety of topics pertaining to Twain's life, intellectual milieu, literary career and achievements Because so much of Twain's writing reflects Samuel Clemens's personal experience, particular attention is given to the interface between art and life, i.e. between imaginative reconstructions and their factual sources of inspiration Each entry is accompanied by a selective bibliography to guide readers to sources of additional information Annotation copyright by Book News Inc Portland OR

*Postmodernism in History* Beverley Southgate, 2003-09-02 This book traces the philosophical precursors of postmodernism and identifies the roots of current concerns Beverley Southgate describes the core constituents of postmodernism and provides a lucid and profound analysis of the current concerns

*The Portrait of a Lady* Henry James, 2009-04-09 One ought to choose something very deliberately and be faithful to that Isabel Archer is a young intelligent and spirited American girl determined to relish her first experience of Europe She rejects two eligible suitors in her fervent commitment to liberty and independence declaring that she will never marry Thanks to the generosity of her devoted cousin Ralph she is free to make her own choice about her destiny Yet in the intoxicating worlds of Paris, Florence and Rome her fond illusions of self-reliance are twisted by the machinations of her friends and apparent allies What had seemed to be a vista of infinite promise steadily closes around her and becomes instead a house of suffocation Considered by many as one of the finest novels in the English language this is Henry James's most poised achievement written at the height of his fame in 1881 It is at once a dramatic Victorian tale of betrayal and a wholly modern psychological study of a woman caught in a web of relations she only comes to understand too late This edition reproduces the revised New York Edition with James's own Preface

**ABOUT THE SERIES** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study and much more

**The Cambridge Companion to the Victorian Novel** Deirdre David, 2012-10-18 A new edition of this standard work fully updated with four brand new chapters

*Representing Realists in Victorian Literature and Criticism* Daniel Brown, 2016-12-15 This book is about the historical moment when writers and critics first used the term realism to describe representation in literature and painting While scholarship on realism tends to proceed from an assumption that the term has a long established meaning and history this book reveals that mid-nineteenth century critics and writers first used the term reluctantly with much confusion over what it might actually mean It did not acquire the ready meaning we now take for granted until the end of the nineteenth century In fact its first definitions came primarily by way of example and analogy through descriptions of current practitioners or through fictionalized representations of artists By investigating original

debates over the term realism this book shows how writers simultaneously engaged with broader concerns about the changing meanings of what was real and who had the authority to decide this      Vicarious Narratives Jeanne M. Britton, 2019 Studies the experiences of sympathy that literary characters share with each other and argues that between 1750 and 1850 key works of British and French fiction generated a specific version of sympathy by manipulating traditional narrative forms and new publication practices in response to the Enlightenment      The Nineteenth-Century English Novel J. Kilroy, 2007-04-02 Through analysis of eight English novels of the Nineteenth century this work explores the ways in which the novel contributes to the formation of ideology regarding the family and conversely the ways in which changing attitudes toward the family shape and reshape the novel
