Branton Walton, 2015-10-04 A MAN OF EXTRAORDINARY MYSTERY EXPOSES A CONSPIRACY AGAINST REALITY WHICH IS EFFECTING ALL OF HUMANKIND Little is know about the individual who was born Bruce A Walton but early on changed his name to Branton when he began to realize that something was just not right that he had become a sleeper for the CIA when he had stumbled upon some information that he was not supposed to know He was given an alternative double life which gave him access to underground UFO and MILAB bases and apparently had been tagged by the Greys with a series of alien implants placed in various parts of his body It is also claimed that he had a number of hybrid children who are now part of the NWO resistance movement He felt as if he were being driven deeper into the pit of depravity and bondage to the evil one from whom he eventually defected in order to expose this darkness to the light of truth so that others might escape the traps which almost took his life Here are bizarre accounts collected by Branton and The Group a band of associates that refer to themselves as The Committee Of Twelve To save The Planet Branton believes that the world is under attack from the Illuminate the New World Order working in conjunction with demonic aliens and reptilian shape shifters headquartered beneath the earth s surface To the Christians insists Branton the Underworld is Hell To many the world of caverns are the abodes of their ancestors a truism common perhaps to all of us if we believe our for bearers were cave men and women To Richard S Shaver the Hollow Earth was the abode of debauched Dero to others it was the home of the Serpent Race or Agharta still others saw it inhabited by a society with a Utopian model To some the Inner Earth may represent only caverns a few hundred feet or a few miles down To other theorists it may represent a miniature cosmos of its own complete with a Central Sun But however we view it the Inner Earth remains one of our strongest if unproved traditions This book is DEFINITELY NOT FOR EVERYONE Only for those keenly interested in what is taking place behind the scenes out of the glare of public scrutiny Here is a secret world unknown to the masses but revealed to those at this critical time in our history who truly want to see Reptilia Dario D. Thomas, 2016-05-02 The reptilian species serpent race does exist The so called illuminati are alive and well and they are in control of the world as we know it But are they really in control or are they mere hand puppets of the serpent people Are the serpent people really from another solar system Do they really dwell in cleverly

concealed underground caverns Are they truly harvesting mankind like cattle to be bred for food What is their relationship to the Greys Many believe that the Reptilia are demons fallen angels is this true The answers to all these questions and more are in this book Many of the answers may surprise you however if you take heed of the information in this book you will gain valuable knowledge that will give you an edge of protection from the evil influences of the Reptilia *Ancient Aliens and Secret Societies* Mike Bara, 2015-03-17 Did ancient visitors of extraterrestrial origin come to Earth long long ago and fashion man in their own image Did they then lift the human race out of the ashes of a great global catastrophe around 10 500 BC Were the science and secrets that they taught the ancients intended to be a guide for all humanity to the present era Was this crucial information about our future and our true past hijacked by secretive cabals some with bad intent and some with altruistic designs who have held these secrets over the millennia New York Times bestselling author Mike Bara says the answer to each of these questions is yes He examines ancient documents including the Bible to delve into the true story of the beginnings of mankind He establishes the reality of the major catastrophe that jolted the human race and traces the history of secret societies from the priesthood of Amun in Egypt to the Templars in Jerusalem and the Scottish Rite Freemasons He shows how the spiritual wisdom and scientific knowledge the ETs sought to bestow on all humanity were kept by these secret societies for their own benefit The influence of these sects and their extraterrestrial ties are said to be the stuff of myth but Bara will show readers that this influence is all too real extending even into the political arena He has a very interesting take on the Kennedy assassination Bara also reveals the true origins of NASA and exposes the bizarre triad of secret societies in control of that agency since its inception In the end Bara shows how NASA is manipulating the space program to fulfill occult purposes which may lead to our meeting the very ETs we have been inextricably linked with since the beginning

Legacy of the Sky People: The Extraterrestrial Origin of Adam and Eve; The Garden of Eden; Noah's Ark and the Serpent Race 8th Earl of Clancarty, Nick Redfern, Associate Professor Department of Mathematics and Statistics Tim Swartz, Tim Swartz, 2012-09 ANCIENT ASTRONAUTS AND THE ULTRA TERRESTRIALS THE REVEALING TRUTH COULD CAUSE WORLDWIDE RELIGIOUS POLITICAL AND ENERGY UPHEAVALS The belief in strange beings coming down from the stars to intermingle with humanity can be traced back to the earliest days of mankind While the scientific community maintains that the current notion of UFOs and their extraterrestrial pilots is simply a modern version of the myths and legends contained within almost every culture and civilization Ancient Astronaut theorists maintain that we have been tinkered with and that someone or something else is keeping a watchful eye over mankind for their own purposes that can only be alluded to As early as the 1960s Britain's 8th Earl of Clancarty Brinsley Le Poer Trench made an astounding revelation He said that he was convinced that life on earth had originated on the planet Mars and that the first voyagers here had been the Biblical Adam and Even who had left their paradise of the Garden of Eden and arrived on earth in a space ark piloted by Noah Thus the roots of the various Biblical stories from the Old Testament which are taught in every Sunday

School today But the story told by British nobility and the other researchers in this book tell even a far stranger tale about the secret history of our planet a history that is forbidden knowledge to a handful of individuals who are now sharing their findings for the first time O Why has the CIA and the military shown an unprecedented interest in the remains of what many claims to be Noah s Ark that came to rest on Turkey s Mount Ararat Is the anomalous structure a crashed space ship something metallic as opposed to the gopher wood of the Biblical tale as researcher Nick Redfern insists could be true O Is there a distinction to be made between the ancient aliens and the true Creator God and do these visitors have the same imponderable questions as we do about life death and religion Eric von Daniken spokesman Giorgio Tsoukalos has his own ideas on this concept O We have met the Martians and they are us suggests Brad Steiger Is there new evidence to suggest that life on earth was first planted in South America and spread out from there O Is there a new race of humans being formed in these uncertain times According to the Earl of Clancarty some of us are rapidly reacquiring the telepathy and psychic we were originally created with
