Trafford deftly narrates what it means to love and be loved in the decades after midlife and she offers solutions to the most common problems that define this time of life Whether she s shedding light on retired spouse syndrome sharing stories of sexual turmoil explaining how to plan a marital time out or navigate the troubled waters of divorce Trafford s wise and compassionate counsel is imbued with her signature warmth and reassurance As Time Goes By is an urgently needed guide to the pursuit of love and happiness in this dynamic stage of life      **Chaucer's Philosophical Visions** Kathryn L.
