Rear View Mirror AMIT KUMAR GOSWAMI,2019-11-13 A senior citizen in advanced age Amit Kumar Goswami is young at heart His mind works in three different planes at the same time He is inquisitive about the authentic details of anything he writes about He is blessed with distinct imaginative power and his eyes do not miss out even the smallest details His vivid descriptions make a reader mentally participate in the stories and he can easily identify himself as being present in the scene of the story Every one of his stories is different from the other as the author carefully picks up the subjects from the twists and turns of his personal life He has the capacity of turning even the mundane experiences into heart thumping adventures Besides he writes about people who inspire him A reader remains glued to his tales till the last page and practically enjoys the journey with the author His unpretentious easygoing language establishes an endearing personal bond with the reader like a one to one storytelling This book presents a kaleidoscope of the tremendous adventure that is called life *Show Me the Proof!* Stephen H.
