Religious Commitment and Secular Reason Robert Audi, 2000-03-13 Many religious people are alarmed about features of the current age violence in the media a pervasive hedonism a marginalization of religion and widespread abortion These concerns influence politics but just as there should be a separation between church and state so should there be a balance between religious commitments and secular arguments calling for social reforms Robert Audi offers a principle of secular rationale which does not exclude religious grounds for action but which rules out restricting freedom except on grounds that any rational citizen would accept The book describes the essential commitments of free democracy explains how religious and secular moral considerations can be integrated to facilitate co operation in a world of religious pluralism and proposes ideals of civic virtue that express the mutual respect on which democracy depends Audi offers a balanced and sophisticated treatment of the relations between religion and politics in a modern secular society **Law and Religion** Stephen M. Feldman, 2000-09 Few issues arouse as much passionate debate as the relationship between church and state Political parties and coalitions have long jockeyed for position in the battle to either keep the two separate or to unify them in one nation indivisible from God While the battle has been raging in the political arena figures from academia the media and myriad other vantage points have commented on the context and constitutionality of laws governing religious expression In Law and Religion Stephen M Feldman brings together the many perspectives that have shaped policy on this important national issue In giving voice to the political left and right as well as to cultural philosophical sociological and historical perspectives the book serves as an even handed treatment of an issue all too often clouded by biases Contributors ranging from Stanley Fish to Richard John Neuhaus explore issues extending from religious morality and religious freedom to fundamentalism the separation of church and state religion and public schooling and liberal political theory Comprehensive in scope Law and Religion will stand as an important reference for anyone seeking to further understand this complex and highly emotional topic **The Grounds of Refugee Protection in the Context of International Human Rights and Humanitarian Law** Mark R. von Sternberg, 2021-10-25 This volume examines the ways in which human rights and humanitarian law have

influenced the development of the refugee definition as interpreted in the United States and Canada Analysis focuses on how these two significant jurisdictions have addressed refugee protection in a modern context The problem areas discussed include persecution during periods of upheaval resistance to the State in times of civil war opposition to coercive family planning programs and the diverse issues raised by gender based asylum claims The view is advanced that the grounds of refugee protection are not fixed but parallel discriminatory social and political attitudes towards defined groups The study also advocates that human rights and humanitarian law principles should continue to shape the evolution of refugee jurisprudence so as to achieve more effectively the Convention s goals This work will be of great interest to academics practitioners and policy makers in the refugee field as well as to scholars of international human rights and humanitarian law

Sermons: Bearing on Subjects of the Day Blessed John Henry Newman, Aeterna Press, *THOUGH* God created the heavens and the earth in six days and then rested yet He rested only to begin a work of another kind for our Lord says My Father worketh hitherto and He adds and I work And at another time He says concerning Himself more expressly I must work the works of Him that sent Me while it is day the night cometh when no man can work And when that night came He said I have finished the work which Thou gavest Me to do It is finished And in the text we are told generally of all men Man goeth forth unto his work and to his labour until the evening The Creator wrought till the Sabbath came the Redeemer wrought till the sun was darkened and it was night The sun ariseth and man goeth forth and works till the evening when the keepers of the house tremble and the strong men bow themselves and those that look out at the windows are darkened and desire fails because man goeth to his long home and the mourners go about the streets when the silver cord is loosed and the golden bowl is broken and the dust returns to the earth as it was and the spirit returns unto God who gave it Aeterna Press
